Selectmen of Stoneham.

TOWN CLERK'S REPORT

Town Meeting Monday, March 6, 1933

Agreeable to a Warrant signed by the Selectmen, February 6, 1933, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Monday, March 6, 1933, at seven o'clock in the forenoon.

The meeting was called to order by Moderator, Ralph R. Patch, and the Warrant read.

The Tellers appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks

Republicans	Democrats
Charles H. Parsons	Arthur G. Dufresne
Arthur E. Robinson	Harry W. Delano

Tellers

Republicans	Democrats
Walter P. Houston	Helen M. Barry
Ernest L. Mann	Marie M. Burns
Leroy E. Ross	Helen V. Dougherty
Charles I. Smith	Mary M. Hanright
Henry D. Strail	Agnes N. Kelley
George B. Williams	Helen L. McCormack
John W. Murphy	Mary A. McDonough

The ballots were given to the Ballot Clerks, a receipt taken from them for the same, the ballot boxes were opened and examined, the registers set at 0, locked, and the keys given to the Moderator, after which the polls were declared open.

The Moderator appointed as additional tellers to assort and count ballots, the following who were sworn by the Town Clerk.

Republicans	Democrats
John W. Alden	Catherine W. Ahern
Ruth I. Best	Annie L. Cody
Charles V. Blackburn	Daniel Cullinane
Margaret Butler	Nellie A. Dannahy
Hazel G. Crouse	Mary A. K. Hamill
Kenneth H. Gilson	Emma A. Kelley
Walter Morrison	Peter L. McCarty
Herbert W. Rice	Elizabeth T. Reynolds
William N. Rogers	Edward M. Sheridan
Lorimer W. Sargeant	Mary E. Sullivan
Flora A. Thornton	Florence E. Tole

By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened and ballots taken therefrom for the purpose of counting.

The tellers appointed to assort and count ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time the ballot box No. 1 registered 1413 and the ballot box No. 2 registered 1685 as ascertained by the Town Clerk.

The check lists at the gates had the name of 3097 as having received ballots.

The check lists at the ballot boxes had the names of 3097 persons checked as having voted.

The number of unused ballots returned to the Town Clerk was 2303.

The number of ballots taken from the ballot boxes, as counted by the Moderator was 3097.

All the ballots cast having been sorted and counted by the tellers, the blocks of ballots sealed, the total tally sheets proved and signed in accordance with the law, declaration of the vote was made as follows:

Voted: That the Moderator appoint a Committee of three to nominate members of the Finance and Advisory Board. Under the foregoing vote the Moderator appointed the following Committee:

James A. Munro, Norman P. Hersam, Arthur F. Keenan.

Voted: That the Moderator appoint a Committee of three to nominate members of the Planning Board. Under the foregoing vote the Moderator appointed the following Committee:

Earl R. Lombard, Mary E. Cogan, Daniel J. Griffin.

All the requirements of the law having been complied with it was voted to adjourn to meet in Armory Hall on Monday, March 13, 1933, at seven thirty o'clock in the evening.

ADJOURNED TOWN MEETING, MONDAY, MARCH 13, 1933

In accordance with the vote of adjournment passed March 6, 1933, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall on Monday, March 13, 1933, at seven-thirty o'clock in the evening.

The Moderator appointed as tellers to check the names of those entering the hall:

Carrie E. Bancroft — Helen V. Dougherty
Elsie L. deGruchy — Helen M. Barry
Henry D. Strail — Helen L. McCormack
Charles H. Parsons — Harry W. Delano

who were sworn by the Town Clerk. The check lists showed that One thousand two hundred and sixty-five voters entered the hall.

The meeting was called to order by the Moderator, Ralph R. Patch, who declared a quorum present.

At the request of the Moderator, the Town Counsel, Mr. Hill, gave an opinion in regard to the admission of voters beyond the capacity of the hall as follows: "I can find no law regarding the matter of closing the hall to voters after the capacity of the hall has been reached. Mr. Frederic W. Cook, Secretary of the Commonwealth, has given his opinion to the effect that there is nothing that can be done except to hold the meeting as scheduled, and I am, therefore, of the opinion that when the capacity of the hall has been reached, the doors shall be closed and I further believe that a meeting held under those circumstances would be legal."

Article 2. To choose all other necessary Town Officers for the year ensuing.

Voted: That the Selectmen be authorized to appoint all other necessary Town Officers whose appointment is not otherwise provided for by law.

Article 3. To hear the reports of Town Officers and Committees, and to act theron and to choose Committees.

Voted: That the reports of Town Officers and Committees, not otherwise acted upon, be accepted as printed in the Annual Town Report for 1932.

Report of Committee to Appoint Members of the Finance and Advisory Board

Mr. Charles A. Owen
Town Clerk
Stoneham, Mass.

Dear Sir:

In accordance with your recent letter regarding members for the Finance Committee, to serve the term of three years: and at the request of Moderator, Ralph R. Patch, your Committee have appointed the following:

Messrs. Harold H. Holden
George E. Merrifield
Charles E. Crosby

Respectfully submitted:
Dr. Norman P. Hersam
Mr. Arthur F. Keenan
Mr. James A. Munro

Report of Committee to Nominate Members of Planning Board

Messrs. Earl R. Lombard, Daniel J. Griffin and Mrs. Mary E. Cogan, nominating committee, recommended the names of Albert P. Rounds, John J. Sullivan, William F. Wilson and George E. MacNeil, Jr., as members of the Planning Board to serve for a term of three years and they were so elected.

Mr. Hanford offered the following motion: "That the Moderator appoint a Committee of fifteen, to study the Zoning By-Law and a revision thereof and to report at the next annual town meeting; said committee to consist of the following members: one member of the Board of Selectmen, one member of the Finance Committee, one member of the Park Commissioners, one member of the Board of Appeal, the Superintendent of the Public Works, three members of the Planning Board, the Town Counsel and the remaining six members selected to represent various interests and localities of the town."

This motion was lost.

Mr. Myron P. Peffers offered the motion that a committee of twenty-one be appointed to study the Zoning By-Law and report at a future meeting.

This motion was lost.

Mr. William F. McCall offered the following motion: "That a Committee of five be appointed to make a survey of the present fire alarm system and bring in a report at a future town meeting, said committee to consist of the following: Thomas E. Cahill, Almond H. Smith, William F. McCall, Daniel W. Poore and Carl F. Daly.

This motion was carried.

Article 4. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriations for the same.

Mr. Sullivan offered the motion that there be a reduction in salaries and wages of ten percent up to and including $2000 and reduction of fifteen percent on all amounts above $2000.

This motion was lost.

Voted: That the sum of $22,457.00 be appropriated for general government, to be expended in accordance with the recommendations of the Finance and Advisory Board, as follows:

Moderator	$ 25.00
Selectmen's Salaries	270.00

Voted: That the sum of $5,000.00 be appropriated as a Reserve Fund, $1,500.00 of which is to be raised in the levy of the current year and $3,500.00 to be transferred from the Overlay Reserve.

Voted: That from the several appropriations allocated to the Public Works Department, there be segregated a total sum of $20,000.00; said sum to be used as wages to be paid unemployed persons under the direction of a committee who shall fix the rate of pay, said committee to consist of the Board of Selectmen, Board of Public Welfare, Finance and Advisory Board and the Committee on Unemployment Relief and the Superintendent of Public Works.

Voted: That the following committee be appointed to expend the appropriation for Memorial Day: George E. Kenson, Rodman

Davis, George W. Newhall, Robert F. Chase, Harry S. Ford, Michael P. Doherty, Arthur N. Newhall, George B. Williams, John P. Lawson, George A. Foster, Clarence E. Lent, C. Earl Sylvester, William S. Coy, Ernest L. Mann, George H. Hansell.

Article 5. To see if the town will authorize its Treasurer to hire money for the use of the town under the direction of the Selectmen.

Voted: That the Teasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1933, and to issue a note or notes therefor, payable in one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Article 6. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to refund any or all of the revenue notes issued in anticipation of revenue of the year 1933 in accordance with the provisions of Section 17 of Chapter 44 of the General Laws; any debt so incurred to be paid from the revenue of 1933.

Voted: That the Treasurer be and hereby is authorized, with the approval of the Selectmen, to refund any or all of the revenue notes issued in anticipation of revenue of the year 1933, in accordance with the provisions of Section 17 of Chapter 44 of the General Laws; any debt so incurred to be paid from the revenue of 1933.

Article 7. To see if the Town will authorize the Treasurer to assign tax titles held by the Town.

Mr. Hill moved that the Treasurer have authority, with the approval of the Selectmen, to assign Tax Titles, price to be fixed by the Selectmen. This motion was lost.

Article 8. To see if the Town will authorize the Treasurer to sell all property acquired by foreclosure proceedings of any property held under tax titles.

Voted: That the subject matter of this article be indefinitely postponed.

Article 9. To see if the town will vote to authorize the Selectmen to grant free use of Armory Hall to Veteran's organizations and to organizations of a community nature.

Mr. Holden moved that the Selectmen be authorized to grant the free use of Armory Hall to Veteran's organizations and to organizations of a community nature.

Mr. MacNeil offered an amendment to add "school organizations".

The amendment was lost and thereupon the original motion was withdrawn.

It was then voted that the subject matter of this article be referred to the Selectmen.

Article 10. To see if the town will vote to authorize the Board of Health to appoint its Secretary, or any other of its Board members, Health Officer. To see if the town will vote to fix the salary of said Health Officer, and raise and appropriate money therefor.

Voted: That the town do authorize the Board of Health to appoint its Secretary, or any other of its Board members, Health Officer, and that the sum of $1660.00 be raised and appropriated therefor.

Article 11. To see if the town will vote to authorize the Board of Health to appoint one of its Board members, Milk Inspector. To see if the town will vote to fix the salary of said Milk Inspector, and raise and appropriate money therefor.

Voted: That the Health Officer act as Milk Inspector at no additional salary.

Article 12. To see if the town will maintain a local Dental Clinic and raise and appropriate a sum of money for the same, under Section 50, Chapter 111, General Laws.

Voted: That the town do maintain a Dental Clinic under the provisions of Section 50, Chapter 111, General Laws, and that the sum of $1,000.00 be raised and appropriated therefor.

Article 13. To see if the town will raise and appropriate a sum of money for the employment of a Board of Health Nurse, under Section 5, Chapter 40, General Laws.

Voted: That the sum of $900.00 be raised and appropriated for the employment of a Board of Health Nurse, the same to be a registered nurse, under the provisions of Section 5, Chapter 40, General Laws.

Article 14. To see if the town will vote to pay the rent of quarters or to lease quarters for the use of J. P. Gould Post No. 75, G. A. R.; Leon E. Warren Camp, No. 31, U. S. W. V.; Stoneham Post, No 115, American Legion, raise and appropriate money therefor or do anything in relation thereto.

Voted: That the town raise and appropriate the sum of $800.00 for providing quarters for veterans' organizations.

Article 15. To see if the town will vote to accept the provisions of Section 21 to 25 inclusive, of Chapter 136, General Laws Tercentenary Edition of 1932. (Certain sports and games permitted on the Lord's Day.)

Voted: That the town do accept the provisions of Sections 21 and 25 inclusive, of Chapter 136, General Laws Tercentenary Edition of 1932. (Certain sports and games permitted on the Lord's Day).

Article 16. To see if the town will vote to elect its Board of

Selectmen at the next annual election in the following manner: One for the term of one year, one for the term of two years, and one for the term of three years and at each annual meeting thereafter elect one for the term of three years as provided in Chapter 41, Section 1, of the General Laws.

Voted: That the subject matter of this article be indefinitely postponed.

Article 17. To see if the town will vote to appoint a committee to consider the rates of wages being paid to laborers and recommend a uniform wage rate or do anything in relation thereto.

Voted: That the subject matter of this article be referred to the Committee appointed under Article 4.

Article 18. To see if it is the sentiment of the town that street lights be turned off at 1.00 A. M.

Voted: That it is the sense of this meeting that some curtailment in the cost of street lighting be made but that it is the further sense of the meeting that this matter of curtailment be left entirely to the Board of Selectmen.

Article 19. To see if the town will vote to raise and appropriate the sum of $3,827.96 to pay unpaid bills of the year 1932 as follows: Betterment Roads, $763.97; Public Welfare, $3,063.99.

Voted: That the sum of $3,827.96 be raised and appropriated to pay unpaid bills of the year 1932 as follows: Betterment Roads, $763.97; Public Welfare, $3,063.99.

Article 20. To see if the town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932 bonds maturing in 1933 issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the town's share of interest on said bonds due in 1933, also for the care and treatment of tubercular patients under Acts of 1928, Chapter 385, as amended by Acts of 1931, Chapter 60, also for care, maintenance and repair of said Hospital for 1932 including interest on temporary notes issued therefor in accordance with General Laws, Chapter 111, Sections 85 and 85A, and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

Voted: That the sum of $5000.00, this being the town's share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Acts of 1932, bonds maturing in 1933, be and the same is hereby appropriated and that a further sum of $1,258.91 be and hereby is appropriated on account of interest and other charges on account thereof. That a further sum of $2,600.52 be and hereby is appropriated for the town's share of the net cost of

care, maintenance, and repairs of the Middlesex County Hospital including interest on temporary notes issued therefor and including the town's share of the cost of care and treatment of tubercular patients up to June 30, 1932, cared for under Acts of 1928, Chapter 385, as amended, said sums to be raised in the levy of the current year.

Article 21. To see if the town will vote to raise and appropriate money to idemnify Andrew J. Tuney, a police officer of the town, for expenses and damages incurred by him in settlement of the suit of Oscar W. Lundberg.

Voted: That the subject matter of this article be indefinitely postponed.

Article 22. To see if the town will vote to raise and appropriate money to pay the premium on the Workmen's Compensation Insurance incurred in the building of the South Side Sewer System, or do anything in relation thereto.

Voted: That the sum of $1,697.00 be raised and appropriated to pay for Workmen's Compensation on the South Side Sewer System.

Article 23. To see if the town will vote to raise and appropriate money to repair the roof on the Police and Fire Station building, or do anything in relation thereto.

Voted: That the sum of $250.00 be raised and appropriated to repair the roof on the police and Fire Station building.

Article 24. To see if the town will vote to demolish, remove or otherwise dispose of the old Center School Building.

Article 25. To see if the town will vote to repair the Center School, the labor to be furnished, as far as possible, by the Public Welfare Department and the Committee on Unemployment Relief, selected under the direction of the Selectmen, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That Articles 24 and 25 be considered together.

Voted: That the subject matter of these articles be referred to a committee to be appointed by the Moderator, said committee to report at a future town meeting.

Article 26. To see if the town will vote to raise and appropriate the sum of two hundred (200) dollars for Christmas lighting and appoint a committee of five (5) to expend said sum, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 27. To see if the town will vote to raise and appropriate a sum of money to pay the taxes assessed in the years 1931 and 1932 on property owned by the town.

Voted: That the town do raise and appropriate the sum of

$1,284.27 to pay the taxes assessed in the years 1931 and 1932 on property owned by the town.

Article 28. To see if the town will vote to effect insurance providing indemnity for or protection to any officer or employee of the town against loss by reason of his liability to pay damages to others for bodily injuries, including death at any time resulting therefrom, caused by the operation, within the scope of his official duties or employment, of motor vehicles owned by the town, to an amount not exceeding five thousand dollars on account of injury to or death of one person, raise and appropriate money therefor or do anything in relation thereto.

Voted: That the sum of $900.00 be raised and appropriated to effect insurance providing indemnity for or protection to any officer or employee of the town against loss by reason of his liability to pay damages to others for bodily injuries, including death at any time resulting therefrom, caused by the operation, within the scope of his official duties or employment, of motor vehicles owned by the town, to an amount not exceeding five thousand dollars on account of injury to or death of one person.

Article 29. To see if the town will vote to grade land for three tennis courts on the Pomeworth Street Playground, near south side, between Capen Street and Boston and Maine Railroad, the labor to be furnished, as far as possible, by the Public Welfare Department and the Committee on Unemployment Relief, selected under the direction of the Selectmen, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 30. To see of the town will vote to build and maintain two wading pools for small children on Tidd Street Playground, the labor to be furnished, as far as possible, by the Public Welfare Department and the Committee on Unemployment Relief, selected under the direction of the Selectmen, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 31. To see if the town will vote to construct in the Gould Meadow a system of drains and ditches and grade land adjacent thereto, the labor to be furnished, as far as possible, by the Public Welfare Department and the Committee on Unemployment Relief, selected under the direction of the Selectmen, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 32. To see if the town will vote that there is a necessity for enlarging Lindenwood Cemetery.

Article 33. To see if the town will vote to enlarge Lindenwood Cemetery by adding thereto the following described area or any part thereof: a certain tract or parcel of land now or formerly of the Estate of William B. Stevens and Heirs of Winthrop F. Stevens, containing nine and one-half (9½) acres more or less, bounded and described as follows: Northerly by land now or formerly of Annie L. Knapp; Northeasterly by William Street; Southeastly by West Street; Southerly by land of Alice R. Grover and Bertice Jackson; Westerly by land of Town of Stoneham.

Article 34. To see if the town will vote to appropriate money from funds received from sale of lots and graves for the acquiring by purchase or otherwise of land for an addition to Lindenwood Cemetery.

Article 35. To see if the town will vote to instruct the Selectmen that, provided the owner or owners of the adjoining land to Lindenwood Cemetery needed for such enlargement refuse to sell the same or demand therefor a price deemed by the Selectmen unreasonable, that the Selectmen be authorized and requested to petition the Commissioners of the County of Middlesex to take so much as they judge necessary to enlarge the Lindenwood Cemetery belonging to the Town of Stoneham.

Voted: That the subject matter of these articles be referred to the Cemetery Trustees, Park Commissioners and Planning Board for further consideration, with the suggestion that they meet with a representative committee from the residents of West Street.

Article 36. To see if the town will vote to construct a sewer or sewers in and through Ledge Street or any part thereof together with a connection in and through private land and Atwood Avenue, (so-called) to the existing sewer in Maple Street, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 37. To see if the town will vote to authorize the Selectmen to acquire easements in and through private land for any part of the sewer or sewers authorized by the preceding article, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of these articles be indefinitely postponed.

Article 38. To see if the town will vote to enlarge or repair the public drain running under Hersam Street, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 39. To see if the town will vote to resurface Montvale Avenue from Main Street to Woburn line, or any part thereof, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the town do resurface Montvale Avenue or such part thereof as may be done within the appropriation and sums allotted by the State and County, and that the sum of $10,000.00 be appropriated therefor, said sum to be expended in conjunction with sums allotted by the Division of Highways or the County Commissioners, or both; and that, to meet said appropriation there be raised in the levy of the current year the sum of $5,000.00, and the Treasurer with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $5,000.00 and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than five years from the date of issue of the first bond or note, or at such earlier dates, as the Treasurer and Selectmen may determine. Unanimous.

Article 40. To see if the town will vote to purchase a truck for the Water Department, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 41. To see if the town will vote to relay the water mains in the following streets, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto:

(a) Franklin Street from Central Square to Pine Street, or any part thereof.

(b) Montvale Avenue from Main Street to the Stoneham-Woburn town line or any part thereof.

Voted: That the town do relay the water mains in the following streets: (a) Franklin Street from Central Square to Pine Street. (b) In such part of Montvale Avenue as shall be resurfaced under the provisions of Article 39.

Article 42. To see if the town will vote to lay water mains and install hydrants for the purpose of providing adequate fire protection to the New England Sanitarium and Hospital, raise and appropriate money therefor by the sale of notes, bonds or otherwise or do anything in relation thereto.

Voted: That the town do lay water mains and install hydrants for the purpose of providing adequate fire protection to the New England Sanitarium and Hospital.

Voted: That for the purpose of laying the water mains authorized under Articles 41 and 42 there be appropriated the sum of $12,800.00 from the proceeds of the sale of water bonds or notes.

Article 43. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to issue, and sell, from time to time, as occasion requires, town notes, bonds, or other evidences of indebtedness, for the purpose of defraying the cost of extending water mains or relaying water mains within the limits

of the town, to an amount not exceeding twenty-five thousand dollars ($25,000.00), pass any vote or votes relative thereto, or do anything in relation to the same.

Voted: That the Town Treasurer be and hereby is authorized to issue and sell from time to time, as occasion requires, with the approval of the Selectmen, Town Notes for the purpose of defraying the cost of extending water mains within the limits of the town, to an amount not exceeding $25,000.00, said issue to be made under provisions of Section 8, Chapter 44, of the General Laws and amendments thereto. Unanimous.

Article 44. To see if the town will vote to lay a water main in and through Philips Road (so-called), raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 45. To see if the town will vote to construct a sewer in and through Philips Road (so-called), raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 46. To see if the town will vote to accept as a gift from Albert P. Rounds, a deed or deeds to land on Park Avenue designated as lots numbered 1, 2 and 3, as shown on a plan of land on Park Avenue in Stoneham, Mass., made by Russell C. Chase, dated November 1932, with the restriction that lots numbered 1 and 2 are to be used only for park or playground purposes and lot numbered 3 to be used only for park purposes, no games to be played on said lot numbered 3.

Voted: That the town do accept as a gift from Albert P. Rounds, a deed or deeds to land on Park Avenue designed as lots numbered 1, 2, and 3, as shown on a plan of land on Park Avenue in Stoneham, Mass., made by Russell C. Chase, dated November 1932, with the restriction that lots numbered 1 and 2 are to be used only for park or playground purposes and lot numbered 3 to be used only for park purposes, no games to be played on said lot numbered 3.

Article 47. To see if the town will vote to repeal the Zoning By-Law.

Mr. Hanford offered a motion "That the Moderator appoint a Committee of fifteen, to study the Zoning By-Law and a revision thereof and to report at the next annual town meeting; said committee to consist of the following members; one member of the Board of Selectmen, one member of the Finance Committee, one member of the Park Commissioners, one member of the Board of

Appeal, the superintendent of Public Works, three members of the Planning Board, the Town Counsel and the remaining six members selected to represent various interests and localities of the town".

This motion was lost.

Mr. Gile offered a motion that the Zoning By-Law be repealed.

The Moderator appointed the following to serve as tellers to count the vote: Carroll L. Wheeler, George H. Hanson, Harold Holden, Archie L. Prive, John F. Murphy, Fred A. Schneider, Thomas E. McKenna, Moody Newhall, J. Herbert Blinn, Edward J. Whittemore, Horace I. Newcomb, and Louis Gerrish.

The result of the vote was; Yes—289 No—503.

The Moderator declared the motion lost.

On motion of Frank B. Hamill it was voted that the Moderator appoint a committee of three who in turn shall appoint a committee of fifteen to consider revising the Zoning By-Law and report to the town not later than July 1, 1933.

Article 48. To see if the town will vote to amend the Zoning By-Law as to Article II, Section 5, by striking out the words "the unanimous" in the eighth line of said section and inserting in the place thereof the words "a majority" so as to read as follows: Any decision to reverse or modify the order, act or refusal appealed from shall require a majority vote of the Board.

Voted: That the subject matter of this article be indefinitely postponed.

Article 49. To see if the town will vote to amend the Zoning By-Law as to Article II, Section 3, by adding to the first paragraph of said section the following sentence: "No member of the Board of Appeal shall be eligible to re-appointment."

Voted: That the subject matter of this article be indefinitely postponed.

Article 50. To see if the town will vote to amend the Zoning By-Law by adding after Article I, Section 2, sub-Section 9, the following, to be known as sub-Section 9A:

"Riding stable, riding school or the keeping of horses for rental purposes shall be permissible on farm property or on other undeveloped land, as a business or recreational enterprise, only under special permission of the Board of Appeal in the manner provided for in the second paragraph of Article 2, Section 4, and upon such terms and conditions as said Board may impose. Such conditions shall tend to protect the town and the district so as not to adversely affect the scheme of growth laid down in the Zoning By-Law, or tend to impair the beauty of the town or district, or result in injury because of the method of carrying on such business or enterprise."

Voted: That the town do amend the Zoning By-Law by adding after Article I, Section 2, sub-Section 9, the following to be known as sub-Section 9A:

"Riding stable, riding school or the keeping of horses for rental purposes shall be permissible on farm property or on other undeveloped land, as a business or recreational enterprise, only under special permission of the Board of Appeal in the manner provided for in the second paragraph of Article 2, Section 4, and upon such terms and conditions as said Board may impose. Such conditions shall tend to protect the town and the district so as not to adversely affect the scheme of growth laid down in the Zoning By-Law, or tend to impair the beauty of the town or district, or result in injury because of the method of carrying on such business or enterprise. Passed unanimously.

Article 51. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the retail business district as heretofore defined and set forth, so as to include in the retail business district the following described area:

Beginning at the northwesterly corner of the premises, on Main Street, at land of Breagy, the line runs southerly along said Main Street to a point four hundred and eighteen (418) feet to the southerly side of the Lane called Phinney's Terrace; thence the line runs along the southerly side of said Terrace, easterly one hundred and fifty (150) feet, thence southerly forty-four and fifty-nine one-hundredths (44.59) feet to a point two hundred (200) feet northerly from Wilson Road; thence easterly on a line parallel to Wilson Road to a point one hundred and fifty (150) feet easterly from main house on said premises; thence northeasterly by the southeasterly side of the ledge two hundred (200) feet to Pond Street; thence northerly along said Pond Street three hundred (300) feet to land of Dyer; thence westerly along land of Dyer and land of Breagy to point of beginning, six hundred and seventy-eight and five-tenths (678.5) feet.

Voted: That the subject matter of this article be indefinitely postponed.

Article 52. To see if the town will vote to amend the Zoning By-Law by adding to the Retail Business District as heretofore defined and set forth, the following described area:

A certain tract or parcel of land situated at the northwest corner of Summer and Pond Streets extending westerly along Summer Street one hundred (100) feet from Pond Street, northerly along Pond Street one hundred (100) feet from Summer Street and bounded on the north and west by lines parallel to and one hundred (100) feet distant from said Summer Street and Pond Street.

A motion to indefinitely postpone this article was lost.

Voted: That the town do amend the Zoning By-Law by adding to the Retail Business District as heretofore defined and set forth, the following described area:

A certain tract or parcel of land situated at the northwest corner of Summer and Pond Streets extending westerly along Summer Street one hundred (100) feet from Pond Street, northerly along Pond Street one hundred (100) feet from Summer Street and bounded on the north and west by lines parallel to and one hundred (100) feet distant from said Summer Street and Pond Street. Passed unanimously.

Article 53. To see if the town will vote to amend the Zoning By-Law by adding to the Retail Business District as heretofore defined and set forth the following described area:

A certain tract or parcel of land at the northwest corner of Franklin and Pleasant Streets bounded: Easterly by Pleasant Street 99.23 feet, northerly by land now or formerly of Murphy 33.65 feet; westerly by land of Dushane 91.34 feet; southerly by Franklin Street 64.57 feet.

Voted: That the subject matter of this article be indefinitely postponed.

Article 54. To see if the town will vote to amend the Zoning By-Law by adding to the Heavy Industrial District as heretofore defined and set forth, the following described area:

A certain tract or parcel of land bounded and described as follows: Beginning at a point on the northwesterly side of the Boston and Maine Railroad distant 135 feet easterly from Montvale Avenue, thence extending northeasterly by and along said Railroad a distance of 100 feet and running back to a line parallel to and 100 feet northwest of the above described line.

Voted: That the subject matter of this article be indefinitely postponed.

Adjourned at 11.15 P. M.

TOWN MEETING TUESDAY, JUNE 13, 1933

Agreeable to the foregoing warrant the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs met in Armory Hall in said town Tuesday the Thirteenth day of June, 1933, at twelve o'clock, noon.

The meeting was called to order by Thomas E. Cahill, Chairman of the Board of Selectmen, and the warrant read.

Ballot Clerks

Republicans	Democrats
Arthur E. Robinson	Harry W. Delano
William N. Rogers	Paul V. McHale

Tellers

Charles I. Smith	Helen L. McCormack
Henry D. Strail	Catherine W. Ahern
Ralph W. Tolman	Annie L. Cody
Carl A. Hedberg	Agnes Kelly
Bessie Lund	Mary A. McDonough
Helen M. French	Marie M. Burns

Three cases said to contain 4,992 official ballots were delivered to the Ballot Clerks who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the chairman and the polls declared open to receive ballots.

At eight o'clock in the evening the polls were declared closed at which time the ballot box registered 1664 as ascertained by the Town Clerk.

For the purpose of counting the ballots, the election officers were divided into groups of four, two Republicans and two Democrats in each group.

The check lists at the gates had the names of 1664 persons checked as having received ballots.

The check lists at the ballot boxes had the names of 1664 persons checked as having voted.

The number of ballots taken from the ballot boxes as counted by the Chairman was 1664.

The number of ballots returned to the Town Clerk was 3328.

All of the ballots cast having been counted, the block of ballots sealed, the tally sheets signed by the tellers, tabulated, the total tally sheet signed by the Chairman, declaration of the same was made as follows:

Ballots Cast

One thousand six hundred and sixty-four 1664

Five hundred and thirty-two 532

Blanks

Twenty-six 26

Voted: To adjourn.

TOWN MEETING MONDAY JUNE 26, 1933

Agreeable to a Warrant signed by the Selectmen, June 6, 1933, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Monday, June 26, 1933, at eight o'clock in the evening.

The Tellers appointed to serve on the check lists were as follows:

Elsie L. deGruchy	Helen V. Dougherty
Carrie E. Bancroft	Helen M. Barry
Charles H. Parsons	Helen L. McCormack
Arthur E. Robinson	Daniel Cullinane
Charles I. Smith	Herbert N. Louis

who were sworn by the Town Clerk. The check lists showed that 251 voters entered the hall.

The meeting was called to order by Moderator Ralph R. Patch and the Warrant read.

Mr. Holden moved that Representative Joseph A. Milano be allowed to address the meeting for five minutes on matters before the Legislature.

Objection being made, the Moderator declared the motion not carried.

After discussion the motion was again put and there being no dissenting vote, Mr. Milano was invited to the platform and addressed the meeting regarding proposed legislation for financial aid to the cities and towns of the Commonwealth.

Article 1. To hear the reports of Town Officers and Committees, and to act thereon and to choose Committees.

The Committee on Addition to Lindenwood Cemetery reported as follows:

"At the last annual Town Meeting, under articles 32-33-34 and 35, in the Warrant, a proposition was brought before the Town to buy a tract of land at the northwest corner of West and William Streets, now or formerly of the estate of William B. Stevens and Heirs of Winthrop F. Stevens, as an addition to Lindenwood Cemetery.

This matter was disposed of at that time by reference to a committee composed of the Planning Board, the Park Commissioners and the Trustees of Lindenwood Cemetery with the suggestions that they meet with a representative committee of Residents of West Street for further study and report.

Several meetings were held and the project carefully considered in the light of additional facts developed by investigation and conference.

The Committee, from conclusions reached resulting from these studies of the proposition, have decided and do so report that 'they find it inadvisable to take any action, under articles 32-33-34 and 35, regarding the taking of land for enlarging Lindenwood Cemetery at this time.'

Respectfully submitted,

Planning Board, Frederick P. Hanford, Chairman

Park Commissioners, George M. Jefts, Chairman

Trustees Lindenwood Cemetery,

Charles W. Messer, Superintendent"

Voted: That the report be accepted and the recommendations adopted.

Article 2. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933, or take any action relation thereto.

Voted: That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow for general maintenance expenses of the town the sum of $50,000.00, but in no event a sum in excess of the amount of tax titles taken or held by the town, and to issue a note or notes of the town therefor, all in accordance with the provisions of Chapter 49 of the Acts of 1933.

Article 3. To see if the town will vote to authorize the Treasurer to assign tax titles and to sell all land acquired by the town under tax collection proceedings.

Voted: That the subject matter of this article be indefinitely postponed.

Article 4. To see if the town will vote to authorize the Board of Public Welfare to appoint one of its Board members or some other person Clerk and Investigator.

To see if the town will vote to fix the salary of said Clerk and Investigator, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this Article be referred to the next annual town meeting; any investigations necessary in the meantime to be done by the Board with the cooperation of the police Department and the Health Officer.

Article 5. To see if the town will vote to raise and appropriate money in addition to the sums already appropriated for the following purposes:

Treasurer and Collector, Expenses.
Other Finance Offices and Accounts.
Armory Hall.
Health Department, General.
Sewer Construction, General.
Sewer Services.
Public Welfare.
Soldiers' Relief.

Voted: That the sum of $700.00 be raised and appropriated for general sewer construction.

Voted: That the subject matter of this Article insofar as it refers to other matters be indefinitely postponed.

Article 6. To see if it is the sentiment of the town that all night street lighting be resumed.

Voted: That the subject matter of this Article be referred to the Board of Selectmen with full power to act.

Article 7. To see if the town will vote to raise and appropriate a sum of money in addition to the amount already appropriated for street lighting.

Voted: That the subject matter of this Article be indefinitely postponed.

Article 8. To see if the town will vote to raise and appropriate money for the expense of relocating Montvale Avenue and Cottage Street, including any land damage claims which may arise therefrom, or do anything in relation thereto.

Voted: That the sum of $500.00 be raised and appropriated for the expense of relocating Montvale Avenue and Cottage Street including any land damage claims which may arise therefrom.

Article 9. To see if the town will vote to lay a granolithic sidewalk on the easterly side of West Street, between William Street and Lindenwood Road, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the Town do lay a granolithic walk on the easterly side of West Street between William Street and Lindenwood Road under the provisions of Chapter 83, General Laws, and amendments thereto and that the sum of $1,200.00 be raised and appropriated therefor.

Article 10. To see if the town will vote to construct the following proposed sewers, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto:

(a) In and through Governor Road from the existing sewer therein to Sherwood Road (so-called).

(b) In and through Westwood Road from the existing sewer therein to Sherwood Road (so-called).

(c) In and through Philips Road (so-called) throughout its entire length.

(d) In and through Newcomb Road (so-called), throughout its entire length.

Voted: That the Town do construct the following sewers as named in this Article:

(c) In and through Philips Road (so-called) throughout its entire length, but no work to be commenced on this sewer until the construction of houses is begun.

(d) In and through Newcomb Road (so-called) from Perkins Street a distance of approximately 300 feet.

Voted: That the subject matter of this Article insofar as it refers to:

(a) Governor Road

(b) Westwood Road

be indefinitely postponed.

Article 11. To see if the town will vote to construct a sewer and drain in and through Norval Avenue, throughout its entire length, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the Town do lay a sewer and drain in and through Norval Avenue from Elm Street a distance of approximately 544 feet.

Articles 10 and 11.

Voted: That for the purpose of constructing the sewers and drain authorized under Articles 10 and 11 of this warrant there be appropriated the sum of $9,000.00, $4,000.00 of which is to be raised in the levy of the current year and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of $5,000.00 and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than five years from the date of issue of the first bond or note or at such earlier dates as the Treasurer and Selectmen may determine. Passed unanimously.

Article 12. To see if the town will vote to lay water mains in and through the following streets, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto:

(a) Philips Road (so-called).

(b) Newcomb Road (so-called).

Voted: That the town do lay water mains in and through the following streets:

(a) Philips Road (so-called) through its entire length, but no work to be commenced on this main until the construction of houses is begun.

(b) Newcomb Road (so-called) from Perkins Street a distance of approxiately 300 feet.

Voted: That the cost of laying the water mains voted under this Article be taken from money already borrowed for the purpose of Water Mains Extensions.

Article 13. To see if the town will vote to build and maintain two wading pools for small children on Tidd Street Playground, the labor to be furnished under the direction of the Selectmen, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this Article be indefinitely postponed.

Article 14. To see if the town will vote to build a dressing room at the Pomeworth Street Playground, raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the subject matter of this Article be indefinitely postponed.

Article 15. To see if the town will vote to discontinue Tidd Street as a public way.

Voted: That the town do discontinue Tidd Street as a public way.

Article 16. To see if the town will vote to demolish, remove or otherwise dispose of the house at No. 12 Emerson Street.

Voted: That the subject matter of this Article be indefinitely postponed.

Article I. The Committee on Revision of Zoning By-Law reported as follows:

"To Our Citizens:

Your Committee appointed to revise the Zoning By-Law presents herewith its recommendations. The changes suggested have been made with a view to meet present conditions in our community and to do away with certain requirements in the Zoning By-Law that have unnecessarily restricted the use of property. We believe Main Street should be made a retail business district throughout its extent. This change we believe will do away with the evil of spot-zoning. It should be kept in mind that the Selectmen have the power and authority to properly control the upbuilding and development of the sections of Main Street recommended to be added to the retail business section. Your committee would also recommend a committee be appointed to codify the Zoning By-Law so as to improve and simplify its present arrangement.

The recommendations made by the Committee are contained in Articles 17 to 21 inclusive of the Warrant for this town meeting)

Respectfully submitted,

ALBERT J. BLACKBURN
PATRICK J. CALLAHAN
JOHN T. COLITON
EMIL W. SCHAEFER
T. ARTHUR PETTENGILL
EDWARD F. GAY
JAMES A. MUNRO
HERBERT H. RICHARDSON
ARTHUR D. KENNEY
FRED A. LAWSON
RALPH A. JENKINS
CLARENCE W. HOUGHTON
MARTIN A. MULLALEY
EVERETT C. HUNT
GEORGE MELLOR

Voted: That the report be accepted.

The Town Clerk spoke of the passing of Chief Sumner H. Green of the Police Department who died on June 23 and the voters arose in tribute to his memory.

On motion of Mr. Colahan the Moderator appointed the following as a committee to draft resolutions on the death of Mr. Green, the same to be published in the local press and a copy to be sent to Mrs. Green; C. Fred Buck, George R. Barnstead, Arthur N. Newhall, Leander V. Colahan and William S. Lister.

Article 17. To see if the town will vote to accept, in whole or in part, the proposed amendments to the Zoning By-Law, as set forth in this article, or pass any vote or votes relative to the same.

Article I. Strike out paragraph entitled "Purpose" and insert in place thereof the following:

"This by-law is created to regulate the location, size and use of buildings and other structures in the Town of Stoneham, as provided by Chapter 40, Section 25, of the General Laws of the Commonwealth of Massachusetts, and for the purpose of carrying into effect said provisions and thereby promoting the health of the public, the safety and welfare of the inhabitants, the growth and prosperity of the town and securing the proper development and upbuilding of the Town of Stoneham."

Article I. Strike out paragraph entitled "Establishment of Districts" and paragraph entitled "Zoning Map" and insert in place thereof the following:

"The town is hereby divided into seven classes of districts:

1. One Family Districts.
2. Class A Residence Districts.
3. Class B Residence Districts.
4. Retail Business Districts.
5. General Business Districts.
6. Industrial Districts.
7. Heavy Industrial Districts.

These districts are hereby established as shown on the Town of Stoneham, Mass., Zoning Map on file at the office of the Town Clerk which accompanies and is hereby declared to be a part of this By-Law."

Article I, Section 2, sub-Section 5. Strike out the words "farm, truck garden or greenhouse" and add the following: "and farm, stock farm, truck garden, nursery or greenhouse including salesrooms for the sale of natural products, raised in or upon any of them," so that said paragraph will read as follows:

"School, library, museum, telephone office, church, parish house or Sunday School building, and farm, stock farm, truck garden, nursery or greenhouses including salesrooms for the sale of natural products, raised in or upon any of them."

Article I, Section 2, sub-Section 10. Amend by adding the following sentence:

"Except as specified in this section, no sign or other advertising device shall be permitted," so that said paragraph will read as follows:

"An accessory building, or other building, if located in rear of principal building with no direct frontage on public or private way shall not be used for residence purposes except for persons employed on premises and their immediate families.

Except as specified in this section, no sign or other advertising device shall be permitted."

Article I, Section 2, sub-Section 10, Clause a. In the first paragraph, strike out the words "Not exceeding 60 per cent;" in the third paragraph add the words "convalescent homes" so that said clause will read as follows:

"An existing double or duplex house if injured by fire may be reconstructed.

A detached single house may be altered and used as a place of residence for two families, providing the area of the lot complies with the area restrictions for two family houses. A duplex or semi-detached house may be erected provided the area restrictions are as follows: 15 feet from any lot line and 30 feet from any residence building on the same lot.

Building may be altered and premises used for the following

purposes: Semi-public, philanthropic, charitable, or religious institutions, hospital, sanitarium, convalescent homes, not including a correctional institution or place of detention, in accordance with Article 2, Section 4."

Article I, Section 2, sub-Section 10, Clause c. Amend said clause by adding the words: "except as follows:

1. That on lots of under 50 foot frontage a building may be built within 8 feet of a side lot line.

2. That in a series of three contiguous houses or more the setback required shall be the average setback of said existing houses," so that said clause will read as follows:

"In Residence 'A' Districts no part of any building except uncovered steps shall be built, altered, enlarged or removed, within 15 feet of any street line, nor within 10 feet of a side lot line, nor within 20 feet of any other building, not an accessory building, on the same lot, except as follows:

1. That on lots of under 50 foot frontage a building may be built within 8 feet of a side lot line.

2. That in a series of three contiguous houses or more the setback required shall be the average setback of said existing houses."

Article I, Section 2, sub-Section 10, Clause c. Amend paragraph called "Exceptions" by striking out the word "two" in the first line thereof and substituting the word "three' and by adding the following:

"Garages may be built up to side lot line provided all abutters agree in writing and provided the type of garage to be built shall conform to State laws for second-class construction. Said agreement shall be filed with the Building Inspector.

Buildings existing before the passage of the original Zoning By-Law may be extended to within 6 feet of the side lot line where the existing building is within 12 feet thereof and may be extended within 4 feet of the side lot line if the existing building is within 10 feet thereof, provded that the ground area covered by the extension shall not exceed 100 square feet.

Porches or piazzas existing before the passage of the original Zoning By-Law may be roofed and enclosed with glass;" so that said paragraph wil read as follows:

'A private garage for not more than three cars may be built within not less than seven feet of a side lot line if of third class construction and within not less than five feet of a side lot line if of second class construction and within not less than three feet of a side lot line if of first class or metal construction provided in any case it shall be within not less than ten feet of a dwelling on an adjoining lot.

Garages may be built up to side lot line provided all abutters

agree in writing and provided the type of garage to be built shall conform to State laws for second-class construction. Said agreement shall be filed with the Building Inspector.

Buildings existing before the passage of the original Zoning By-Law may be extended to wthin 6 feet of the side lot line where the existing building is within 12 feet thereof and may be extended within 4 feet of the side lot line if the existing building is within 10 feet thereof, provided that the ground area covered shall not exceed 100 square feet.

Porches or piazzas existing before the passage of the original Zoning By-Law may be roofed and enclosed with glass."

Article 1, Section 3, Clause b. Amend second paragraph under said clause entitled "Exceptions" by adding the following:

"Apartment houses shall not be restricted to two and one-half stories provided they shall not exceed 40 feet in heighth and shall not occupy more than 40% of the lot area;" so that said paragraph will read as follows:

"Schools and municipal buildings may contain three stories and be 45 feet in height.

The height limit in feet shall not apply to chimneys, ventilators, skylights, or tanks usually carried above roofs, nor to domes or spires of non-residential buildings.

Apartment houses shall not be restricted to two and one-half stories provided they shall not exceed 40 feet in heighth and shall not occupy more than 40% of the lot area."

Article I, Section 8. Strike out said section and insert in place thereof the following:

"Any non-conforming manufacturing use existing at the passage of the original Zoning By-Law in any building may be continued in the same location, and such a building may also be used for any purpose set forth in Section 5 under head of General Business."

Article I, Section 9. Strike out said section and insert in place thereof the following:

Use of Land

In one Family Districts, and in Class A and Class B Residence Districts, no land shall be used for any purpose for which a new building or structure may not be constructed or used under the provisions of this Zoning By-Law, but nothing contained herein shall prevent the continued use of any land for the purpose for which it was used at the passage of the original Zoning By-Law, nor prevent the use of any land for farms, gardens, nurseries, cemeteries, parks, playgrounds, and such purposes as are incidental to or usual in connection with any of said purposes.

Article I, Section 10. Strike out said section and insert in place thereof the following:

When a non-conforming building is destroyed or damaged, it may be restored to substantially its original condition.

Article I, Section 11. Add to the first sentence of said section "and One Family Districts" so that said sentence shall read as follows:

Vision Clearance on Corner Lots in Residence "A" and "B" Districts and One Family Districts.

Article I, Section 12. Amend by substituting the word "seven" in the place of the word "ten" in the fifth line so that said Section will read as follows:

"On a corner lot, no fences, wall or structure, planting or foliage, more than 3½ feet in height above the plane of the established grade of the streets shall be erected in any part of a front or side yard herein established, that is included within the street lines at points which are seven feet distant from their point of intersection, measured along said street lines, which will materially obstruct the view of a driver of a vehicle approaching a street intersection. This shall not apply to structures above the first story."

Article II, Section 1. Clause a. Amend by substituting the word "enforce" for the word "execute" in the second line so that said Clause will read as follows:

"The Building Inspector appointed under provison of the Building Regulations shall enforce the provisions of this By-Law."

Article II, Section I, Clause e. Add "In all other matters the Building Inspector shall have all authority granted him under the Provisions of the statute law or Town By-Laws;" so that said Clause will read as follows:

"If the Inspector shall be informed or knows that any provision of this By-Law has been, or is being violated he shall inspect the property where violation exists. If he shall find any such violation he shall give notice in writing to the owner or his authorized agent and to the occupant of premises that any use of building or structure contrary to this By-Law shall immediately cease. If after such notice the building or structure is used contrary to provisions of this By-Law or if any owner or occupant fail to obey a lawful order of the Inspector in respect to any violation of this By-Law he may revoke the permit for occupation of the premises and shall make complaint to the court having jurisdiction thereof or apply to the Superior Court for an injunction or order restraining the further use of premises and shall take any and all such action as may be necessary to enforce this By-Law. In all other matters the Building Inspector shall have all authority granted him under the provisions of the statute law or Town By-Laws."

Article II, Section 3. Add to paragraph entitled "Terms of Office:"

"No member of the Board of Appeal shall serve more than one term consecutively;" so that said paragraph will read as follows:

"When said Board is first constituted the terms of the members shall be as follows:

Members nominated by Planning Board and Board of Health, two years.

Members nominated by Board of Assessors and Park Commission, one year.

Member nominated by Board of Survey, three years, said terms to begin on May 1 next succeeding the passage of these By-Laws. Thereafter, as the term of any member expires, or his office becomes vacant from any cause, his successor shall be nominated and appointed in the same way in which such office was originally filled and for the term of three years.

Members of said Board of Appeal shall be residents of Stoneham, shall hold office during such residence until their successors are duly qualified and may be removed after hearing by the Selectmen.

A chairman of said Board and in his absence an acting chairman shall be chosen by and from the members thereof. No member shall act in any case in which he is interested financially or otherwise.

No member of the Board of Appeal shall serve more than one term consecutively."

Article II, Section 3. Add to paragraph entitled "Rules and Regulations" the words "for its procedure" so that said paragraph will read as follows:

"The Board shall make such rules and regulations as it deems expedient for its procedure."

Article II, Section. 4 Add to the second paragraph of said Section the words "and any amendments thereto" so that said paragraph will read as follows:

"The Board of Appeal shall hold a public hearing thereon after posting notice upon the property with respect to which the appeal is filed, and sending a written notice delivered by mail, postpaid, to the petitioner and to the owners of all property in the immediate vicinity deemed by the Board to have interest therein, or to be affected thereby as they appear on the most recent tax list; and the notice of said hearing shall also be advertised in a newspaper published in the Town of Stoneham so as to conform to the provisions of Chapter 133 of the Acts of 1924 and any amendments thereto."

Article II, Section 9, sub-Section 22. Strike out the word "porches" so that said Section will read as follows:

"Setback or Line of Setback" The distance from the street

line to part of structure nearest the street measured at right angles to the street line, not including cornices, walls and fences."

Article II, Section 9. Add to said Section the following to be known as sub-Section 25:

"Lot Lines of Corner Lot. The back lot line of a corner lot in every case shall be considered as the side lot line of the adjacent lot and not the back lot line of the corner lot."

Article 18. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District an area fifty feet wide on the easterly line of the Retail Business District on Main Street, between the northerly side of Common Street and the southerly side of Union Street and extending back from the easterly side line of Main Street to a line parallel to said easterly line and distant therefrom one hundred and fifty feet.

Article 19. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District an area fifty feet wide on the westerly line of the Retail Business District on Main Street, between the northlery side of Maple Street and the southerly side of Flint Avenue and extending back from the westerly side line of Main Street to a line parallel to said westerly line and distant therefrom one hundred and fifty feet.

Article 20. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District an area one hundred feet wide on the easterly side of Main Street, between the southerly side of Summer Street and the northerly side of South Street and an area one hundred feet wide on the westerly side of Main Street, between the southerly side of Marble Street and the northerly side of Border Road.

Article 21. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District an area one hundred feet wide on the easterly side of Main Street between a line 125 feet south of the southerly line of Collincote Street and the Reading town line, and an area one hundred feet wide on the westerly side of Main Street between a line 1,800 feet northerly from the Boston and Maine Railroad and the Reading town line.

Voted: That the subject matter of these Articles be referred to the next annual town meeting and that the same committee as appointed at the last annual town meeting to report on the revision of the Zoning By-Law be continued.

Article 25. To see if the Town will vote to accept the relocation of Ravine Road as made by the Metropolitan District Commission and approved by the Board of Survey June 12, 1933.

Voted: That the Town do accept the relocation of Ravine Road as made by the Metropolitan District Commission and approved by the Board of Survey June 12, 1933.

Mr. Hanford here raised the point of "no quoram". A poll of the meeting showed the presence of 146 voters and the Moderator declared no quoram present.

The meeting then adjourned without day.

Article 22. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District an area one hundred feet wide on the easterly side of Main Street between the northerly line of land of Lillie M. Phinney Heirs and the southerly side of a lane called Phinney's Terrace, said area being approximately 418 feet in length.

Article 23. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District an area one hundred and fifty feet wide on the westerly side of Main Street and extending northerly from a point 137.90 feet north of the northerly side of Border Road a distance of 150 feet.

Article 24. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Residence "B" District as heretofore defined and set forth, so as to include in the Residence "B" Distrct the area bounded on the south by the northerly side of Emerson Street, on the east by the westerly side of Pine Street, on the north by the southerly line of Tidd Street as laid out June 23, 1860, on the west by a line parallel to and 100 feet east of the easterly side of Central Street.

No action on Articles 22-23-24.

TOWN MEETING THURSDAY, AUGUST 31, 1933

Agreeable to a Warrant signed by the Selectmen, August 22, 1933, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Thursday, August 31, 1933, at eight o'clock in the evening.

The meeting was called to order by Moderator, Ralph R. Patch, and the Warrant read.

The Tellers appointed to serve on the check lists were as follows:

Charles I. Smith	Helen M. Barry
Walter P. Houston	Helen L. McCormack
Arthur E. Robinson	Peter P. Meehan

who were sworn by the Town Clerk. The check lists showed that 337 voters entered the hall.

Article 1. To hear the reports of Town Officers and Committees, and to act thereon and to choose Committees.

No action.

Article 2. To see if the Town will vote to raise and appropriate money in addition to the sums already appropriated for the following purposes:

Public Welfare.

Soldiers' Relief.

Montvale Avenue Re-surfacing.

Voted: That the Town do appropriate the sum of $24,000.00 to be expended as follows:

Public Welfare	$15,000.00
Soldiers' Relief	5,000.00
Montvale Avenue Re-surfacing	4,000.00

Voted: That it be the sense of the meeting that Mr. George A. Hinchcliffe be appointed investigator for the Board of Public Welfare.

Article 3. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow a sum not exceeding $35,000.00 under authority of and in accordance with the provisions of Chapter 307 of the Acts of 1933, or take any action relative thereto.

Mr. Merrifield, Secretary of the Finance and Advisory Board, moved that the subject matter of this Article be indefinitely postponed. This motion was lost.

Voted: That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow under authority of and in accordance with the provisions of Chapter 307, Acts of 1933, the sum of $25,000.00, and to issue a note or notes of the town therefor, said note or notes to be paid in not more than five years, or at such times as may be directed by the Emergency Finance Board named in Chapter 49, Acts of 1933.

The assessors are authorized to use the amount received as available funds in fixing the tax rate. Yes—275. No—16.

Article 4. To see if the Town will vote to petition the Legislature to enact a law placing under Civil Service the employees of both the Official and Labor Services of the Town.

Mr. Merrifield moved that the subject matter of this Article be referred to the next annual town meeting.

This motion was lost. Yes—95. No—181.

Voted: That the Town do petition the Legislature to enact a law placing under Civil Service the employees of both the Official and Labor Services of the Town.

Article 5. To see if the Town will vote to construct the following proposed sewer, raise and appropriate money therefore by sale of notes, bonds, or otherwise, or do anything in relation thereto:

In and through Fellsway East from Philips Road, 273 feet in a northerly direction.

Voted: That the Town do construct a sewer in and through Fellsway East, from Philips Road northerly 273 feet more or less, and that the sum of $750.00 be raised and appropriated therefor.

Mr. Newhall moved to reconsider the vote whereby the Town voted to petition the Legislature to enact a law placing under Civil Service the employees of both the Official and Labor Services of the Town.

Before a vote was taken on this Article, a motion to adjourn was carried in the affirmative. Yes—142. No—92, and the meeting adjourned.

TOWN MEETING, MONDAY, DECEMBER 18, 1933

Agreeable to a Warrant signed by the Selectmen, December 8, 1933, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Monday, December 18, 1933, at seven o'clock in the forenoon.

In the absence of the Moderator, the meeting was called to order by the Town Clerk, Charles A. Owen, and the Warrant read.

William S. Lister was elected Moderator.

The Tellers appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks

Republicans	Democrats
Dennis J. Quinlan	Harry W. Delano
Arthur E. Robinson	Alonzo H. Dempsey

Tellers

Republicans	Democrats
Rollo M. Baker	Helen M. Barry
Helen M. French	Marie M. Burns
George B. Lister	Mary F. Dever
Bessie M. Lund	Mary A. K. Hamill
William D. Muller	Mary A. McDonough
Charles H. Parsons	Elizabeth G. McGowan
Henry D. Strail	Florence E. Tole

The ballots were given to the Ballot Clerks, a receipt taken from them for the same, the ballot boxes were opened and ex-

amined, the registers set at 0, locked, and the keys given to the Moderator, after which the polls were declared open.

At eight o'clock in the evening the polls were declared closed at which time the ballot box No. 1 registered 828 and the ballot box No. 2 registered 1153 as ascertained by the Town Clerk.

The tellers were divided into groups of four, two Republicans and two Democrats in each group.

The check lists at the gates had the names of 1982 as having received ballots.

The check lists at the ballot boxes had the names of 1982 persons checked as having voted.

The number of unused ballots returned to the Town Clerk was 3068.

The number of ballots taken from the ballot boxes, as counted by the Moderator was 1982.

All the ballots cast having been sorted and counted by the tellers, the blocks of ballots sealed, the total tally sheets proved and signed in accordance with the law, declaration of the vote was made as follows:

Question No. 1 "Shall licenses be granted in this town for the sale therein of all alcholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes

Eight hundred and thirty-six 836

No

One thousand one hundred and nineteen 1119

Blanks

Twenty-seven 27

Question No. 2 "Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?"

Yes

Nine hundred and forty-four 944

No

One thousand and seventeen 1017

Blanks

Twenty-one 21

All the requirements of the law having been complied with it was voted to adjourn.

TOWN MEETING, MONDAY, DECEMBER 18, 1933

Agreeable to a Warrant signed by the Selectmen, December 8, 1933, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Monday, December 18, 1933, at eight o'clock and fifteen minutes in the evening.

The Tellers appointed to serve on the check lists were as follows:

Rollo M. Baker	Marie M. Burns
Bessie M. Lund	Mary A. K. Hamill
Henry D. Strail	Elizabeth G. McGowan

who were sworn by the Town Clerk. The check lists showed that 156 voters entered the hall.

In the absence of the Moderator the meeting was called to order by the Town Clerk, Charles A. Owen, and the Warrant read.

William S. Lister was elected Moderator.

Article 1. To see if the town wil vote to authorize the expenditure of any or all of unexpended balance of the loan authorized under Article 43 of the warrant for the annual town meeting of the year 1933 for the laying and relaying of water mains of not less than six inches in diameter, or do anything in relation thereto.

Voted—That the town do authorize the expenditure, under the direction of the Selectmen, of the unexpended balance of the proceeds of the loan, authorized under Article 43 of the Warrant for the annual town meeting of the year 1933 for the laying and relaying of water mains of not less than six inches in diameter.

Article 2. To see if the town will authorize the transfer of any part of the unexpended balance of the appropriation for Soldiers' Relief and appropriate same for the relaying of water mains, or do anything in relation thereto.

Voted—That the town do authorize the transfer of the sum of $3,000 from the appropriation for Soldiers' Relief and appropriate said sum for the relaying of water mains.

Adjourned at 8:45 P. M.

RELOCATION OF RAVINE ROAD

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Town of Stoneham

At a meeting of the Board of Selectmen of the Town of Stoneham, held this eleventh day of July 1933, it is ordered:

WHEREAS, the Board of Selectmen of the Town of Stoneham, having determined and adjudged that common convenience and necessity require that a town way be relocated as and in the location hereinafter described, which is substantially the present location of a public way known as Ravine Road from Stoneham-Melrose line to Fellsway East and having complied with the requirements of law relating to notice, did on the twentieth day of June 1933, relocate such town way accordingly, and duly filed their report thereof with the boundaries and measurements of the same in the office of the Town Clerk of said Town, on the twentieth day of June 1933, and whereas at a town meeting duly

called, warned and held the twenty-sixth day of June 1933, in accordance with the provisions of law applicable thereto it was

VOTED: That the relocation of a town way from Stoneham-Melrose line to Fellsway East substantially in the location of a public way known as Ravine Road as made and reported by the Selectmen, be accepted;

NOW THEREFORE, WE, the undersigned, a majority of the Board of Selectmen of the said Town of Stoneham, duly elected, qualified and acting as such, do hereby, under and by virtue of the provisions of Chapter 79 of the General Laws and of any and every other power and authority us hereto in any way enabling, take the right or easement to use for all the purposes of a town way for the use of said Town of Stoneham the land in said Town bounded and described as follows:

South Side—Beginning at the stone bound on the southerly side of the proposed location of Ravine Road and the Stoneham-Melrose line, thence South 66 degrees 50 min. 50 sec. West a distance of 19.53 feet, thence by a curve to the left on a radius of 200 feet a distance of 65.66 feet, thence South 48 degrees 2 min. 13 sec. West a distance of 100.17 feet, thence South 48 degrees 2 min. 13 sec. West a distance of 140.38 feet, thence by a curve to the left on a radius of 20 feet a distance of 39.02 feet to the easterly side of Fellsway East.

North Side—Beginning at a point at the Easterly side of Fellsway East, 14.32 feet South 63 degrees 44 min. 28 sec. East of the junction of Ravine Road and Fellsway East as previously laid out, thence by a curve to the left on a radius of 150 feet a distance of 100.26 feet, thence North 48 degrees 2 min. 13 sec. East a distance of 188.47 feet, thence by a curve to the right on a radius of 250 feet a distance of 82.08 feet; thence North 60 degrees 50 min. 50 sec. East a distance of 49.57 feet to the Melrose-Stoneham line.

Said land is shown upon a plan and profile made by Metropolitan District Commission dated June 12, 1933, filed in the office of the Town Clerk with our report aforesaid, as a part thereof, a copy of which is to be recorded herewith.

We determine that no damages are sustained by persons in their property by reason of this taking and we award none.

WITNESS our hands at Stoneham aforesaid, this eleventh day of July A. D. 1933.

THOMAS E. CAHILL
HARRY R. DOCKAM
WILLIAM C. GIBBONS
Selectmen of the Town of Stoneham

RELOCATION OF MONTVALE AVENUE, COTTAGE STREET AND WRIGHT STREET

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

At a meeting of the County Commissioners for the County of Middlesex, holden at Cambridge within and for said County, on the first Tuesday of June, in the year of our Lord one thousand nine hundred and thirty-three.

The inhabitants of Stoneham, in said County, by their petition to said Commissioners—among other matters—pray that Cottage Street and Montvale Avenue may be relocated and specifically repaired, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Cambridge within and for said County, on the first Tuesday of January, A. D. 1933, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear.

And at the time of said view and hearing, no person interested objecting, and said relocation and specific repairs being adjudged of common convenience and necessity, said Commissioners proceeded to relocate and direct specific repairs on said streets without further notice, and thence said petition has been continued to this time.

And now the said Commissioners make partial return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs, met at the Court House in said Cambridge, on the twentieth day of June, in the year nineteen hundred and thirty-three, when and where the parties appeared, to wit, the petitioners by a member of the Board of Selectmen, and by Mr. Sweeney, Superintendent of Streets, and no person appeared to object.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate Cottage Street at its junction with Montvale Avenue, and also a portion of Montvale Avenue, in the manner following, to wit:

The line joining the northerly line of Montvale Avenue with the easterly line of Cottage Street is hereby established and relocated as follows:

Beginning at a stone bound at the end of a course in the northerly line of Montvale Avenue, as formerly established, said course being N. 67 degrees 35 min. 30 sec. W., 662.06 feet, thence

from said stone bound, on a curve of 57.60 feet radius bearing to the right and northerly 55.60 feet to a point, over land of Bridget McDonald and James H. Murphy; thence from said point on a curve of 359.11 feet radius bearing to the right 158.78 feet to a point in the present line of Cottage Street.

All the land included between the line just described and the old northerly line of Montvale Avenue and the old easterly line of Cottage Street is taken for highway purposes from James H. Murphy, the area taken being about 4035 square feet. There is also taken from Bridget McDonald about 25 square feet, all as shown by the plan to which reference is hereinafter made.

The southerly line of Montvale Avenue is relocated as follows:

Beginning at a point in said southerly line which is in a course bearing N. 67 degrees 35 min. 30 sec. W., 657.16 feet, said point being distant S. 67 degrees 35 min. 30 sec. E. 95.2 feet from an iron bolt at the end of said course marking an angle in the present southerly line near Wright Street; thence from said point on a curve of 400.00 feet radius bearing to the left, at land of Grace J. Doherty et al, 73.13 feet to a point; thence on a curve of 14.55 feet radius bearing to the left 28.99 feet to a point in the easterly line of Wright Street; then beginning again at a point in the westerly line of Wright Street, distant N. 78 degrees 59 min. 30 sec. W., 44.89 feet from the last mentioned point; thence on a curve of 22.06 feet radius bearing to the left 29.97 feet to a point; thence on a curve of 400.00 feet radius bearing to the left 30.02 feet to a point in the southerly line of Montvale Avenue.

The northerly line of Montvale Avenue is further relocated as follows:

Beginning at a point in said northerly line opposite land of E. L. Patch Company, as shown by the plan, in a course bearing N. 89 degrees 53 min. 30 sec. W., 184.11 feet in the present line; thence from said point on a curve of 600.57 feet radius bearing to the right 159.06 feet to a point in the present northerly line of Montvale Avenue.

By said relocated line, an indefinite area of land is taken from E. L. Patch Company, and also an indefinite area from the Stoneham Co-operative Bank, as shown by the plan.

The land between the new line just established and the old southerly line of Montvale Avenue and the old easterly line of Wright Street, comprising an area of about 600 square feet, is taken from Grace J. Doherty et al, and at the corner of Wright Street and Montvale Avenue, on the westerly side of said Wright Street, between the curve described and the old lines of Wright Street and Montvale Avenue, there is an area of about 110 square feet taken from the land of Lillian Varnum.

The southerly line of Montvale Avenue is further relocated as follows:

Beginning at a point in the northerly line of the location of the Stoneham Branch Railroad, as shown by the plan, thence on a curve of 400.94 feet radius, about 91 feet to a point in the present southerly line of said Montvale Avenue, said point being distant N. 83 degrees 49 min. and 00 sec. E., 265.05 feet from the point of ending of a course bearing S. 83 degrees 49 min., 00 sec. W., 341.05 feet, as formerly established. No change is made across the location of said Stoneham Branch Railroad.

The land lying between the old southerly line of said Montvale Avenue and the line just described, comprising an area of about 300 square feet, is taken from the Bleachery Fuel Company.

The areas described are taken as easements for highway purposes.

Trees or structures upon the lands thus taken are also included in the takings.

Said Commissioners estimate the damages sustained by the owners of the lands thus taken for highway purposes as follows:

James H. Murphy	$500.00
Grace J. Doherty et al	90.00
Lillian Varnum	17.00
Bleachery Fuel Company	45.00

The above description is reckoned from the magnetic meridian, and the description is intended to conform to a plan of said highway dated 1933, on which the above lines are shown in red, and to which reference may be had for a mre particular description of the lines and of the lands thus taken.

The above damages, together with any damages, costs, and expenses, which any party may by legal process obtain, are to be paid by the Town of Stoneham, and said damages, costs, and expenses are assessed upon the said Town of Stoneham.

The said Town of Stoneham shall improve the areas thus taken as part of the highway, and in connection with the reconstruction of Montvale Avenue shall grade, surface, and otherwise improve said areas, reserving a proper space for sidewalks.

The work is to be done during the present season, and is to be completed by November 1, 1933.

In these proceedings, Erson B. Barlow, Esq. of Lowell, a County Commissioner, was unable to be present, and Melvin G. Rogers, Esq. of Tewksbury, an Associate Commissioner, acted in his place.

IN WITNESS WHEREOF, WE, the said County Commission-

ers, have hereunto set our hands this seventh day of July in the year of our Lord one thousand nine hundred and thirty-three.

WALTER C. WARDWELL
NATHANIEL I. BOWDITCH
MELVIN G. ROGERS
Associate Commissioner

TOWN OF STONEHAM
AMENDMENT TO ZONING BY-LAW

I, Charles A. Owen, duly elected and qualified town clerk of the town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 50 of the warrant for a town meeting of said town, duly called, warned and held on Monday, March 13, 1933, a quoram being present when said article was before said meeting.

Article 50. To see if the town will vote to amend the Zoning By-Law by adding after Article I, Section 2, sub-Section 9, the following, to be known as sub-Section 9A:

"Riding stable, riding school or the keeping of horses for rental purposes shall be permissible on farm property or on other undeveloped land, as a business or recreational enterprise, only under special permission of the Board of Appeal in the manner provided for in the second paragraph of Article 2, Section 4, and upon such terms and conditions as said Board may impose. Such conditions shall tend to protect the town and the district so as not to adversely affect the scheme of growth laid down in the Zoning By-Law, or tend to impair the beauty of the town or district, or result in injury because of the method of carrying on such business or enterprise."

I further certify that acting under said Article 50 the following vote was passed.

Voted, that the Town do amend the Zoning By-Law by adding after Article 1, Section 2, sub-Section 9, the following, to be known as sub-Section 9A:

"Riding stable, riding school or the keeping of horses for rental purposes shall be permissible on farm property or on other undeveloped land, as a business or recreational enterprise, only under special permission of the Board of Appeal in the manner provided for in the second paragraph of Article 2, Section 4, and upon such terms and conditions as said Board may impose. Such conditions shall tend to protect the town and the district so as not

to adversely affect the scheme of growth laid down in the Zoning By-Law, or tend to impair the beauty of the town or district, or result in injury because of the method of carrying on such business or enterprise." Passed unanimously.

I further certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

A true copy from the records.

Attest:

CHARLES A. OWEN,
Town Clerk of Stoneham

Subscribed and sworn to before me this seventeenth day of March, 1933.

Attorney General

TOWN OF STONEHAM
AMENDMENT TO ZONING BY-LAW

I, Charles A. Owen, duly elected and qualified town clerk of the town of Stoneham in the County of Middlesex hereby certify that the following is a true copy of Article 52 of the warrant for a town meeting of said town, duly called, warned and held on Monday, March 13, 1933, a quoram being present when said article was before said meeting.

Article 52. To see if the town will vote to amend the Zoning By-Law by adding to the Retail Business District as heretofore defined and set forth, the following described area:

A certain tract or parcel of land situated at the northwest corner of Summer and Pond Streets extending westerly along Summer Street one hundred (100) feet from Pond Street, northerly along Pond Street one hundred (100) feet from Summer Street and bounded on the north and west by lines parallel to and one hundred (100) feet distant from said Summer Street and Pond Street.

I further certify that acting under said Article 52 the following vote was passed.

Voted: That the Town do amend the Zoning By-Law by adding to the Retail Business District as heretofore defined and set forth, the following described area:

A certain tract or parcel of land situated at the northwest corner of Summer and Pond Streets extending westerly along Summer Street one hundred (100) feet from Pond Street, northerly along Pond Street one hundred (100) feet from Summer Street and

bounded on the north and west by lines parallel to and one hundred (100) feet distant from said Summer Street and Pond Street. Passed unanimously.

I further certify that no objections to the proposed amendment were filed in the office of the town clerk.

A true copy from the records.

PERAMBULATION OF BOUNDARY LINES BETWEEN STONEHAM AND READING

November 12, 1933

We, the subscribers, the Selectmen of the Town of Stoneham and the Selectmen of the Town of Reading having met according to appointment, to perambulate the boundary lines between the said Stoneham and Reading, find said lines marked by bounds in accordance with the appended description.

Albert M. Leman	For the	Thomas E. Cahill	For the
H. Homer Morrison	Town of	William C. Gibbons	Town of
J. Warren Killam, Jr.	Reading	Harry R. Dockam	Stoneham

Corner 10

Location—The corner is situated in woods, about 100 feet southeast of the roadstone on the westerly side of Cedar Street, known as Walnut Street in Reading, a little above the estate of Louis A. Zwisler.

Mark—The corner mark is a new granite monument 4.2 feet in height, and 9½x12½ inches in section at the base. The top has five sides, measuring respectively 10, 13, 7, 6 and 7 inches. The letter R is cut on the northeast face, W on the west face, and S on the southeast face. On the top there are lines radiating from the center, which show approximately the directions of the town lines.

Corner 11.

Location—The corner is situated about 120 feet southwest of the house of Charles Cloutman on the northwesterly side of the old country road, known as Pope Street, which run northwesterly from Prospect Street at the William Richardson estate. It is five feet easterly from the junction of two stone walls, and is about 335 feet east of the roadstone on the west side of Main Street.

Mark—The corner mark is a rough granite monument 4.2 feet in height, and about 9x10 inches in section. The letter S is cut on the southerly and westerly faces, 10-R on the northerly face, and S R on the easterly face. On the south side of this bound is a smaller one about 15 inches in height, with the letter R cut on the north face, and S on the south face, the S being inverted.

PERAMBULATION OF THE BOUNDARY LINES BETWEEN STONEHAM AND WOBURN

November 18, 1933

The undersigned met this day, according to appointment, to perambulate the boundary lines between the City of Woburn and the Town of Stoneham, and find said lines marked by bounds in accordance with the appended description.

Corner 22.

Location—The corner is situated on low flat meadow of Michael McNulty, about 210 feet north of Forest Street and 220 feet northwest of J. W. Creamer's house. It is 3.55 feet north of a ¾ inch drill hole in the top of a small boulder about four feet in diameter.

Mark—The corner mark is a rough granite monument with pyramidal top, about 4.1 feet in height, and 9½x11 inches in section. The letters Wi are cut on the south face, Wo on the west face, and S on the east face—all v-shaped.

Corner 21.

Location—The corner is situated at the junction of a fence and wall on the northerly side of Forest Street, (called Lynn Street in Woburn) about 100 feet southwesterly from the house of Irving Hatch.

Mark—The corner mark is a light-colored granite monument about 5.25 feet in height, and about 8½x9 inches in section. The letter W is cut on the west face, and S on the east face.

Corner 20.

Location—The corner is situated about 75 feet northwest of Cedar Street, 10 feet from the easterly bank of the brook formerly known as "Parley Meadowe brook," and is about 600 feet southwesterly from the house of Louis A. Zwisler.

Mark—The corner mark is a rough granite monument, irregularly shaped, 4.2 feet in height, and 10x11¾ inches in section. The letter W is cut on the northwest and southwest faces, and S on the southeast face. The top measures 5x10½ by 10½x11 inches, and has a drill hole in the center.

Corner 19.

Location—The corner is situated in woods, about 100 feet southeast of the roadstone on the westerly side of Cedar Street, known as Walnut Street in Reading, a little above the estate of Louis A. Zwisler.

28214

Mark—The corner mark is a new granite monument 4.2 feet in height, and 9½x12½ inches in section at the base. The top has five sides, measuring respectively 10, 13, 7, 6 and 7 inches. The letter R is cut on the northeast face, W on the west face, and S on the southeast face. On the top there are lines radiating from the center, which show approximately the direction of the town lines.

REPORT OF THE BOARD OF PUBLIC WELFARE

To the Citizens of Stoneham:

The Board of Public Welfare submits its Annual Report for the year ending December 31, 1933.

The Board organized as follows: Horace I. Newcomb, Chairman, Arthur D. Kenney, Secretary, and Charles E. Ames, Clerk.

The following appointments were made: William H. Rolfe, Superintendent of Town Infirmary, Mrs. Gertrude Rolfe, Matron of the Infirmary and Dr. James Blenkhorn, Town Physician.

The year of 1933 has been the busiest year ever known in Welfare work and your Board has endeavored to meet the problems confronting it to the best of its ability. We have tried to deal fairly with the person who has been unfortunate and has found it necessary to apply for aid, also keeping in mind the persons who have to pay taxes in order that funds for Welfare will be available.

The number of Welfare cases increased during the year until we reached very close to 300 cases in Stoneham. This does not include persons living in other towns and cities and chargeable to our Board.

We were informed that a sum of Federal money had been given to the State of Massachusetts and that this would be distributed to the cities and towns on the basis of one dollar for every three dollars spent for Welfare work, provided that we meet their requirements. One of these requirements being that we secure the services of a man to act as Agent and Investigator. In order to conform with the above requirements on September 18 by a majority vote of the board Mr. Daniel Cullinane was appointed Agent and Investigator. This appointment to run until March 31, 1934.

In November the C. W. A. was started and your Chairman was appointed Administrator for the Town of Stoneham. But on account of his absence from town, Mr. Arthur D. Kenney was appointed and served until Dec. 11, 1933 when he resigned. The appointment was then made to the Chairman of the Board who took over the duties as C. W. A. Administrator.

The C. W. A. has meant cutting the Welfare cases from 300 cases to less than 100 cases and bringing into Stoneham a weekly pay roll of $5000.00. And at the present time there are no able bodied men receiving aid from our Board.

We have also received for distribution 3000 pounds of pork and at the present time we are receiving free coal for all needy persons of the Town. Under C. W. A. we have received an allottment of 5000 yards of cloth material which is being made up by C. W. A. workers and is distributed to the needy of the Town.

The Local Chapter of Red Cross deserves the thanks of the Town's people and has the sincere thanks of this Board for several hundred bags of flour besides clothing and material for about two hundred families which was furnished through that office.

The Board wishes at this time to publicly thank the New England Sanitarium for their co-operation and the care given to the large number of hospital cases sent there for treatment.

Our Police Department has rendered valuable assistance for which we wish to express our appreciation.

In conclusion we wish to show our appreciation to all our Town Officials and individuals who have helped us in any way during the year of 1933.

As a part of our report we include that of the Superintendent of the Infirmary.

December 31, 1933

To the Board of Public Welfare,
Stoneham, Mass.

Gentlemen:

I hereby submit my report for the year ending December 31, 1933.

The number of inmates January first was twenty-three. The number has varied during the year, the largest number being twenty-nine and at the present time we have twenty-two inmates, giving a total of 8192 inmate days. We have also furnished 2650 dinners to the men working at the Infirmary. There has been one death during the year.

Crops at the farm have been about the average with other years. We have raised milk and produce enough for own needs and some of the surplus which was distributed to the needy of the Town.

During the winter and spring the wood cut by the men working on unemployed and Welfare was hauled to the farm where it was cut into stove lengths and we delivered 225 cords to the needy of the town.

The following work was also done by the men receiving relief. The taking down and rebuilding a retaining wall 200 feet long, averaging 6 feet in height. The road way from Elm St. was dug out two feet deep and a solid road bed put in. On the inside of the Infirmary we installed three new ceilings, three hard wood floors and painted five rooms and the front hall. We have installed a new men's bath room on the third floor. All the above work was performed at no expense to the Town except for material.

The new laundry equipment which was installed at an expense of $400.00 is greatly appreciated and has more than paid for itself by a saving on clothing and laundry expense.

I wish publicly to thank the men who worked at the Infirmary for the fine spirit shown in whatever work they were asked to do.

In conclusion I wish to thank your Board for its co-operation and also any other of the Town Officials or other persons who have contributed to the welfare of the patients and management of the Infirmary.

Respectfully submitted,
WILLIAM H. ROLFE,
Superintendent of Infirmary.

Respectfully submitted,
HORACE I. NEWCOMB, Chairman.
ARTHUR D. KENNEY, Secretary.
CHARLES E. AMES, Clerk.

REPORT OF THE BUREAU OF OLD AGE ASSISTANCE

To the Citizens of the Town of Stoneham:

The Bureau of Old Age Assistance submits its third Annual Report.

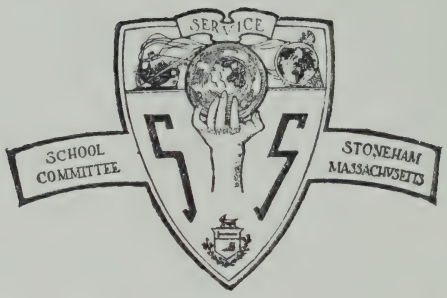
The Bureau organized as follows: Arthur D. Kenney, Chairman; Horace I. Newcomb, Secretary; Charles E. Ames, Clerk.

At the present time there are 44 persons receiving Old Age Assistance. During the past year eight of our aged have passed away, two moved from town and one discontinued because of coming into sufficient funds.

Owing to the advanced age of these people we have had many calls for hospitalization and we wish to thank the New England Sanitarium for their kindly co-operation in these cases.

In conclusion we wish to thank the Town Officials and the Police Department for their help in our work.

Respectfully submitted,
ARTHUR D. KENNEY, Chairman.
HORACE I. NEWCOMB, Secretary.
CHARLES E. AMES, Clerk.



ANNUAL REPORT

OF THE

PUBLIC SCHOOLS

OF THE

TOWN OF STONEHAM

1933

A DEMOCRACY OPERATES FREE PUBLIC SCHOOLS AND PASSES COMPULSORY ATTENDANCE LAWS, NOT THROUGH A SENSE OF CHARITY BUT BECAUSE IT REALIZES THAT EDUCATION IS THE ONLY MEANS IT HAS OF PERPETUATING ITSELF AND PROMOTING ITS OWN INTERESTS.

SCHOOL COMMITTEE

James A. Patch, Chairman, 47 Lindenwood Road
Term Expires 1936

Nellie R. Storey, 269 Main Street
Term Expires 1934

Bertha A. Starr, 18 Everett Street
Term Expires 1936

C. Frank Munger, 114 Central Street
Term Expires 1935

Bernard M. Scully, 12 Flint Avenue
Term Expires 1934

Regular meetings are held at the High School at 8 P. M. on the second Monday of each month.

SUPERINTENDENT OF SCHOOLS AND SECRETARY OF SCHOOL COMMITTEE

Charles E. Varney, 28 Waverly St., Telephone 1052

Office at High School, Telephone—0646

The superintendent may be seen by appointment at your convenience

SECRETARY TO SUPERINTENDENT

Lydia N. Bagdikian, 59 Elm St., Telephone 0833-M

Office Hours:

School Days—8-5.
Saturdays—9-12.
School Vacations—9-12; 1-4.

1934 Winter Term, January 2 to February 16.
Spring Term, February 26 to April 18.
Summer Term, April 30 to June 22.
Fall Term, September 5 to December 21.
High School graduation, June 15.
Schools closed March 30, April 19, May 30, June 18, October 12, November 12, November 28 at noon, 29, 30. December 21 close at usual hour.

1935 Winter Term, January 2 to February 21.
Spring Term, March 4 to April 26.
Summer Term, May 6 to June 21.
Fall Term, September 4 to December 20.
High School graduation, June 14.
Schools closed March 30, April 19, May 30, June 18, October noon, 28, 29. December 20 close at usual hour.

The state law requires the High School to be open 180 days. The closing date must be made later than stated above if days are lost during the year for inclement weather or other causes so as to bring the total number of days at the closing date less than 180.

HOURS OF SCHOOL

Elementary Schools:

Grades 1-2-3-4. 8:30-11:30; 1:15-3:15 Emerson and South Schools
9:00-11:45; 1:15 3:30 East School
8:45-11:30; 1:15 3:30 North School

Grade I may be dismissed 15 minutes earlier at each session.

Grades 5 and 6. 8:30-11:30; 1:15-3:45. Teachers may dismiss at 3:15.

Junior High School: 12:50-5:09. 11:51-12:33 if required by teacher

Senior High School: 7.50-12.33. 12:33-1:36 if required by teacher

NO SCHOOL SIGNAL

22 on fire alarm.

No morning session. All grades 7:15 a. m.
Grades I to VI 7:30 a. m.
Grades I to IV 7:45 a. m.

No afternoon session:
Grades I to IX 12:00 noon
Grades I to IV 12:15 p. m.

No-School announcements are also given over radio Station WNAC between 7:00 and 7.15 a. m., 8:00 a. m., and 12:00 noon.

REPORT OF THE SCHOOL COMMITTEE

At a meeting of the School Committee January 8, 1934 it was voted to approve the report of the Superintendent of Schools and to submit it to the Town as the report of the School Committee.

JAMES A. PATCH, Chairman.
BERTHA A. STARR
NELLIE R. STOREY
BERNARD M. SCULLY
C. FRANK MUNGER

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of Stoneham, Massachusetts
Ladies and Gentlemen:

I herewith submit my fifth annual report as Superintendent of the Public Schools of the Town of Stoneham. It is the forty-third in the series of such reports.

I wish to call your attention to the report of the School Nurse and the financial statement of the Athletic Association by the Faculty Manager which follow this report.

Stepping Backward

Owing to the economic stress it was found necessary to curtail some of our very worth while activities. On May first the kindergarten was discontinued. All other departments with the exception of the transportation of pupils above the fourth grade were continued until the end of June. We opened school in September with eight less teachers than we had had during the last school year. In the elementary grades the dropping of the kindergarten eliminated two teachers. We also eliminated three others by dropping the assistants in grades one and two at the South and East Schools and the assistant in the sixth grade at the Dean School. We consolidated our three opportunity rooms into two. In the junior-senior high school we dropped an art teacher, a domestic science teacher, and a commercial teacher. Since we never had had more teachers than were needed to do the best type of work, it was our task to reorganize the work so as to meet the situation with the least loss to the pupils.

The South and the East schools each has an enrollment of thirty-six pupils in the first grade. This is too many for any first grade teacher to give the individual attention which is necessary in order to make the progress of which each pupil is capable.

These teachers have worked as hard as possible to overcome the situation. The South School has had too large an enrollment in its first and second grades for the past few years, and the progress of the pupils in the whole school now shows the ill effects of these large classes.

One-half of the elementary supervisor's time is now given to teaching in the sixth grade. It will thus be seen that half of an assistant's time in the Dean School is being taken care of. This, however, has caused a loss in supervision which can not possibly be made up in any way.

The time of the art supervisor and of the writing supervisor has been reduced to one day a month in each elementary grade instead of the two days they had formerly had.

Opportunity Classes

The consolidation of the opportunity rooms has been offset by the fact that the first class, taught by Miss Hinchcliffe, has the fine large room formerly occupied by the kindergarten instead of the little room formerly used as the office of the school nurse. We especially invite all citizens to visit our two opportunity classes to watch the happy children at very worth while tasks, and thus to better understand the fine work which our two opportunity teachers are doing to make these boys and girls into good citizens. Here you will find a wide range of ability from those who are capable of doing a high grade of school work but are for the time out of step with the regular classes to those who are very slow in the ordinary school tasks. We believe and are supported by past investigations that as large a per cent of this class will become good citizens as those from the regular grades.

First Grade

On October first this year we had an enrollment of 153 first grade pupils. This is seven more than on the same date one year ago. Forty-six children between the ages of five and one half and six years were tested for entrance to the first grade. Of this number thirty-four were found qualified to be admitted. We usually have admitted from twenty to thirty pupils each fall from the kindergarten. Since we had no kindergarten, this younger group will not be admitted until September, 1934. This will probably mean an unusually large first grade next year. The largest numbers are in the South and the East schools. Had we a larger building in the south section of the town, we could relieve the crowded conditions not only at the South School but also at the East School, as many pupils can go as easily to one school as the other. Parents should be able to understand that small children require much attention if they are to make their best progress.

Elementary Tests and Records

Our plan for tests and records has been carried on afternoons by the Elementary Supervisor, Miss Smith, assisted by the Superintendent who has given some tests during the morning sessions. The following are the tests given:

The Detroit First Grade Test in grade one.

The National Intelligence Test in grades three through six.

The Munroe Silent Reading Tests in grades two through six for survey purposes.

The Sangren-Woody Silent Reading Tests in grades four through six for diagnostic purposes.

The Wilson Language Tests in grades three and four.

Spelling Survey (test devised from the textbook in use) in grades two through six.

The Modern Achievement Test in Grades four, five, and six.

The Otis Classification Test in the fourth grade (used as one of the measures for grouping in the fifth grade)

The teachers and the supervisor have devised arithmetic tests for the several grades to test the efficiency of our Wilson method of teaching the fundamentals. These tests are all printed in the office.

Pupil Accounting

This is the tenth year of our present system of pupil-accounting records which are kept on file in the superintendent's office. We find this system of great value not only in studying the individual growth of our pupils but also in answering questions from other schools to which our pupils go. In two more years we shall have in our files the complete record of each pupil in the senior class who began his work in the first grade of the Stoneham public schools and has continued through to his senior year.

Pupil Placement

The question of how we determine the placement of our pupils in the various groups, is often asked. This placement is based upon former work, work habits, health, and attitudes. Whenever we find that a pupil has been placed in the wrong group, he is changed provided there is a place for him in another group.

Since a school department in a town of our size cannot be equipped to handle some of the more unusual cases, we turn to the following sources for aid:

State Clinic at Reading

Medfield Clinic, which sends workers to our schools upon call.

The Judge Baker Foundation in Boston.

One case study may help to better understand the value of this work. A boy with a mental ability above the average to do good school work does not learn to read. His behavior and his inattention are serious problems. He shows every evidence of becoming a school failure. We seek advice from one of these clinics which has its expert workers study the child, secure his school and home history, and then make a written report of their findings and their recommendations as to the best methods to bring satisfactory results in this particular case. The boy's ability to read was based wholly upon a change of attitudes. This service is essential to the mental happiness of a child who is out of step with his classmates as is the correction of some serious bodily ill through treatment at a hospital.

Studies Being Made

We are continually making studies of various phases of our school work in order to improve methods of teaching and general conditions. Some of the studies we are making this year are:

(a) A camparative study of those entering grade one at less than six years of age with those entering at six years or older.

(b) The growth in silent reading ability over a period of five years as measured by the Munroe Silent Reading Test in one sixth grade.

(c) A comparative study of Arithmetic in the upper grades between pupils taught by the Wilson method and those taught by a non-Wilson method.

Junior-Senior High School

Two conditions of major importance have demanded our attention this year. They are:

(a) The fact that we are obliged to continue on the two platoon system with increasingly serious conditions.

(b) The fact that reduced appropriations and loss of teachers has reduced school opportunities for children and given us less reason to be proud of accomplishments and efficiency. Both are briefly discussed below.

The Two Platoon System

No thinking citizen of Stoneham would attempt to argue that the two platoon is desirable. Throughout the past year we have received numberless complaints and objections from parents who bewail the fact that the system has to be in operation. Most of their objections are very properly concerned with the greatly in-

creased traffic dangers, with the difficulty of preparing meals for different groups of pupils at different times in the day, and the resulting physical condition of junior high schools pupils. They are, of course, entirely correct in all their contentions. The school, in addition, can see many more insidious dangers resulting from the system as the years go on. Some of these are:

(a) **Shortened Periods:** A few years ago the junior high school was in session for five hours and five minutes. This year under the two platoon system it is in session for only four hours and eighteen minutes. This loss to the pupil of about three-quarters of an hour a day amounts in a year to about **one hundred and thirty hours** or **twenty-seven days** of valuable instructional time lost forever.

(b) **Greater Cost:** Under the two platoon system much more electricity and heat are consumed.

(c) **Fatigue:** Many pupils come to school tired. There is a very definite evidence of fatigue on the part of pupils as the afternoon wears on.

(d) **Individual Help:** The chances for individual help and make up work are seriously reduced. It is impossible to keep pupils after school for the assistance they require. Although teachers are on duty, it is inconvenient for parents to have pupils return early since this interferes again with meal hours. Some pupils are failing in their junior high school courses because of their inability to have the needed conferences and help from teachers.

(e) **Home Work:** Home work generally is not satisfactorily done by a large number of pupils. More pupils come unprepared than ever before. A few simple questions invariably reveal the fact that Johnny did not study at night because there was no school in the morning, but in the morning he wanted to play, so came to school unprepared and tired because he played so hard.

(f) **Extra Curricula Activities:** The work of the orchestra, the glee club, and the class athletic groups in basketball, soccer, etc., has been greatly curtailed and about three hundred pupils deprived of participation in these organized activities.

(g) **Thrift:** The great reduction in the amount of time in the school day made it necessary to abandon banking as a school activity. Also, a number of junior high school boys were deprived of their chances to work afternoons.

(h) **Posture:** Small seventh and eighth grade pupils are often required to sit in seats built for senior high school pupils, adult size, because of the necessity for using certain rooms in common. Teachers and janitors make all the adjustments possible but I have seen junior high school pupils whose chins barely

reached above the desk covers and whose feet were not on the floor. The cumulative effect of this condition in posture and in general health habits over a period of years is alarming to those who understand its importance.

All of the disadvantages named above concern the junior high school. The chief ill effect in the senior high school is the shortening of the school day. The consequent loss of time forecasts the possibility that certificate approval may be withheld at some future date if the condition continues.

It is very difficult, too, and often impossible, for senior high pupils to secure the help they need after school because so many rooms are used immediately after school for junior high school purposes. Our high school day should be increased to at least six hours and thus eliminate the necessity for much home study by pupils.

Reduction in Junior-Senior High School Opportunities

The reduction of the school budget for 1933 with the consequent abandonment of certain subjects, the necessary modification in many other subjects, and the dropping of teachers have had certain far reaching effects in the junior and senior high schools. These are briefly discussed here.

1. The following subjects were entirely eliminated from the junior and senior high school course of study effective in September:

7th grade—Art, Elective Manual Training, Elective Domestic Science.
8th grade—Music, Elementary French
9th grade—Shop work in the Business Course
Mechanical Drawing in the Business Course
10th grade—Penmanship in the Practical Arts Course
Domestic Science in the Business Course
Shop work in the Business Course
Mechanical Drawing in the Business Course
11th grade—Geology in the College Course
Domestic Science in the General Course
Domestic Science in the Business Course
Mechanical Drawing in the Business Course
12th grade—Salesmanship in the Practical Arts Course
Domestic Science in the Practical Arts Course
Domestic Science in the General Course
Mechanical Drawing in the Business Course
Domestic Science in the Business Course

2. In addition to the above eliminations it was necessary to combine several classes and to deprive a number of pupils from taking subjects they desired.

Grade 9—Two ninth grade Business sections were combined into one large section.
Several pupils were deprived of Free Hand Drawing in the practical Arts and Business Courses.

Grade 10—A number of pupils were deprived of Mechanical Drawing and Free Hand Drawing in the College and General Courses. Penmanship time was cut in half in the Practical Arts Course. Several pupils were unable to take Free Hand Drawing in the Business Course.

Grade 11—Eleventh grade Latin was combined with twelfth grade Latin. A few boys were unable to take Mechanical Drawing because the combination Latin classes caused conflicts.

Grade 12—It was impossible to arrange Mechanical Drawing and Free Hand Drawing in the Practical Arts and Business courses respectively because of crowded programs.

The two business sections were combined into one very large Business Section.

Many pupils expressed keen disappointment when they realized that they would not be able to take many of the above courses educating them for their life work.

In general the work of the three R's in the high school was not greatly disturbed but most of the subjects eliminated or modified provided training in the finer things of life.

High School Enrollment

The problem caused by the reduction in the number of teachers was made still more difficult because the enrollment in the high school increased considerably.

The following table shows enrollment for the last four years:

Year	Average Membership
1930-31	726.77
1931-32	822.11
1932-33	808.59
1933-34	855.00*

*October 1st enrollment

It is sometimes unfairly claimed that high schools today are demanding more teachers in ratio to the enrollment than did the high schools of the "good old days". A study of the town records from 1890 to 1933 shows that the pupil-teacher ratio has been very consistent. Therefore the cost of our high school has not increased

because of the smaller size of classes but rather because of the increased enrollment and more adequate salaries. Under our present and probable future economic conditions, it is to be expected that our high school enrollment will increase rather than decrease.

Guidance Work in the Junior-Senior High School

In an ever changing age there is an ever increasing need for guidance work for our school boys and girls. Pupils should no longer take courses simply because their friends take them or because they desire to enter the college which father or mother, or some uncle or aunt attended. Far too many of our pupils feel that they must take Latin in order to secure an education.

Our guidance teacher has held over one thousand conferences with pupils and parents this year in addition to the large number of similar conferences held by the vice-principal, the principal and the superintendent. Through this means we strive to better understand each pupil in order to advise him wisely. Most of these conferences deal with matters which will enable the pupil to better adjust himself so as to make the best possible use of his present time.

Junior-Senior High School Library

In spite of our two platoon system and other crowded conditions, our school library has done much to help our boys and girls in their efforts to secure a broader and more worth while education. Work done in the library will in many cases lead to life habits and pupils will continue their education after leaving the school rooms.

This year has shown a marked growth in the use of the library as indicated by a circulation of 11,233 books and magazines. This, of course, does not include the books and magazines used in the library during library hours.

We thank the class of 1933 for presenting the library with a fine set of the Encyclopaedia Britannica. These reference books are found to be very valuable by the upper grades of the senior high school and the teachers.

We also thank Professor Charles H. Chase, Chairman, and the other members of the Board of Trustees of the Public Library for making it possible for our junior high school pupils to work in the public library in school day mornings, and also Miss Martha A. Jackson, Librarian, and her assistants for the help given our public school pupils. The value of this opportunity to our pupils is not only for the present but also for the future.

Domestic Art

Domestic arts, I believe, is one of the most important subjects for any girl to study. Owing to our reduced budget, we have had

to deny many of our pupils this course. Our objective in this subject this year as in the past has been to teach our future homemakers to consider the essentials of life—food, clothing, and shelter, and to teach the underlying principles involved in the operating of a home with the greatest efficiency and economy. How to make the most of what we have, and by so doing to create an atmosphere of harmony, peace, contentment, and beauty in one's surroundings, is invaluable.

High School Teachers

The reduction in the number of teachers in the junior-senior high school in the face of an increased enrollment made it necessary for the vice-principal to take some classroom teaching. This has forced busy home room teachers to take over certain parts of his work. This condition also hinders the principal considerably in the program of classroom supervision, and in the improvement of instruction and guidance work with individual pupils.

When the two platoon system was inaugurated separate faculties were provided for the two sessions. The school time but not the work for nearly all teachers was slightly shortened. The principal and vice-principal, however, are responsible for work in both the morning and afternoon sessions, and their hours were increased. In addition, this year, the principal acts as head of the English department.

High School Grounds

The much needed and long desired steps in the beautifying of the high school grounds were started last summer through the efforts of a small group of civic minded citizens and officials. Without any cost to the town, a complete plan was laid out and already rough grading, the planting of four shade trees, the setting out of eight or ten groups of shrubs, and the construction of a lawn directly in front of the building have been accomplished. It is hoped that in the spring the interest and generosity of citizens and civic groups, including school children, will make it possible to complete the work. The town should be grateful to all who are helping to make the high school grounds attractive.

Music

I know of nothing which will put a crowd into good humor more quickly than music. In these days when more and more leisure is the lot of so many people, we need more of good music. Our grades have continued this year to keep up their usual high standard, but the junior and senior high school pupils have not been so fortunate. Under our two platoon system it is impossible

to have our entire orchestra practice at one time. Then, too, our shortened hours in the junior high school have made it impossible to carry on as much music as usual.

Art

Art and art appreciation have done much to make what might be a rather drab life into one of beauty and joy. The reduction of the art supervisor's time in the grade schools has made it necessary for him to devote many extra hours in planning and in making out of projects for the teachers. The teachers in turn have also had to put in more work as they could not depend upon the art supervisor as much as in the past. In spite of this, our art work has been a decided success. During the last week of school I visited every elementary grade room to inspect the art work and the Christmas projects. I wish that every teacher had sent out invitations to parents and other citizens to visit the schools before these exhibits were taken away because they indicated the fine work being done by our grade children.

As has been stated earlier in my report, the art work in the junior-senior high school has had to be somewhat curtailed; nevertheless, whatever of art work has been done is of the same high quality as in past years. The outstanding work of the year was the Christmas windows done by the pupils of our art classes.

I wish to call your attention to the art exhibits of the school being displayed in the Public Library. Here, again, I wish to thank the library officials for their cooperation in allowing this display.

Penmanship

Penmanship, like art, has had its amount of time cut in half. The real value of penmanship depends very largely upon the ease and fluency with which a pupil writes as well as upon the legibility of the writing.

Our writing supervisor has spent many extra hours working out plans by which the teachers are guided between her monthly visits. The exhibition held in the high school building last spring showed the type of work which we are doing in our classrooms. We hope to make some display of the work of this department again next spring.

The following awards have been made during the year:

Grade 1—117 Certificates
Grade 2—138 Certificates
Grade 3—104 Green Buttons
Grade 4— 82 Blue Buttons
Grade 5— 85 Red Buttons
Grade 6—117 Freedom in Writing Buttons
Opportunity—27 Certificates and Buttons
Grade 12—8 High School Certificates
Evening School—3 Evening High School Certificates

Physical Education

The physical education in the grades has continued along the plans of last year. The Emerson School being the only elementary building with a play room, our work during cold weather is badly handicapped. It is further handicapped by the fact that only limited forms of physical work can be carried on in our old wooden buildings because of the fear of possible dangers due to weakened floors. These floors have been inspected by a competent builder and the State Building Inspector and reported safe for all of our usual activities except certain physical exercises.

The junior-senior high school program for physical education is handicapped by our two-platoon system as it was last year.

Practical Arts

This department is badly handicapped because of lack of proper work rooms. Many pupils who would profit by taking some of these courses are not allowed to do so because there is not room for them. Our tools and machinery are much in need of replacement. If our supply budget is sufficient next year, we hope to replace those tools which are most worn.

Our instructors have always made use of materials not ordinarily considered by shop men, but this year they have been unusually careful to make use of all odds and ends possible. Therefore our shop has cost less than could reasonably be expected. Most schoolmen feel that there is something in shop work which every boy could profit by at some time during his high school course. When we build our new high school building we should make adequate plans for a practical shop.

Evening School

Our evening school has continued to increase in size. At the end of the evening school year in March, we had a closing program in which many students took part. All essays were on some practical phases of our evening school work. Two small classes in typewriting were conducted upon the assembly hall stage. The pupils who had earned certificates received them from the Chairman of the School Committee, Mr. James A. Patch. One member of our school committee stated that it was the best graduation exercises that he had ever attended.

Our school reopened again in October with an enrollment of 152 in the business courses and 41 in the ladies' gymnasium class. As to the work of the evening schools, I will quote from the local press of December 29, 1933: "We happened to stroll into a few night classes last week at the high school. There you will find an optimistic, ambitious, hard working group of young and old

trying to get something out of the opportunities offered them instead of just kicking about the way their luck is breaking in getting a job. It is an admirable institution."

Our Americanization class is small but made up of earnest men and women who are striving to become loyal American citizens. The afternoon class for alien mothers is as large as can be taught efficiently. It is a pleasure to work with and know this fine group of our future citizens.

Conclusion

In closing I wish to express my sincere appreciation to the School Committee who have given so freely of their time and thought in working out our school problems in such a way that not only the present but the future good of our public schools shall be best served; to the principal and vice-principal of the high school and to the elementary supervisor for the many hours which they have spent with me in working on plans for keeping up as progressive a school system as possible in spite of the adverse conditions already mentioned; and finally to all teachers and other citizens who have, through their interest and efforts, enabled us to maintain our schools on as high a standard as possible.

Respectfully submitted,
CHARLES E. VARNEY,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

It is again time to take stock—to consider what has been accomplished during the past year, and what is hoped for during the coming year.

While the results are too intangible for actual measurement there are, nevertheless, evidences of real accomplishment. The health education activities of the community, school and home have been brought into closer understanding and cooperation.

Results are seen in attitudes and general appearances of classes, in improved posture, in correction of physical defects. Attention has been paid to the hygienic control of school environment —the ventilation of rooms, proper seating for the elementary school pupils, attention to lighting, removal of outdoor clothing, proper use of drinking fountains and toilets, to handwashing, sanitary methods of serving mid-morning lunches, arrangement of programs to avoid undue fatigue.

Because the community has made education compulsory it must assume the responsibility for returning the child to the home in as good health as the child was received from the home. Beyond this the health of the child should remain the responsibility of the home.

Therefore the school is and always must be responsible for:

(1) The provision of proper environment—conditions which include cleanliness, protection against excessive heat or cold, protection from accident, protection from immoral influence.

(2) For minimizing the occurrence of the communicable diseases by control measures and the encouragement of immunization.

(3) A curriculum including health instruction—education in healthy living, instilling a realization of the part good health and clean living play in the life of the youth and future adult. The need of health instruction and training is evident from the fact that such instruction is now required in forty-four states by law. The ultimate aim of health instruction is, obviously, the maintenance of health.

Of the various media of instruction used in schools, verbal language is by far the most prominent. However, it is now recognized that words are limited in their capacity to express and transmit ideas. One of the main devices to compensate and enrich the verbal language is the classroom film. Visual expressions are more rapidly acquired, are more accurate and richer. With this in mind, free educational school films have been shown on the following subjects: fruits, modern milk, nutrition and dental health.

Our school administrator has had access to consultation with our medical advisor whose duties have been to prescribe a periodic physical examination for all school children, to supervise the carrying into effect of recommendations, arising out of physical examinations, to make all necessary inspections of school children for the purpose of protecting the group against the introduction of epidemic disease, to give necessary emergency aid when accidents or illness occur on the school ground.

A review of the forces affecting child welfare during the present economic depression suggests added responsibilities to all health agencies. If family life is allowed to deteriorate, the efforts of what the community and school are trying to do for the child will be of little permanent benefit. Maintaining the mental hygiene aspect of the family life has also an intimate relation to the physical well-being of the child.

No community even at present is so poor that it cannot afford to safeguard the lives of its citizens.

Let us maintain our high purpose to keep the Stoneham children well against all odds.

Respectfully submitted,

MARION L. FRANCHERE, R. N.

School Nurse.

REPORT OF FACULTY MANAGER OF ATHLETICS

This past year has been a difficult period for the successful operation of an athletic program in Stoneham. Because we anticipated this, we have doubled our efforts and with strict economy, and splendid cooperation on the part of pupils and friends we have been able to carry on without greatly lessening the effectiveness of our program.

The possibility of supporting Athletics from admissions to contests is very remote. The selling of tags on an open playground becomes more and more difficult as our supporters feel the stress of the times, and the competition of other organizations using the gymnasium for basketball reduces our income from that source. As a result we shall supplement our activities during the coming year with other forms of entertainment in order to meet the needs for properly continuing our work. The enthusiasm shown in support of such activities by pupils, together with an increasing sense of responsibility for membership in the athletic association makes us confident we cannot fail.

The financial report follows.

Classified as general receipts and general expenditures are all items that cannot be properly assigned to a specific branch of athletics. Under this head therefore are placed such entries as the theatre night show which this year netted $113.00; the girls' athletic play with a profit of $33.70; and a gift from the class of 1933 of $23.35.

Respectfully submitted,
WILLIAM M. NADEAU,
Faculty Manager of Athletics

MIDDLESEX COUNTY EXTENSION SERVICE

The following is a report of the work of the Middlesex County Extension Service in the town of Stoneham during the year 1933.

Two farm visits were made on fruit growing in Stoneham. Four home visits were made on gardens and fruits. Through the co-operation of the Melley Grain Company rat bait was distributed to citizens of the town.

A group of women under the leadership of Mrs. T. H. Flynn, Mrs. Zoe Wiggin, Mrs. Arnold Thompson, Mrs. Fred Blaisdell, and Mrs. R. S. Rhuland have carried on the women's program during the year. In September members of the Spencer Class of the St. James Methodist Church organized a unit. Mrs. Ruth Strobel, Mrs. Isabel Potter, and Mrs. Gertrude Jones have acted as leaders.

The program for the year has been varied. Two meetings were held on nutrition, one on bedroom furnishing, and one on moth control, one on food preservation, two on clothing renovation, one on the making of dress forms, one on Christmas gift suggestions, and the final program of the year gave suggestions for Christmas decorations, games and goodies.

Ninety-five boys and girls in Stoneham were enrolled in 4-H Club work carrying on activities in clothing, handicraft, home-craft, garden, and canning. These clubs have been under the leadership of the Misses Gladys Colwell, Clarice Jones, Gladys Mosher, Leora Millett, Mrs. Harold Huebner, George Grafton, and Arthur Maghakian. All of the work in the town was under the general supervision of Charles Varney, the 4-H chairman.

Stoneham club members attended the sectional rally at Reading where the "Merry Niners" were awarded first prize in a song contest. Several Stoneham clubs won honors by having 100% of their members present.

An achievement program was held in the spring at which time State Leader George L. Farley was present and gave an inspiring talk and conducted a 4-H candle light service.

Hazel Blackburn and Barbara Colwell attended the county camp held at Amherst.

The canning club completed its season by having an attractive exhibit in the window of a vacant store.

On August 1 and 2 a two-day trip to Massachusetts State College was made by four Stoneham club members. This trip was awarded to Richard Rush, Kenneth Coughlin, and Arthur Graustein on their fine work in the handicraft club; and to Flor-

ence Monson on her excellent work in the homecraft club. This prize was also awarded to Catherine McDonough on sewing but unfortunately she was unable to go. Eighty-two club members and drivers made this trip, which gave an opportunity to see a part of the state, the Connecticut valley, and the beautiful campus of the State College.

Clarice Jones was declared the state clothing champion. This honor, which she won in competition with several thousand members, entitled her to ten days at Camp Gilbert, held at the State College. Clarice has been in club work for eight years, and has completed nine projects during that time. Last year her dress was sent to Chicago to compete in the national contest. Because of her excellent training in sewing she was selected to be the forewoman in the town sewing project under the Civil Works Administration.

Last fall Clarice represented Middlesex County at Brockton Fair and Eastern States Exposition, where she set up and explained an attractive exhibit on renovated garments, practically all her own work. Each year the Massachusetts Department of Agriculture awards a silver medal to the outstanding 4-H boy and girl in the state. On January 4 this medal was awarded to Clarice Jones.

COURSES FOR PROFESSIONAL ADVANCEMENT TAKEN BY TEACHERS DURING 1933

Teacher	Spring	Summer	Fall
Irene G. Bagley			Leathercraft — Artcraft Studio
Jeannette M. Bailey	Metalcraft — Artcraft Studio		Leathercraft — Artcraft Studio
Helen L. Briggs			Recent Books — University Extension
Elizabeth W. Crowell			Recent Books — University Extension
Vivian P. Farrell	Educational Sociology—B. U.		School and Society — B. U.; The Individual Child—B. U.
Lydia H. Freitag	Drama and Opera—N. E. Conservatory of Music; Children's Literature, Part II—Harvard	Play Production—Northwestern Univ.; Creative Dramatics — Northwestern Univ.; Children's Theatre, Northwestern Univ.	

COURSES FOR PROFESSIONAL ADVANCEMENT TAKEN BY TEACHERS DURING 1933

Eva M. Garland	Second Year French—B. U.

PROPOSED BUDGET FOR 1934

	1933 Budget	Proposed 1934 Budget	Difference
I. INSTRUCTION AND GENERAL CONTROL			
Salaries	$121,140.00	$112,950.00	$8,190.00—
Books	3,000.00	4,200.00	1,200.00*
Supplies	3,000.00	4,800.00	1,800.00*
II. OPERATION			
Salaries	8,250.00	7,935.00	315.00—
Fuel	4,620.00	6,350.00	1,730.00*
Miscellaneous	4,500.00	4,500.00	None
III. MAINTENANCE			
Repairs	2,000.00	3,000.00	1,000.00*
IV. AUXILIARY AGENCIES			
Health	2,940.00	2,825.00	115.00—
Transportation	2,500.00	1,500.00	1,000.00—
Tuition	400.00	650.00	250.00*
Miscellaneous	250.00	300.00	50.00*
V. OUTLAY			
New Equipment	340.00	500.00	160.00*
	$152,940.00	$149,510.00	$3,430.00—

* Means Plus

The following require special articles in the warrant:

Trade Schools	$2,000.00
Americanization	500.00
Police Service	150.00
	$2,650.00

Estimated receipts:

State income tax	$15,180.00
Americanization	250.00
Trade Schools	1,000.00
Tuition	1,561.56
Rent of land	5.00
	$17,996.56

A Brief Explanation of Items in the Budget

I. INSTRUCTION AND GENERAL CONTROL

Salaries: The sum of $112,950.00 for salaries is the amount necessary to run our schools with the same number of teachers as at present at the same salaries they are now receiving. This applies to both day and evening schools.

The salary cuts for this department for the fiscal year amount to $14,375.00. Therefore if the committee desires to restore the whole or any part of these reductions during the fiscal year 1934 the necessary increase in the above amount of $112,950.00 must be made.

Hudson has already voted in a special town meeting to restore all salary cuts as of January 1, 1934. Some of the other towns have stopped the percentage contributions by teachers which is the equivalent to a restoration of former salaries. Some other towns and cities have also stated that salaries would be increased to the 1932 levels sometime during 1934.

Books and Supplies: The increase in the size of many of our high school classes has made it necessary to purchase additional books instead of making the needed replacements. If we are to give our pupils the much needed books and supplies for efficient work, the amounts given in the proposed budget are necessary.

II. OPERATION

Salaries:

Two janitors	@	$1,530.00—	$3,060.00
One janitor	@	1,440.00—	1,440.00
One janitor	@	1,260.00—	1,260.00
Three janitors	@	675.00—	2,025.00
Extra help	@	150.00—	150.00
			$7,935.00

The above is figured on present salaries. The total amount of the decrease in janitors' salaries for 1933 over 1932 amounts to $865.00 and if increases are to be given for 1934 an additional amount equal to the increases must be added to the above figure of $7,935.00.

Fuel:

Anthracite Coal			
North School	35 tons		
East School	35 tons		
South School	45 tons		
Dean School	85 tons		
	200 tons	@ $15.00—	$2,600.00
Bituminous			
Emerson School	85 tons		
Dean School	30 tons		
High School	500 tons		
	615 tons	@ $6.00—	$3,690.00
Wood for all schools (estimated)			60.00
Total			$6,350.00

Miscellaneous:

Same as for 1933 ..... $4,500.00

This item includes electricity, gas, water, paper towels, toilet paper, toilet soap, floor wax and other floor preservatives, and all materials used by the janitors for cleaning the buildings.

III. MAINTENANCE

Repairs: For the past two years very few repairs have been made. Even with the amount of $3,000.00 it will be possible to do but a small part of the work which should be done. This is less than two-thirds of one per cent of the value of the property which we have to keep up.

Most of the stair treads in the Dean School should be replaced. Some painting and varnishing is needed to prevent a large expenditure of money at some future time.

IV. AUXILIARY AGENCIES

Health: This item includes the present salaries of the school nurse, $1,700.00; school physician, $675.00; travel of nurse, $200.00; and all supplies, $250.00. The salaries in this department are $375.00 less than in 1932. If increases are given in 1934, the amount of the increase must be added to the total of $2,825.00.

Transportation $1,500.00

The amount allowed in the budget is based on our present contract for the school year 1933-34.

Tuition $650.00

This amount has been increased $250.00 over that allowed for 1933 as it will be necessary to pay amounts which will be due for tuition of pupils in the first four grades who live in the Wyoming or the northeast sections of Stoneham.

V. OUTLAY

New Equipment:

When an assembly of either the whole high school or the junior high school is held it is necessary to use our gymnasium, as the auditorium will not seat either school at one time. It is now necessary to bring seats from the auditorium and return them. It takes much time and is also wearing on the seats.

150 steel chairs like those purchased in 1929	$375.00
10 high school desks	100.00
Miscellaneous	25.00
Total	$500.00

We especially recommend this chair as it has withstood the hard usage to which a gymnasium chair is subjected and the company from which the chairs were purchased has furnished us without cost the few parts which have had to be replaced.

The Following Figures May Be of Interest:

We hear so much about getting back to costs of 1926. The following figures from 1926 to 1932 inclusive are taken from the state reports. The 1933 figure is the superintendent's estimate.

		Per-Pupil Cost
Fiscal year ending	December 31, 1926	$ 89.34
	December 31, 1927	92.36
	December 31, 1928	95.20
	December 31, 1929	105.07
	December 31, 1930	102.39
	December 31, 1931	100.16
	December 31, 1932	96.28
(Estimate)	December 31, 1933	91.00*

* Of this amount we received $8.90 per pupil from the State, leaving a net cost of $82.10 to the town.

For the school year 1932-33 the per-pupil cost each school day was:

High School	$ .665
Junior High School	.557
Elementary Schools	.405
Per-pupil cost for the school year 1932-33, including general control	$92.14

ABSENCES OF TEACHERS FOR WHICH THEY WERE PAID SALARY FOR THE SCHOOL YEAR 1932-33

(This does not include leaves of absence or other unpaid absence.)

On account of their own sickness or accident

Total days	213.0
Average days per teacher	2.7

On account of other emergencies

Total days	22.0
Average days per teacher	.3

REPORT OF PUBLIC LIBRARY TRUSTEES

To the Citizens of Stoneham:

The work of the library has been conducted along the same general lines as during last year with our increased facilities for service.

For the accommodation of students in the Junior High School, the children's room has been kept open in the morning from 10 o'clock to 12 o'clock on school days. This has been done by arrangement of the time of the children's librarian and at little extra expense.

By a grant from the Civil Works Administration made available December 1st, $326 for labor and $57 for materials were allowed for work at the library for repairing books, finishing floors and cleaning, and for resetting the cap stones on the retaining wall along Maple St.

The library staff has remained the same but in general, the duties of the librarians have been increased because of the increased patronage.

The Trustees request an appropriation of $7650 for the ensuing year.

The report of the Librarian and statement of expenses follow.

Respectfully submitted,
CHARLES H. CHASE,
HERBERT H. RICHARDSON,
GEORGE A. HINCHCLIFFE,
GEORGE A. PACKARD,
CORA E. DIKE,
CHARLENA T. LAMSON,
Trustees of the Public Library.

January, 1934.

REPORT OF LIBRARIAN

To the Trustees of the Stoneham Public Library:

I submit the Librarian's report for the year ending December 31, 1933.

The year 1933 has been a very busy year. This was the second year of occupancy of the remodelled library. The large increases of the preceding year in circulation of books, attendance in reading rooms and reference work has been maintained with some increase.

CHILDREN'S ROOM

Beginning in April, the Children's Room was opened from 10 A. M. to 12 P. M. each school day for the benefit of the Junior

High students. These additional morning hours were continued until the close of school in June and in September, the hours were resumed with an increased attendance.

"Book Week" was observed in the Children's Room by a display of new books and a lecture "My Visit to the World's Fair" was given in the Library Hall by Miss Virginia Barnes, a sixth grade pupil to the boys and girls of grades fifth, sixth and seventh. Through the kindness of the Stoneham Garden Club, the lecture was illustrated by many lantern pictures.

The Story Hour was held in the Library Hall through the winter and spring every Saturday morning. In November, the time was changed to Saturday afternoon.

EXHIBITION CASES

The two exhibition cases, one in the Adult Reading Room and one in the Children's Room have had interesting exhibits through the co-operation of the schools and other patrons.

The editors of the "Authentic," the High School Journal, gave an exhibition showing the growth of their magazines from the first issue to the present.

Two High School boys loaned old coins.

Some of Mr. Flagg's pupils from the grade schools showed models of Indian Villages. The High School Alumni had a fine exhibit of oil and water color paintings, silver and copper ware and wood sculpture.

From the Massachusetts Library Committee, there was a collection of pictures on Ireland.

The Reading Public Library loaned us an interesting collection of pictures of modern authors.

GIFTS TO THE LIBRARY

The public have remembered the library with gifts of magazines, books and flowers, which have been very much appreciated. The patrons of the library have shown an especial interest in some beautiful bouquets of flowers, which were sent in by persons who grew them in their own gardens.

The Stoneham Garden Club maintained a continued exhibit of specimen flowers, from early spring to late autumn. Each specimen was accompanied by a card with the common and scientific name of the flower. These were kept on the main charging desk and proved both interesting and instructive.

AMERICAN LIBRARY ASSOCIATION FORM OF STATISTICS

For the Year Ending December 31, 1933

Name of Library	Stoneham Public Library
Town and State	Stoneham, Massachusetts
Name of Librarian	Martha A. Jackson
Date of Founding	1859
Population served	10,060
Assessed valuation	$14,578,575

Terms of use—Free to residents of Stoneham, teachers in public schools, and by special permission to persons employed in, or guests in the town.

Number of days library was open during the year	301
Number of volumes at beginning of year	17,368
Number of volumes added by purchase	942
Number of volumes added by gift	70
Number of volumes added by binding	1
Circulation per capita	8.7
Number of new borrowers registered during the year	620
Total number of borrowers registered	5,853

1933 STATISTICS

Total Circulation for 1933		
Adult Fiction	54,890	
Adult Non-Fiction	12,226	
Juvenile Fiction	15,887	
Juvenile Non-Fiction	4,469	
Foreign Books	124	
Pictures	119	
Totals		87,715

Respectfully submitted,

MARTHA A. JACKSON,

APPROPRIATIONS AND EXPENDITURES

Appropriations

Appropriated	$6800.00	
Received from Annie H. Brown Fund	308.52	
		$7108.52

Expenditures

Salaries, Librarian and Assistants	$4036.85	
Janitors	809.92	
Books	829.45	
Periodicals	87.50	
Binding	182.98	
Stationery, Printing, etc.	152.96	
Telephone	78.05	
Repairs	52.88	
Furnishings, etc.	12.40	
Fuel	314.96	
Lighting	367.08	
Miscellaneous	183.49	
		$7108.52

E. Sohier Welch and George E. Brown, Executors under the will of Annie H. Brown, hold in trust for the Town of Stoneham the balance of the fund left by the late Annie H. Brown for the addition to the Library amounting to about $20,000. The income from this fund may be used for such library expenditures as are approved by the Executors. From this income there was expended during the year 1933 the following sums:

For purchase of books	$498.25
For binding	154.52

The Ashes and Rubbish service has been continuous every week during the year, but we would ask those served provide small suitable containers for the same, as men cannot lift iron drums, pork barrels, oil drums, up on the truck. The garbage service for the low contract price paid, is better than other surrounding communities who render this service; there are 2200 houses to be called upon in Stoneham.

Mrs. Jane McLernon has rendered satisfactory service up to August as substitute Board of Health Nurse. Miss Angela Conlan resumed her service as Board of Health Nurse in September, and has more than met the duties required of her, showing initiative in correcting eye, ear and throat affection of the children in the Parochial School.

A Pre-School Clinic was held in the Armory May 2 and 3.

Public School Children	19
Parochial School Children	14
Total	33

A case of tuberculosis that had been in Lakeville State Sanatorium since August, 1925, was discharged May 25, 1933.

September 29, Schick Tests were made on 125 Public and Parochial School Children by Doctors Kerrigan and Hersam assisted by Nurses Miss Franchere and Miss Conlan.

October 3, 10, 17 and 24—157 Public and Parochial School Children were given Diphtheria Immunization treatments by Doctors Hersam and Kerrigan assisted by Nurses Franchere and Miss Conlan.

Dental Clinic—In April we were obliged to cut our sessions to three per week, also cutting out the month of June, that we might keep within our appropriation. Mothers are appealing for dental work for their children, and as under our present arrangement Dr. Cyphert cannot give treatment to 200 cases of the 634 children examined in September unless our Dental Clinic appropriation is increased to $1300 for the year 1934.

While the year has been an enviable one regarding reporting certain contagious diseases (No case of diphtheria being reported this year) we are confronted with unusual tuberculosis expenses for hospitalization. We have now

3 cases of tuberculosis in Waltham County Sanatorium

2 cases of tuberculosis in North Reading Sanatorium

3 cases of tuberculosis on the waiting list

and we know not how many more to follow.

See reports of Health Officer, Milk Inspector, Agent, Plumbing Inspector, Board of Health Nurse and Dental Clinic.

Respectfully submitted,

JOSEPH H. KERRIGAN, M. D.
GEO. A. HINCHCLIFFE
LAWRENCE E. DOUCETT
Board of Health

HEALTH OFFICER'S REPORT

Board of Health,
Stoneham, Mass.
Gentlemen:

I submit my report as Health Officer for the year ending December 31, 1933.

Complaints—General	40
Complaints—Garbage	69
Complaints—Ashes and Rubbish	8
Complaints—Cesspools	11
Complaints—Swine	5
Complaints—Hens	3
Inspections—Dump	53
Inspections—Bakery	2
Inspections—Barber Shops	6
Licenses—Alcohol	19
Licenses—Bottling	2
Licenses—Manicure	6
Permits—Septic Tanks	5
Settlement Investigations—Board of Health	12
Settlement Investigations—Board of Public Welfare	7
Trips to State House, Forest Hills, Harvard Medical, cultures, supplies, etc.	98

We thank the New England Sanitarium for treating and operating on 33 school children gratis.

Other activities may be found in the Board of Health Report.

I desire to acknowledge services rendered by the School Department, Doctors Hersam and Kerrigan, Nurses Miss Franchere, Mrs. McLernon and Miss Conlan. Especially to Mr. Baldwin whose generous use of his auto has aided in working out my transportation problems of contagious diseases and investigations.

Respectfully submitted,

GEO. A. HINCHCLIFFE,
Health Officer.

MILK INSPECTOR'S REPORT

Stoneham has seven local dairies, five of them have pasteurization plants, and two sell raw milk from tuberculin tested cows.

These dairies compare more than favorably with other dairies that I have visited with National and State Inspectors.

Wagon Dealers and Store Licenses	74
Pasteurization Licenses	5
Oleomargarine Licenses	3
Total	82

I have with I. V. Noyes, State Inspector of Milk, inspected the seven dairies of Stoneham twice.

Ten samples of milk have been taken by Mr. L. E. Doucett each month and have been analyzed by H. E. Bowman and Mr. Doucett, (who at present analyzes the milk) which has guaranteed the quality of milk to be up to the State Standard.

GEO. A. HINCHCLIFFE,
Milk Inspector

REPORT OF THE AGENT OF THE BOARD OF HEALTH

To the Board of Health,

Gentlemen:

I herewith submit my report for the year ending December 31, 1933:

Contagious diseases reported:

Anterior Poliomyelitis	4
Chicken-pox	17
Dog Bite	30
German Measles	1
Influenza	3
Pneumonia (Lobar)	3
Measles	34
Mumps	2
Scarlet Fever	21
Pulmonary Tuberculosis	7
All Other Forms Tuberculosis	2
Whooping-cough	5
Gonorrhea	3
Supp. Conjunctivitis	1
Encephalitis Lethargia	1
Total	134

Deaths Recorded:	Males	Females	Total
January	5	8	13
February	5	9	14
March	10	6	16
April	8	5	13
May	5	7	12
June	11	8	19
July	5	6	11
August	8	4	12
September	11	10	21
October	8	4	12
November	12	7	19
December	6	14	20
Totals	94	88	182

Burial permits issued	145
Permits for transportation of bodies	9
Removal permits issued	2
Deaths occurring elsewhere and recorded in Stoneham	37
Plumbing permits issued	82

Respectfully submitted,

CHARLES A. OWEN,

Agent.

REPORT OF THE PLUMBING INSPECTOR

To the Board of Health:

Gentlemen:

I herewith submit my report for the year ending December 31, 1933.

Number of permits granted	81
Number of fixtures installed	428

Divided as follows:

Bath tubs	56
Lavatories	74
Closets	86
Sinks	72
Boilers	56
Showers	8

I have made 174 inspections.

Respectfully submitted,

DAVID TAGGART,

Plumbing Inspector.

BOARD OF HEALTH NURSE ANNUAL REPORT

Board of Health,
Stoneham, Mass.
Gentlemen:

I submit the following report as Board of Health Nurse for the year 1933.

I have been in attendance each day during school sessions.

Parochial School Work:

Individual and class-room inspections daily.

Children examined for cleanliness	465
Children weighed and measured	465
Children excluded from school	109
Children receiving first aid treatment	328
Children examined by Dr. Kerrigan	465
Children underweight	93
Children overweight	275

Home Work:

Home visits	39
Parent consultations	58
Teacher consultations	13
Social investigations	27

Clinics:

Children referred to clinics or private physicians	26
Children New England Sanitarium for operations	33
Children Massachusetts Eye and Ear Infirmary	22
Children Dental Clinics	608

Diphtheria Immunization:

Children Schicked	108
Children Re-Schicked	12
Children Immunized	90
Children Re-Immunized	8

Tuberculosis Clinic:

Tuberculosis	10
Follow-ups	9
State X-Ray Clinic	18
State Re-Examinations	18
Tonsillectomies at New England Sanitarium	33
Children taken to North Reading State Sanatorium	8

Dental Clinic:

Forsyth Dental Infirmary for Children	47
Operations	2118
Examinations	634
Patients	502

A Dental Health examination was held during the month of

September soliciting the co-operation of parents concerning the teeth and mouth hygiene of their children. The pupils of the first three grades of all schools were examined. Notices were sent home to all parents in regard to the condition of mouth hygiene and dental work required; also circulars on the care of the teeth.

DIETARY

W. J. Fallon and Sons of Stoneham have been engaged to furnish the necessary amount of milk in the Parochial School. The milk is sold at a minimum price, and 110 one half pints are consumed daily. Through the courtesy of the Knights of Columbus 10 one half pints are furnished daily and five one half pints by the Rotary Club. Plain and unsweetened crackers are served the children at 10.00 A. M.

Respectfully submitted,

ANGELA CONLAN,

Board of Health Nurse.

STONEHAM BOARD OF HEALTH DENTAL CLINIC

Annual Report 1933

Total number of amalgam fillings	702
Total number of cement fillings	879
Total number of extractions	251
Total number of prophylaxis	286
Total number referred for gas extractions	25
Total number refusing treatment	6
Total number of patients	502
Total number of operations	2118

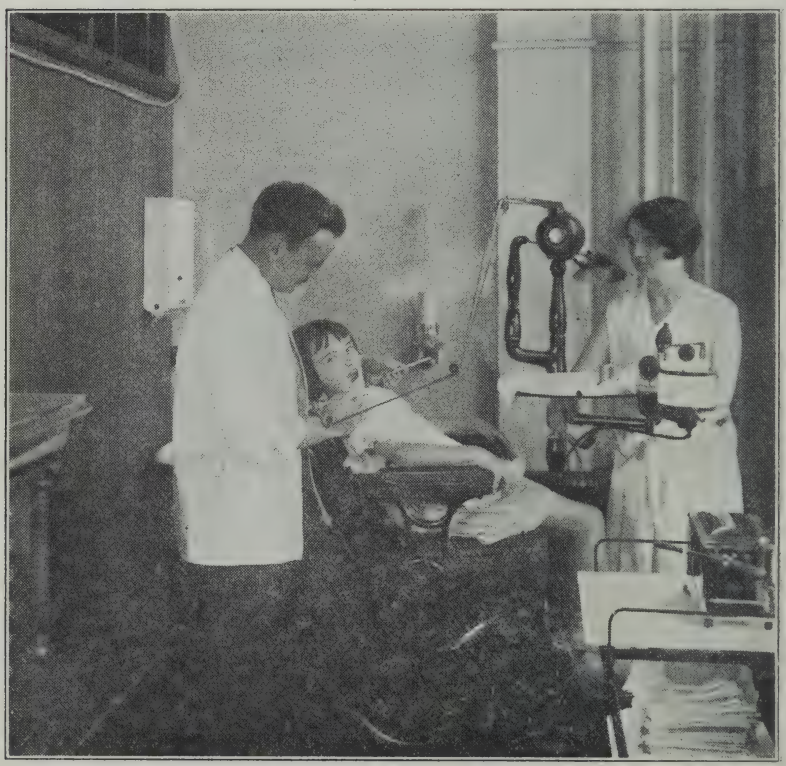
Pre school clinic discontinued.

Examination at Fall opening of schools in September.

There were 634 children examined in all schools, Public and Parochial, including the first three grades.

Sincerely,

PAUL R. CYPHERT, D. D. S.



REPORT OF THE PARK COMMISSIONERS

To the Citizens of Stoneham:

The outstanding event in the Park Department during the past year was the obtaining of $11,000.00 of C. W. A. funds for grading the Pomeworth Street playground. Seventy-three men are now employed on this work and an area Four Hundred feet by One Hundred Eighty feet will be graded and ready for surfacing as a result. This will relieve the present congestion on the field proper and provide a space for the building of tennis courts. It is the desire of the Commissioners to provide the citizens of Stoneham with grounds suitable for recreation and outdoor activities. The present field was in such constant use during the past year that it required a great deal of time and expense to keep it in shape for the baseball and football games.

The Tidd Street playground for small children was operated during July and August under the very efficient supervision of Mr. Paul Bergholtz. During the hot weather the wading pools proved to be the most attractive feature. The large number of children who enjoyed these pools, and the supervised play on this playground convinced the Commissioners that the small expenditure here was fully justified. The successful work at this field was possible only through the hearty cooperation of the children's parents and the financial help received from the Board of Selectmen, Mr. Arthur Newhall, Mr. George Kimball, Mr. Wilbur Chapman, Mr. John Cannon, Midddlesex Fells Springs, Mr. Bernard Callahan, and many others.

A great improvement in the appearance on Central Street near the Center School was made possible through the help received from The Improvement Association, The Planning Board, Mr. William Gibbons, The Public Works Department, and the many Veterans who gladly contributed the necessary labor.

Several triangular plots at the intersection of streets have been curbed with field stone, graded, and planted during the past season. Because of the limited funds available, this work could not have been accomplished had it not been for the assistance of the Garden Club, and The Improvement Association, and the services given the Town by Mr. Percy Wardwell. Many of the citizens living near these plots have shown a genuine desire to beautify the Town by mowing the grass and trimming the shrubs. The plot at the intersection of High and Waverly streets, cared for by Mr. William Folant, Mr. Russell Parker and others in that vicinity, is an outstanding example of what can be accomplished by those who desire to beautify their neighborhood.

The filling in of the Gould Meadow has been carried on with

full co-operation from the Board of Health and the Public Works departments. It becomes increasingly evident that if we would have this area ready for use at a time when the enlarged Pomeworth Street Field is overcrowded, it will be necessary to get filling faster than it is being obtained at present. The Commissioners believe that the open ditch in the center of the Meadow should be done away with at once, and that the filling in of the low area should be advanced as rapidly as possible.

Respectfully submitted,

GEORGE M. JEFTS,
JOHN WALSH,
ALBERT P. ROUNDS,
Park Commissioners.

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Stoneham:

During the past year, the Board of Selectmen has been faced with more than the ordinary amount of problems. Most of these arose in the usual routine of business, but they were aggravated by the unusual condition of unemployment in the earlier part of the year. In all instances, however, the Board has attempted to act for the best interests of all concerned. In November, we were able to get the approval of the Civil Works Administration on several projects, for the town of Stoneham, the labor on which reduced unemployment to a great extent. We refer particularly to the relaying of water pipes on Franklin Street, the building of a sidewalk on North Main Street, the grading of land at Lindenwood Cemetery and the Pomeworth Street Playground, and the painting of the Police and Fire Stations. Work was started on Franklin Street on November 22, under the supervision of Superintendent Sweeney of our Public Works Department. The administration of all civil works projects was taken care of by the Public Welfare Department, and more detailed information is contained in the annual report submitted by that board.

At the annual Town Meeting in March, 1933, a committee, of which T. Arthur Pettengill was later elected chairman, was appointed to take care of the allocation of $20,000 of the Public Works appropriation intended for the relief of unemployment. This committee, which consisted of representatives from the Board of Selectmen, Board of Public Welfare, Finance and Advisory Board and the Superintendent of Public Works, worked hard and faithfully and deserves the thanks of the town for its efforts in spending this money to the best advantage of the town and of the workers.

During our term of office, we have set up an inventory of all materials, tools, equipment, etc., in the various departments of the town, so that we now have on file a complete inventory as of April 1, 1933, and which can be referred to at any time at the town clerk's office. During the taking of this inventory, your Board personally visited the town barn, the Fire and Police Departments, and the Tree Warden's Department. We gratefully acknowledge the assistance given us in this work by the heads of all the departments.

The Board of Selectmen regret to record the loss of a faithful public servant in the death of Captain Sumner H. Green, head of the Police Department of this town for a period of thirty-

three years. Sergeant J. Clarence Nelson, a member of the Stoneham Police Force for the last fourteen years, was promoted to fill the vacancy left by the death of Captain Green.

Having in mind the advisability of a thorough analysis of the fire insurance situation on the town buildings, your Board appointed the following committee to take up this work: Edward M. Noonan, Chairman, Thomas E. McKenna, George Mellor. These men, through their training and experience and the application of considerable hard work, have succeeded in making a complete appraisal of the properties involved and have made recommendations to your Board, which we have every reason to believe will save the town much money in premiums, and at the same time will assure the town of adequate protection in case of fire.

The Public Works Department under Superintendent Cornelius J. Sweeney continues to be one of the chief sources of employment for the laborers of the town. Mr. Sweeney has been in weekly conference with your board and we have found his advice of great value in carrying out the work of this department. It must be apparent to all that our street system, as a whole, is in very good condition and that our sewer and water systems are working well. The property of the Public Works Department which is kept in the town yard on Pine Street is very well cared for.

In conjunction with the County and State, Montvale Avenue was resurfaced from Main Street to the Woburn line.

At various times we have been in conference with the Finance and Advisory Board which has been at all times willing to cooperate with us, and our decisions in financial affairs have been guided in large measure by the advice of this Board. The resignations of Harold H. Holden and Arthur N. Newhall, who had given many years of real service to the town, were accepted and William S. Lister and Ernest L. Place were appointed to take their places.

We wish to extend our thanks to Mr. Charles A. Owen, the town clerk, who has acted as clerk of our Board and has been of very great assistance to us through his knowledge of town government.

Mr. Luther Hill, Town Counsel, has been very thorough in the work of his office and the Selectmen are mindful of the excellent way in which he has attended to the legal affairs of the town. The Board greatly appreciates his assistance.

Mr. Charles Baldwin who holds the office of Building and Wire Inspector also acts as custodian of the town property on

Emerson and Central Streets and is the enforcing officer of the Zoning By-Law. We wish to commend Mr. Baldwin for the faithful manner in which he has prosecuted his duties.

Mr. J. Algernon Forbes, Sealer of Weights and Measures, has conducted his department in an excellent manner and we find that our merchants and traders are very good in cooperating with him.

We hardly need to call attention to the work of Mr. George M. Jefts, the local Moth Superintendent, for we believe that our citizens are aware of the splendid work done under the direction of this officer of the town.

On April 7, 1933, Chapter 120 of the Acts of 1933, became effective. This act authorized the sale of so-called wines and malt beverages. The Selectmen wishing to ascertain the sentiment of the voters upon this matter, called for an unofficial referendum which was held on April 22. The result of this referendum was as follows:

Do you favor the granting of licenses, in this town, for the sale of beer and wines?

Yes, 1437.

No, 734.

Blanks, 9.

Do you favor the granting of licenses, in this town, for the sale of beer and wines to be drunk on the premises?

Yes, 1147.

No, 1011.

Blanks, 22

Nine much-needed public improvements were accomplished during the past year by local veterans.

Under the supervision of Selectmen Gibbons, twenty veterans gave back to the town over 3,000 hours' labor while receiving $1,123.57 in soldiers' relief. Included in the public improvements carried out by the vets were the following: parking space on Emerson Street, park drains, catch basins, walks and curbing on Central Street and the Tidd Street Playground, walks and grading in front of the Dean School, grading and parking space in rear of the High School.

The splendid spirit of the veterans was greatly appreciated by the Selectmen. All able-bodied vets were always willing and glad to give back to the town full value for any money received from soldiers' relief when it was impossible to find work for them on jobs where they could be paid regular wages.

The fine results of these public improvements are due in a great measure to the cooperation of the Planning Board, Improvement Association, Park Department, School Committee and Public Works Department

JURORS DRAWN

Robert N. Linscott, Will C. Morrill, Wallace A. Leavitt, Frank G. Elliott, John J. Cody, Elliott M. Dorn, Thomas H. Finnegan, Dwight D. Dewhurst, Harold B. Hayward, William C. Gibbons.

One item which we believe should receive the serious attention of our taxpayers is the matter of tax anticipation loans and the interest requirements for the same. During the past year, the town has been obliged to pay interest rates ranging from four to six percent on these temporary loans. These rates are extremely high for municipal paper. The amount of interest paid on these borrowings during the year 1933 was $9,381.55. It is customary to discount the interest on notes of this kind, but owing to the high rates which we were obliged to pay, the appropriation for interest was exhausted and it was found necessary to issue a loan of $200,000 during the month of November with interest to be paid at maturity. This interest charge will be about $7,300 and will be a charge on our tax levy for the year 1934 although it is really an obligation of the year 1933. If we add this amount to the figure quoted above, we find that the total interest charges on 1933 anticipation loans would exceed $16,000. This entails a charge of over $1.00 on our tax rate.

While there were many towns and cities in Massachusetts which paid as high rates as we did, yet we find other municipalities that were able to borrow on rates which did not exceed one-half the rates paid by the Town of Stoneham. The reason why this and other municipalities are penalized in the matter of interest rates is due to the slowness of tax collections. We would respectfully commend a study of this matter to our Finance and Advisory Board and to our taxpayers who are interested in these matters.

On account of the work entailed by the ever increasing responsibilities of the Board of Selectmen, due to the growth of the town and its various departments, as well as to the supervision of these same departments which are under its jurisdiction, this Board is of the opinion that the town would be better served by having one member of the Board of Selectmen available part of every day for transaction of town business. This would, of course, entail a small additional expense to the town, but we feel that the citizens of this town are entitled to this service. Therefore, we sincerely recommend the adoption of this plan.

Respectfully submitted

THOMAS E. CAHILL,
WILLIAM C. GIBBONS,
HARRY R. DOCKAM,
Selectmen.

LEGAL DEPARTMENT

To the Honorable Board of Selectmen:

I submit herewith my fourth annual report as counsel for the Town of Stoneham.

In accordance with a vote of the town passed at the special town meeting of June 1932, the Town Counsel and Oscar Storer, Esq., attorney for the New England Sanitarium, filed with the 1933 Legislature a Bill amending the General Laws as to the taxation of charitable institutions so as to allow the New England Sanitarium to treat nervous and mental diseases. In return the Town was to retain the taxes paid for the years 1929 and 1930. The taxes for other years were to be abated and an agreement was to be entered into whereby the Sanitarium would take deserving patients approved by the Board of Selectmen. After many conferences with Mr. Storer and Amos Taylor Esq., attorney for the Town of Belmont, in which town the McLean Asylum is situated, an amended Bill was agreed upon satisfactory to all parties and after Committee hearings and with the assistance of your Representatives, Mrs. Barrows and Mr. Milano, and former Representative Arthur N. Newhall, the Bill as amended was passed as Chapter 198 of the Acts of 1933, and the case of the New England Sanitarium against the Town of Stoneham was dismissed in the Middlesex Superior Court ending a long period of litigation between the Town and the Sanitarium. Under the settlement the Town retained about $25,000.00 in taxes and interest. Numerous conferences were held with the Sanitarium officials before the settlement went through and as a result the Sanitarium is taking Public Welfare patients free of charge. The Town Counsel wishes to express his appreciation for the assistance rendered him by the Town Representatives and Arthur N. Newhall, Mr. Newhall being especially interested in the taxation of the Sanitarium for many years. A full statement of the proceedings was published in the local papers and it is gratifying to know that the friendliest of relations exist between the Town and the Sanitarium, and it is the general opinion that the settlement of the tax cases was for the benefit of all concerned.

The law allowing 3.2 beer and wine, and later the repeal of prohibition, with their rules and regulations, and special meetings to determine the wish of the voters brought much extra work upon the Selectmen and Town Counsel. The laws had to be carefully studied in preparation for questions that might arise, and forms and regulations devised by the Board.

The Town Counsel has attended the meetings of the Selectmen and has endeavored to be of assistance to them in all matters in which he has been called upon, has attended various hearings

at the State House in which the interests of the town were involved. During his vacation last summer the legal affairs of the town were taken care of by Frederick P. Hanford, Esq., and former Town Counsel Herbert H. Richardson.

The case of the Eastern Equities Corporation against the Town of Stoneham a land damage case, pending in the Middlesex Superior Court was settled satisfactory to the Selectmen and County Commissioners.

At the special town meeting last August the town voted to petition the Legislature to enact a law placing under Civil Service the employees of both the official and labor services of the Town. The Town Counsel, after conferences with Representative Joseph A. Milano, James J. McDonald, Esq., representing the town laborers and the Legislative Counsel of the House filed a bill in accordance with the vote of the town, known as House Bill No. 3. This will come up for hearing before the Committee on Civil Service early in the year.

The question of the drainage of Doleful Pond and area east came up early in the year and at the request of the Selectmen the Town Counsel conferred with the Planning Board, attended hearings at Melrose and before the Legislative Committee.

The Town Counsel attended various meetings of the Selectmen and Finance Committee and worked with the Town Officials in obtaining funds under the C. W. A., appearing before the Emergency Finance Board with Arthur D. Kenney, Acting Chairman Public Welfare Board, Selectman Gibbons and Mrs. MacKay on various Town projects. At the time the Town notes were coming due there was a great deal of difficulty in obtaining an extension of loan from the Banks, and the Town Counsel spent a great deal of time visiting the various banks in Boston and finally assisted in obtaining substantial loans for the Town.

Without going into further detail of the work for the year it may be stated that the Town Counsel has assisted the various Town Boards when requested, has examined the law and given written opinions on various matters to various Town Officials; special services were rendered the School Committee.

The following suits are pending in Court:

Mary E. Wood vs Town of Stoneham, action of Tort

Mary O'Donnell vs Town of Stoneham, action of Tort

Arthur N. Fitzpatrick and Ella B. Fitzpatrick vs Town of Stoneham, actions of Tort

Marion B. Goodnough and William B. Goodnough vs Town of Stoneham, actions of Tort

James Hughes vs Town of Stoneham, land damage case

Susan G. Murray vs Town of Stoneham, action of Tort

Hugh W. Bailey vs Town of Stoneham, action of Tort
Mary T. MacKenna vs Town of Stoneham, action of contract
Town vs Philip McMorrow, action of contract

The Town Counsel has been requested by the Selectmen to work with Captain J. Clarence Nelson in drawing up a set of rules and regulations for the Police Department.

Your Town Counsel has endeavored to perform his duties faithfully and impartially and to preserve the interests of the town, and he thanks the Selectmen and all other Town officers who have cooperated with him in his work.

Respectfully submitted,

LUTHER HILL,

Town Counsel

POLICE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen:

I submit the following report of the Police Department for the year ending December 31, 1933.

The regular members of the department are: Captain J. Clarence Nelson, Sergeant John G. O'Brien, Patrolmen Dennis L. McKinnon, George E. Johnson, Peter F. O'Toole, Thomas J. Flynn, Andrew J. Tuney, John P. Judge, and Robert H. Bradley.

Reserve officers: Warren H. Barnes, Ellis B. Bradshaw, George J. McDonough, and John G. McHale.

As a result of a request from the Governor's Committee on Street and Highway Safety, our officers gave full cooperation with that committee giving out 752 cards with warning notices, these cards being furnished by that committee and returned to Lloyd A. Blanchard, Executive Secretary.

The following resolutions were passed by a committee of citizens at the time of the death of the late Captain Sumner H. Green, June 23, 1933.

RESOLUTIONS

"WHEREAS: Sumner H. Green, our esteemed fellow townsman and chief of the Stoneham Police Department has been called to the Higher Life, and

"WHEREAS: The citizens of Stoneham, in Town Meeting assembled stood in silent tribute to his memory and thereafter directed that resolutions be prepared expressing sincere appreciation of his long and faithful public service; be it therefore

"RESOLVED: That as tribute to the sterling character and the long and efficient public service of the late Sumner H. Green, this testimonial be spread upon the records of the Town of Stoneham, and that the same be published in the local newspapers, and a copy thereof be sent to his widow.

LEANDER V. COLAHAN,
GEORGE R. BARNSTEAD,
ARTHUR N. NEWHALL,
WILLIAM S. LISTER,
CHARLES F. BUCK,
Committee on Resolutions."

I wish to thank your Honorable Board for your co-operation and assistance in the performance of my official duties. I wish also to thank the members of the Police Department for their faithful services rendered during the past year.

Respectfully submitted,
J. CLARENCE NELSON,
Capt. of Police and Lockup Keeper.

FIRE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen:

The Engineers of the Fire Department respectfully submit the following report for the year 1933.

There have been 158 alarms, as follows: 88 bells (3 of which were false) and 68 stills.

Value of property endangered	$369,980.00
Amount of insurance carried	314,400.00
Estimated loss	86,751.32
Insurance paid	78,576.37
Net loss	8,174.95

There have been used at fires 26,530 feet of hose, 604 feet of ladders and 1518 gallons of chemical.

The fire apparatus consists of:

1 Pumping engine—750 gal. cap.
1 Pumping engine—600 gal. cap.
1 City service ladder truck—334 feet of ladders.
1 Reo Combination Hose and Chemical Truck.
1 Buick coupe—Chief's car.
1 Dodge coupe—Fire alarm service.

The department has about 5500 feet of 2½ inch hose in first class condition and 1100 feet of 1½ inch hose.

The fire alarm system is in very poor condition, due to its extreme age and requires constant inspection and care as well as repairs. We most urgently recommend a new alarm system with modern instruments and the replacement of all old type boxes.

We have been unable this year, due to the necessity for economy, to add anything in the way of modern equipment, as has been our habit for the past few years.

In submitting this report we wish to thank the Honorable Board of Selectmen for its co-operation and encouragement, also the Police Department for its aid at fires.

We would also commend the officers and men of the Fire Department for their prompt and efficient performance of their duties at all times.

Respectfully submitted,
WILLIAM McCALL, Chief,
FRED L. NEWHALL, Asst. Chief.

Fire Department Expenditures for Year 1933

Pay of permanent force	$13,435.21
Pay of call men, Engine 1	1,158.24
Pay of call men, Engine 2	1,158.24
Pay of call men, Ladder 1	1,158.24

One call engineer	196.87
Equipment for men and apparatus	246.02
Fuel	271.55
Gas and oil	233.74
Lighting	171.40
Laundry	70.95
Telephone	76.41
Fire alarm	470.70
Water charges	58.99
Replacement of tires	60.30
500 feet of hose	525.00
Repairs to Ladder Truck	346.80
Stock for C. W. A. painting	72.83
General maintenance	508.50
	$20,219.99

REPORT OF PUBLIC WORKS

January 15, 1934

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report as Superintendent of Public Works, for the year ending Dec. 31, 1933.

Highways, Catch Basins, Drains, Etc.

The regular seasonal cleaning of streets was performed both in the early Spring and in the Fall. The streets were kept in first class repair through patching and the application of surface coating. Due to unsettled conditions, only about one half of the necessary re-surfacing work was accomplished.

All drainage in the Town was kept open and cleaned periodically. Service in these matters was prompt and efficient thus preventing any damage suits against the Town. New drains were installed on the following streets: Spring St., Columbus Ave., Norval Ave., Tidd St., Summer St. and Central St. New re-inforcement was also added to the Franklin St. bridge and the William St. bridge. Another important addition to the drainage system was the completion of a section of 42 inch drain in the Gilmore St. section, a key position in the drainage system of the west part of the Town.

The Highway Department also maintained all gravel sidewalks and constructed new gravel walks where it was deemed expedient. In addition to this it performed a wide range of utility services, all necessary to the welfare of the Town.

Water Department

This department has functioned smoothly during the year, giving the townspeople prompt service in emergencies and assuring them uninterrupted water service. By giving careful attention to this unit of the Public Works we have succeeded in cutting the cost of its operation almost one-half from the cost of the year 1929.

All hydrants were inspected and repaired where necessary to give adequate fire protection. Eleven new hydrants were installed. New water mains were placed in Phillips Rd., Newcomb Rd., New England Sanitarium and Park St. The old cement pipe on Montvale Ave. and on Franklin St. was replaced by cast iron pipe. An inspection of the old pipe removed from these two streets showed that it was considerably worn around the rivets and seams and would be required to be re-placed within a short time.

Twenty-one new water services were installed, 29 services repaired and 5 services re-layed during the year.

Sewer Maintenance Department

The entire main sewage system was cleaned of roots and foreign matter twice during the year. Stoppage in both main and service pipes was attended to promptly. During the year 36 new house connections were made.

New main sewers were layed on Phillips Rd., Newcomb Rd., Norval Ave. and Fellsway East.

The new sewage system in the South Side functioned without difficulty and the cost of maintaining the Pumping Station compared favorably with the estimates of the construction engineer.

Street Signs and Street Rails

The operation and maintenance of the signal lights and the painting of traffic lines consumed the greater portion of the appropriation for street signs. This was done in co-operation with the Police Department in the interest of safety. Although street signs and traffic signs were kept in repair as well as possible, the lack of sufficient appropriation prevented the erecting of a number of new signs which were needed.

The appropriation for street rails was used entirely to repair railings which were in bad condition and might involve the Town in suits for personal injury.

Snow and Ice

The service given to our citizens in the removal of snow and in sanding icy streets compares favorably with other cities and towns while our costs for each mile of highway is considerably lower. The abnormal weather in the latter part of December increased the expenditures and necessitated an overdraft which under the circumstances was entirely warranted. The equipment for snow removal is always subject to the most severe conditions and receives considerable abuse. Our equipment has been kept in repair and is in good condition with the exception of the small caterpillar tractor. This machine is the oldest in the department and does not compensate for the cost of upkeep and maintenance. I believe the Town would benefit financially by replacing it and recommend this be done.

Sidewalks and Edgestones

The greater portion of this appropriation was devoted to the repairing of tar concrete sidewalks. These were repaired in all sections where the walks were in bad condition and where there was legal liability on the part of the Town.

Several sections of edgestones were placed at street corners to eliminate traffic hazards.

A new granolithic sidewalk was constructed on the easterly side of West Street from Lindenwood Rd. to William Street.

Montvale Avenue Construction

With the financial assistance of the State and County, the Department constructed Montvale Avenue from Main Street to the Woburn line. This work was carried out by hand labor in accordance with the wishes of the citizens and furnished considerable labor for the unemployed. Because of hand labor the cost of the work exceeded the original estimate which was based on the partial use of machinery. The added cost was also due in part to a change in the plans.

In General

Throughout the entire year the Public Works Department rendered prompt and courteous service to all the people of the Town. Buildings and equipment were kept in repair and the general maintenance of all Town property under the care of the Department was kept to a proper standard.

The Department co-operated to the best of its ability with all Town Committees and Department Heads.

The task of placing unemployed men at work was a trying one, because of the necessity of placing them on projects which would give the most value to the Town. This I did to the best of my ability with the assistance of the various Boards.

In the matter of Civil Works projects the Department has co-operated to the fullest extent and will continue to do so.

I extend my thanks to the Honorable Board for the co-operation and assistance you have given me during the year. I also wish to thank the members of the various committees who have assisted me and the employees of the Department for their spirit of co-operation during the year.

Respectfully submitted,
C. J. SWEENEY,
Superintendent.

INSPECTOR OF BUILDINGS AND WIRES

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit my report as Inspector for the year 1933 as follows:

Buildings

The number of permits issued is less than last year but the estimated cost is higher.

All dwellings for which permits were issued, have, with one exception, been erected.

I have issued three licenses and six renewals to operate passenger elevators.

Permits:

Dwellings	21
Garages	29
Additions	17
All others	30
Total	97
Estimated Value	$127,325.00

I have collected in fees and paid to the Treasurer $243.00.

Wires

Number of permits granted	173
Amount collected in fees	$123.50
Amount paid to the Treasurer	123.50

Custodian of Civic Centre Property

I have collected rents to the amount of	$2336.50
I have paid to the Treasurer	2336.50

Respectfully submitted,

CHARLES BALDWIN,

Inspector of Buildings and Wires.

SEALER OF WEIGHTS AND MEASURES

Stoneham, December 30, 1933

To the Honorable Board of Selectmen,

Gentlemen:

I hereby submit a report of the work of the Weights and Measures Department for the year ending December 31, 1933.

The various weighing and measuring devices in town are in unusually good condition, and only one complaint has been received by the Sealer. This was adjusted to the satisfaction of all parties concerned.

Fees to the amount of $46.00 have been collected during the year and turned over to the Town Treasurer, whose receipt I hold.

A summary of the work performed follows:

Summary of Work Performed

Device	Adjusted	Sealed	Non-Sealed	Condemned
Scales				
Platform over 5000 lbs.		5		
Platform 100 to 5000 lbs.	5	15		
Counter 100 lbs. or over		3		
Counter under 100 lbs.	1	18		
Beam 100 lbs. or over		1		
Spring 100 lbs. over	1			1
Spring under 100 lbs.	8	37	1	
Computing 100 lbs. or over	5	14	1	
Computing under 100 lbs.	8	29	1	
Personal Weighing		8		2
Prescription		2		
Avoirdupois Weights		115		
Apothecaries' Weights		33		
Liquid Measures		61		
Dry Measure		2		
Fuel Baskets		11		
Gasoline Measure Pumps	3	15	2	1
Gasoline Measure Meters	5	35		
Oil Measure Pumps		13		
Quantity Measures on Pumps		84		
Yard Sticks		17		
Cloth Measure Devices		1		
Total	36	519	5	4

Respectfully submitted,

J. A. FORBES,

Sealer of Weights and Measures.

PUBLIC WEIGHER

To the Honorable Board of Selectmen,
Gentlemen:

I respectfully submit my annual report as Public Weigher.

12 Loads at 10c each	$1.20
4 Loads at 15c each	.60
17 Loads at 20c each	3.40
4 Loads at 30c each	1.20
31 Loads at 35c each	10.85
14 Loads at 40c each	5.60
5 Loads at 45c each	2.25
1 Load at 60c	.60
1 Load at 65c	.65
	$26.35

Respectfully submitted,
ARTHUR O. WHEELER,
Weigher.

INSPECTOR OF ANIMALS

Stoneham, Mass.

Honorable Board of Selectmen:
Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1933.

Orders were received from the Division of Animal Industry to make an inspection and examine all barns and live stock within the limits of the Town; 219 cows, 710 swine, 17 goats and 6 bulls were examined and a report was made to the State Department as to condtions as found. On report blanks furnished by them there are two dairies in Town that have taken the Tuberculine test and are under State and Federal supervision. There is no herd as yet accredited. There has been a large number of dog bites reported during the year, the dog inflicting the injury was placed under quarantine for observation of 14 days and was not released until ordered by the Animal Industry. One dog had rabies, the carcass destroyed and the head sent to the Department for postive examination, one child was bitten by this dog and received the Pasteur treatment. Any person receiving a bite or scratch should receive medical treatment at once as rabies is quite prevalent in this State. I wish at this time to thank you for your co-operation.

Very truly yours,
WILLIAM H. ROLFE,
Inspector of Animals.

REPORT OF THE TRUSTEES OF LINDENWOOD CEMETERY

To the Citizens of Stoneham:

On the Fifth of April, 1933, the Board of Trustees organized as follows: Fred E. Nickerson, Chairman; Geo. R. Barnstead, Secretary; Charles W. Messer, Superintendent; Simeon C. Fuller, Wilfred A. Smith.

A start was made this year for the preservation of the Avenues and 1605 gallons of asphalt was purchased, together with sand to cover, which was found sufficient to do the entire length of Main Avenue from the Montvale Avenue Gate to Oak Avenue at the top of the hill, Oak Avenue from the junction of Birch Avenue, Pine Avenue to the junction of Birch Avenue on the east, and Larch Avenue from the Lindenwood Gate to Cedar Avenue, and Cedar to Main Avenue. In the opinion of the Trustees it was necessary to do this in order to keep the Avenues from being badly damaged during the big storms.

One of the finest improvements which has been made this year is a five foot fence erected on the east border of the cemetery, starting at the Lindenwood entrance and extending 354 feet toward Montvale Ave. It was erected by the Chain-Link Fence Co. of New England and includes two double drive gates and two single walk gates. It makes a wonderful improvement and adds much to the beauty of the cemetery.

We were very fortunate in being able to secure an appropriation through the Superintendent, Mr. Messer, from the C. W. A. for needed work in the new purchase and with the twenty-one men allowed for the work a section 200 feet long and twenty-two feet wide bordering the Unicorn Country Club has been dug over to the proper depth and prepared for lots of the regular size. Next to this section an avenue eighteen feet wide has also been made which will allow two vehicles to pass in safety, which is a great improvement over the old avenues which are barely wide enough for one.

The regular work in the cemetery has not been neglected and the avenues, paths, and lots are in first class condition.

A statement of the financial condition of the cemetery follows:

Appropriation for Lindenwood	$3,800.00
Appropriation for Old Burying Ground	100.00
Income from Perpetual Care	2,208.00
	$6,108.00
Bills paid as per Town Accountant's report	6,096.86
Balance Unexpended	11.14

Cemetery Receipts

Received from sale of lots	$ 650.00
Received from sale of graves	350.00
Received from care of lots	699.50
Received from opening graves	1,413.00
Received from foundations	187.00
Received from repairs	31.00
	$3,330.50

Respectfully submitted,

FRED E. NICKERSON,
GEORGE R. BARNSTEAD,
CHARLES W. MESSER,
SIMEON C. FULLER,
WILFRED A. SMITH
Trustees.

REPORT OF COMMITTEE ON REVISION OF ZONING BY LAWS

Board of Selectmen,

Town of Stoneham, Mass.

As a result of the vote of the last Annual Town Meeting, a committee of 15 citizens were appointed to study and bring up to date the existing Zoning By-Laws and report to a Special Town Meeting prior to July 1, 1933.

This committee prepared a report which was submitted to a Town meeting held June 26, 1933. Due to a lack of quorum, this report was not considered and the committee was instructed to further study the subject and report to the Annual Town Meeting in March 1934.

We hand you herewith an article to be included in the Warrant for the 1934 Annual Town Meeting. This article covers 20 specific recommendations for changes in our existing By-Laws. Some of these changes will serve to liberalize the existing laws and make them more applicable to the conditions in our town. We believe that this article should receive consideration from the greatest possible number of voters. With this in mind, we recommend that this article be placed, as early as practical, in the Warrant, in order to prevent any possibility of it being carried over into an adjourned meeting.

The recommendations embodied in this article constitute the final report of this committee.

Respectfully submitted:

RALPH A. JENKINS
GEORGE MELLOR
EDWARD F. GAY
PATRICK J. CALLAHAN
JAMES A. MUNRO
FRED A. LAWSON
E. W. SCHAEFER
JOHN T. COLITON
CLARENCE W. HOUGHTON
ARTHUR D. KENNEY
MARTIN A. MULLALEY
HERBERT H. RICHARDSON
T. A. PETTENGILL
EVERETT C. HUNT
ALBERT J. BLACKBURN
Committee for Revision of
Zoning By-Laws.

Proposed Article for Town Warrant

To see if the Town will vote to accept, in whole or in part, certain proposed amendments to the Zoning By-Law, recommended

by the Committee on Revision of the Zoning By-Law, as set forth in the subject matter of this article, or pass any vote or votes in relation thereto.

(a) To strike out from Article 1 the first paragraph thereof entitled "Purpose" and insert in place thereof the following:

"This by-law is created to regulate the location, size and use of buildings and other structures in the Town of Stoneham, as provided by Chapter 40, Section 25, of the General Laws of the Commonwealth of Massachusetts, and for the purpose of carrying into effect said provisions and thereby promoting the health of the public, the safety and welfare of the inhabitants, the growth and prosperity of the town and securing the proper development and upbuilding of the Town of Stoneham".

(b) To strike out from Article 1 the paragraphs entitled respectively "Establishment of Districts" and "Zoning Map", and insert in place thereof the following:

"The town is hereby divided into seven classes of districts:

1. One Family Districts.
2. Class A Residence Districts.
3. Class B Residence Districts.
4. Retail Business Districts.
5. General Business Districts.
6. Industrial Districts.
7. Heavy Industrial Districts.

These districts are hereby established as shown on the Town of Stoneham, Mass., Zoning Map on file at the office of the Town Clerk which accompanies and is hereby declared to be a part of this By-Law".

(c) To strike out from Section 2, sub-section 5 of Article 1, the words "farm, truck garden or greenhouse" and add the following: "and farm, stock farm, truck garden, nursery or greenhouse including salesrooms for the sale of natural products, raised in or upon any of them," so that said paragraph will read as follows:

"School, library, museum, telephone office, church, parish house or Sunday School building, and farm, stock farm, truck garden, nursery or greenhouse including salesrooms for the sale of natural products, raised in or upon any of them".

(d) To amend Section 2, sub-section 10 of Article 1 by adding the following sentence:

"Except as specified in this section, no sign or other advertising device shall be permitted," so that said paragraph will read as follows:

"An accessory building, or other building, if located in rear of principal building with no direct frontage on public or private way shall not be used for residence purposes except for persons employed on premises and their immediate families.

Except as specified in this section, no sign or other advertising device shall be permitted."

(e) To amend Clause A of Section 2, sub-section 10 of Article 1 by striking out the words "Not exceeding 60 per cent"; in the third paragraph add the words "convalescent homes", and by adding at end of Clause A "nothing herein shall be construed to allow the operation of an institution for the treatment of mental diseases", so that said clause will read as follows:

"An existing double or duplex house if injured by fire may be reconstructed.

A detached single house may be altered and used as a place of residence for two families, providing the area of the lot complies with the area restrictions for two family houses. A duplex or semi-detached house may be erected provided the area restrictions are as follows: 15 feet from any lot line and 30 feet from any residence building on the same lot.

Building may be altered and premises used for the following purposes: Semi-public, philanthropic, charitable, religious institutions, hospitals, sanitarium, convalescent homes, not incuding a correctional institution or place of detention, in accordance with Article 2, Section 4.

Nothing herein shall be construed to allow the operation of an institution for the treatment of mental diseases.

(f) To amend Clause C of Section 2, sub-section 10 of Article 1 by adding the words; "except as follows:

(1) That on lots of under 50 feet frontage a building may be built to 8 feet of side lot line, provided such lot or lots shall not have been altered or changed in size as of record in the Registry of Deeds since the passage of the original Zoning Law.

(2) That in a series of three contiguous house lots the set-set back required shall be the average set back of said lots," so that said clause shall read as follows:

(1) That on lots of under 50 foot frontage a building may be built to 8 feet of a side lot line, provided such lot or lots shall not have been altered or changed in size as of record in the Registry of Deeds since the passage of the original Zoning By-Law.

(2) That is a series of three contiguous house lots the setback required shall be the average setback of said existing lots."

(g) To amend Clause C of Section 2, sub-section 10, under heading of "Exceptions" by adding the following:

"Garages may be built up to side lot line provided all abutters agree in writing and provided the type of garage to be built shall conform to the State Laws for first-class construction. Said agreements shall be filed with the Building Inspector.

Buildings existing before the passage of the original Zoning By-Law may be extended to 6 feet of the side lot line where the

existing building is within 12 feet thereof and may be extended to 4 feet of the side lot line if the existing building is within 10 feet thereof, provided that the ground area covered by the extension shall not exceed 100 square feet.

Porches or piazzas existing before the passage of the original Zoning By-Law may be roofed and enclosed with glass, provided that no part thereof shall be within five feet of the street line at any street intersection, so that said paragraaph shall read as follows:

"A private garage for not more than two cars may be built to 7 feet of a side lot line if of third class construction and to 5 feet of a side lot line if of second-class construction and to three feet of a side lot line if of first class or metal construction provided in any case it shall not be within 10 feet of a dwelling on an adjoining lot.

Garages may be built up to side lot line provided all abutters agree in writing and provided the tvpe of garage to be built shall conform to State Laws for first-class construction. Said agreements shall be filed with the Building Inspector.

Buildings existing before the passage of the original Zoning By-Law may be extended to 6 feet of the side lot line where the existing building is within 12 feet ehereof and mav be extended to 4 feet of the side lot line if the existing building is within 10 feet thereof, provided that the ground area covered shall not exceed 100 square feet.

Porches or piazzas existing before the passage of the original Zoning By-Law may be roofed and enclosed with glass, provided that no part thereof shall be within 5 feet of the street line at any street intersection".

(h) To amend Clause B, Section 3 of Article 1 in the second paragraph under heading "Exceptions" by adding the following:

"Apartment houses shall not be restricted to two and one-half stories provided they shall not exceed 40 feet in height and shall not occupy more than 40% of the lot area;" so that said paragraph will read as follows:

"Schools and municipal buildings may contain three stories and be 45 feet in height.

The height limit in feet shall not apply to chimneys, ventilators, skylights, or tanks usually carried above roofs, nor to domes or spires of non-residential buildings.

Apartment houses shall not be restricted to two and one-half stories provided they shall not exceed 40 feet in height and shall not occupy more than 40% of the lot area."

(i) To amend Section 8 of Article 1 by adding to the present section at the end thereof the following:

"and except that any non-conforming manufacturing use

existing at the passage of the original Zoning By-Law in any building may be continued in the same location and such a building may also be used for any purpose set forth in Section 5 under head of General Business", so that said Section 8 shall read as follows:

"Any use existing in any building at the time of passage of this By-Law may be continued in the same building or the same part thereof, athough not conforming to the use regulations of the district in which said building is located, but no non-conforming use shall be changed, moved, or extended and no building devoted to a non- conforming use or uses in whole or in part shall be structurally or suubstantially altered or reconstructed or in any way enlarged or extended unless such non-conforming use or uses are changed to a use or uses authorized in the district in which the building is located as hereinafter provided, and except that any non-conforming manufacturing use existing at the passage of the original Zoning By-Law in any building may be continued in the same location, and such a building may also be used for any purpose set forth in Section 5 under head of General Business".

(j) To amend Section 9 of Article 1 by adding to the present section at the end thereof the following under the heading of Use of Land:

In one family districts, and in Class A and Class B Residence Districts, no land shall be used for any purpose for which a new building or structure may not be constructed or used under the provisions of this Zoning By-Law, but nothing contained herein shall prevent the continued use of any land for the purpose for which it was used at the passage of the original Zoning By-Law, nor prevent the use of any land for farms, gardens, nurseries, parks, playgrounds, and such purposes as are incidental to or usual in connection with any of said purposes, so as to read as follows:

"A non-conforming use may be extended or moved in any building provided that the building is not structurally or substantially changed and provided also that in a Residence or Commercial District a non-conforming use is not extended or moved to any building designed, arranged or extended to a conforming use".

"In One Family Districts, and in Class A and Class B Residence Districts, no land shall be used for any purpose for which a new building or structure may not be constructed or used under the provisions of this Zoning By-Law, but nothing contained herein shall prevent the continued use of any land for the purpose for which it was used at the passage of the original Zoning By-Law, nor prevent the use of any land for farms, gardens, nurseries, parks, playgrounds, and such purposes as are incidental to or usual in connection with any of said purposes".

(k) To strike out Section 10 of Article 1 and insert in place thereof the following:

When a non-conforming building is destroyed or damaged, it may be restored to substantially its original condition, provided application is made for a building permit by a person entitled thereto within three months from said destruction or damage.

(1) To amend Section 11 of Article 1 by adding to the first sentence of said section the words "and One Family Districts", so that said sentence shall read as follows:

Vision Clearance on Corner Lots in Residence "A" and "B" Districts and One Family Districts.

(m) To amend Section 12 of Article 1 by striking out the word "ten" in the fifth line and substituting the word "seven" therefor, so that said Section will read as follows:

"On a corner lot, no fences, wall or structure, planting or foliage, more than 3½ feet in height above the plane of the established grade of the streets shall be erected in any part of a front or side yard herein established, that is included within the street lines at points which are seven feet distant from their point of intersection, measured along said street lines, which will materially obstruct the view of a driver of a vehicle approaching a street intersection. This shall not apply to structures above the first story."

(n) To amend Clause A, Section 1 of Article 2 by striking out the word "execute" in the second line and substituting therefor the word "enforce," so that said clause will read as follows:

"The Building Inspector appointed under provisions of the Building Regulations shall enforce the provisions of this By-Law."

(o) To amend Clause E, Section 1 of Article 2, by adding:

"In all other matters the Building Inspector shall have all authority granted him under the Provisions of the statute law or Town By-Laws;" so that said Clause will read as follows:

"If the Inspector shall be informed or knows that any provision of this By-Law has been, or is being violated he shall inspect the property where the violation exists. If he shall find any such violation he shall give notice in writing to the owner or his authorized agent and to the occupant of premises that any use of building or structure contrary to this By-Law shall immediately cease. If after such notice the building or structure is used contrary to provisions of this By-Law or if any owner or occupant fail to obey a lawful order of the Inspector in respect to any violataion of this By-Law he may revoke the permit for occupation of the premises and shall make complaint to the court having jurisdiction thereof or apply to the Superior Court for an injunction or order restraining the further use of premises and shall take any and all such action as may be necessary to enforce this By-

Law, In all other matters the Building Inspector shall have all authority granted him under the Provisions of the statute law or Town By-Laws."

(p) To amend Section 3 of Article 2 by adding to paragraph entitled "Terms of Office", the following:

"No member of the Board of Appeal shall serve more than one full term consecutively;" so that said paragraph will read as follows:

"When said Board is first constituted the terms of the members shall be as follows:

Members nominated by Planning Board and Board of Health, two years.

Members nominated by Board of Assessors and Park Commission, one year.

Member nominated by Board of Survey, three years, said terms to begin on May 1 next succeeding the passage of these By-Laws. Thereafter, as the term of any member expires, or his office becomes vacant from any cause, his successor shall be nominated and appointed in the same way in which such office was originally filled and for the term of three years.

Members of said Board of Appeal shall be residents of Stoneham, shall hold office during such residence until their successors are duly qualified and may be removed after hearing by the Selectmen.

A chairman of said Board and in his absence an acting chairman shall be chosen by and from the members thereof. No member shall act in any case in which he is interested financially or otherwise.

No member of the Board of Appeal shall serve more than one full term consecutively."

(q) To amend Section 3, Article 2 of paragraph entitled "Rules and Regulations" by adding the words "for its procedure," so that said paragraph shall read as follows:

"The Board shall make such rules and regulations as it deems expedient for its procedure".

(r) To amend Section 4 of Article 2 by adding the words "and any amendments thereof," so that said paragraph will read as follows:

"The Board of Appeal shall hold a public hearing thereon after posting notice upon the property with respect to which the appeal is filed, and sending a written notice delivered by mail, postpaid, to the petitioner and to the owners of all property in the immediate vicinity deemed by the Board to have interest therein, or to be affected thereby as they appear on the most recent tax list: and the notice of said hearing shall also be advertised in a newspaper published in the Town of Stoneham so as to conform to the

provisions of Chapter 133 of the Acts of 1924 and any amendments thereto."

(s) To amend Sub-section 22, Section 9, Article 2, by striking out the word "porches" therein, so that said sub-section shall read as follows:

"Setback or Line of Setback. The distance from the street line to part of structure nearest the street measured at right angles to the street line, not including cornices, walls and fences."

(t) To amend Section 9 of Article 2, by adding to said section as sub-section to be known as sub-section 25, reading as follows:

"Lot Lines of Corner Lot. The back lot line of a corner lot in every case shall be considered as the side lot line of the adjacent lot and not the back lot line of the corner lot."

REPORT OF THE PLANNING BOARD

December 31, 1933.

To the Citizens of Stoneham:

The Stoneham Planning Board has met regularly throughout the present year and has held many special meetings to consider town planning and other matters. The Board has also held many public hearings concerning articles appearing in the warrant for regular and special meetings. The members of the Board feel that it has just concluded a successful year in town planning.

At the annual Town Meeting held in March, upon the recommendation of the Planning Board, the citizens of the town voted to amend the Zoning By-Law to allow riding stables, riding schools or the keeping of horses for rental on farm property or other undeveloped land. However, under the vote of the town the Board of Appeal was granted the power to impose reasonable restrictions under which such enterprises might be operated. Prior to the adoption of this amendment riding schools, etc., had given the various town Boards much concern. Many hardships had heretofore resulted.

An article seeking the repeal of the Zoning By-Law also appeared in the warrant for the annual Town Meeting. This article was decisively defeated by a vote of 289 for repeal and 503 opposed. By defeating this article the townspeople were assured of the continued protection to their homes and other property which they might own. Upon a motion of the Planning Board it was voted to appoint a committee of fifteen to study the Zoning By-Law and report at a subsequent meeting what revisions might be recommended after a study and survey. The committee of fifteen held many meetings and reported back to a special Town Meeting held on June 26, 1933, but upon the recommendation of the Planning Board action was deferred until the annual Town Meeting of 1934.

Another article appearing in the warrant for the annual Town Meeting sought to make the decision of the Board of Appeal a majority rather than a unanimous one. This article was not passed owing to the fact that the General Laws provide that a decision of a Board of Appeal varying a Zoning By-Law must be unanimous.

In the spring of the year representatives of the Planning Board appeared before the Committee on Mercantile Affairs at the State House where a hearing was held to consider a survey and study of zoning, town planning and the regulation of billboards. As the result of many hearings and a report to the Legislature an act revising municipal zoning was passed by the Legislature under date of June 16, 1933, entitled Chapter 269 of the

Acts of 1933. However, zoning laws in effect at that time were not disturbed by the adoption of this new Act.

Upon the request of the Board of Selectmen, the Planning Board, at a hearing before the Department of Public Utilities, secured the trial of a bus line between Stoneham Square and the New England Sanitarium. Owing to the fact that the Metropolitan District Commission would not allow the bus line established by the Eastern Mass. Street Railway to continue from the Sanitarium to the Melrose-Stoneham line, the Railway was obliged to discontinue, after a trial run, owing to loss of revenue. It is hoped that the line will be re-established when the Railway will be allowed to run its busses from Reading through Stoneham down to the Sanitarium and on to Malden.

In May the Planning Board held a public hearing regarding the enlargement of Lindenwood Cemetery. Those present at the hearing were the Park Commissioners, Cemetery Trustees and a representative committee from the property abutting the cemetery. It was reported to the special Town Meeting held June 26, 1933 that action was inadvisable at this time.

Duuring the year the Board procured a beautiful Douglas Fir tree which was planted on the lawn at the Police and Fire Stations. Four Mountain Ash were also planted. This was all made possible through the use of J. Alden Stockwell Shade Tree Fund. At Christmas time the tree was appropriately decorated with lights.

On July 14, 1933 representatives from the many public Boards of Stoneham met with representatives from Reading and Wakefield at the Wakfield Town Hall. A By-Pass Committee was appointed, headed by Norman W. Haines, as Chairman, with F. P. Hanford as Secretary. The purpose of the meeting was to see what could be done in locating a by-pass through Stoneham, Wakefield and Reading. On July 20, 1933 the Committee, with Representatives from Stoneham and the other towns appeared before Mr. Lyman of the Department of Public Works and his associates to project the by-pass as speedily as possible. The meeting was well attended. The Committee was informed that the Department would give the matter its consideration. The Committee further conferred with the Metropolitan Planning Division with reference to the by-pass but found that no funds were available for this project for the time being. The Committee is still endeavoring to bring the matter to a point where the by-pass will be passed upon by the Legislature.

Several conferences were held with the Melrose Planning Board during the year the subject of which was the drainage of the Doleful Pond Area. As a result of these conferences Repre-

sentative Milano introduced House Bill No. 927, which was reported favorably.

During the year the Planning Board, under the supervision of Percival H. Wardwell, developed plans for the improvement of the High School Grounds and the Civic Center. The plans were successfully carried out and the grounds accordingly improved.

The Planning Board members appeared before the Department of Public Works and opposed the renewal of and the granting of bill board permits in the Town of Stoneham.

A survey committee reported during the year, recommending a sidewalk on the westerly side of North Main Street, which work is now being done under C. W. A. direction. The committee also reported on the adoption of a uniform color scheme for buildings used for business purposes on Main Street.

In September the Board of Selectmen requested the Planning Board to consider projects which the town might undertake under the benefits of the Public Works Program of President Roosevelt. As a result of this request the Board held a public hearing in the Library Auditorium and suggestions were received for many public improvements. After the hearing the Board submitted its report to the Board of Selectmen, suggesting the town proceed under the P. W. A. with the erection of a new public school building and a new town office building.

In December a Committee was appointed to prepare a Master Plan for the town, showing the location of all schools, public buildings, playgrounds, etc., belonging to the town.

Respectfully submitted,

REPORT OF TREE WARDEN AND SUPERINTENDENT OF MOTH WORK

To the Citizens of Stoneham:

I hereby submit my report as Tree Warden and Superintendent of Moth Work for the year ending December 31, 1933. The appropriation for planting and care of shade trees was $1700. To this was added $89.38 drawn from the income of the James A. Stockwell Shade Tree Fund making a total of $1789.38 expended on shade tree work. One hundred fifty trees were planted and I am glad to report that our shade trees are in excellent condition. We have a large number of young maples which have been planted during recent years and have made fine growth. The customary work of trimming and removing dead branches was carried out. Several trees which showed decay were removed and some removal work was necssary in connection with the change in location of Montvale Avenue.

The customary warfare against insect pests was carried on, the sum of $3747.92 being spent for this work. Of this amount about one-half will be assessed upon owners of private property. Roadsides are practically free from brush.

Respectfully submitted,

GEORGE M. JEFTS,

Tree Warden and Superintendent of Moth Work

REPORT OF COMMITTEE ON FIRE ALARM SYSTEM

The Committee appointed to investigate the condition of the Fire Alarm at the Annual Town Meeting have had several meetings and have found that the present Fire Alarm System is in very poor condition, both circuits overloaded with boxes, wires need renewing and changed locations on poles on a number of streets and will not stand any further additions of boxes which are becoming necessary.

Several of the Committee went to Braintree to inspect a new system installed there within three years. At one meeting, Mr. L. W. Bills of Lexington met with the Committee and gave them the benefit of his many years experience as a Fire Alarm expert.

The Committee recommend that the present Fire Alarm System of two circuits be divided into four outside circuits and one inside circuit. This would cut down the time and expense of locating trouble on the outside and in case of a broken wire would only cut out a quarter of the boxes where at present all boxes are out of commission until the break is located. Also in case of another sleet storm such as we had a few years ago would not place the entire system out of commission for a long period of time as an alarm could be sent out on the inside circuit at any time.

The installation of a new 6 circuit Switchboard complete with rectifiers; 8 circuit Protector board; Lightning Arresters for necessary overhead construction; Punch Register, with take up reel; Automatic Time Stamp; 5 circuit Repeater; new Fire Whistle; New Air Compressor for Alternating Current and installation of a desk in the office on the first floor to take care of the mounting of Register and reel, Cole transmitter, allowing any box number from 1 to 9999 to be sent out; Meter for each circuit, telephone jacks; Mutual Aid, when installed and siren street warning movement.

A second hand Repeater with a guarantee, which would serve the Town for a great many years could be purchased for a great deal less money than a new one and would last the Town for many years with a minimum of expense, as a repeater does not wear out, but is replaced when a system is enlarged; and the Committee feel that a second hand Repeater with proper guarantee would not be a bad investment for the Town.

This report also includes plans for the replacement of eight old type Fire Alarm Boxes in service at the present time and the installation of new boxes in necessary locations.

An article to carry out the recommendations of the Committee has been placed in the Town Warrant.

REPORT OF THE TREASURER

Total Receipts	1,157,849.17	
		$1,159,942.44
Payments as per Selectmen's Warrants	1,084,113.75	
Cash on hand January 1, 1933	2,093.27	
		$1,159,942.44

Details of receipts and payments will be found in the Accountant's report.

Respectfully submitted,

SIMEON C. FULLER,

Treasurer.

REPORT OF TOWN ACCOUNTANT

Herewith is presented the report of the Town Accountant for the year ending December 31, 1933. The report is made in accordance with the requirements of the State System of Accounting.

Unexpended balances of appropriations turned back into the Treasury amounted to $12,190.59.

Unpaid bills amount to $3,821.21 (Public Welfare due other Cities and Towns).

Montvale Avenue Resurfacing shows an overdraft of $5,277.88, but this will be reduced or paid by money due the Town from State and County, the amount of which has not yet been determined.

Unpaid taxes are $239,588.41, unpaid water rates, assessments and miscellaneous bills $47,876.44 and the Town holds tax titles which represent unpaid taxes amounting to $24,804.55.

The Town owes $215,000.00 on Anticipation of Revenue Loan, which sum is an obligation against the uncollected taxes.

Actual surplus revenue (Excess and Deficiency Account) as of December 31 is $66,454.63.

Cash balance $75,828.69.

The matter of uncollected taxes should be given serious consideration as the condition of the tax commitments affects the Town's ability to borrow and the rates of interest demanded.

As in previous years I wish to sincerely thank the various town departments for their splendid co-operation.

Respectfully submitted,

CHARLES A. OWEN,
Town Accountant.

Selectmen of Stoneham

TOWN WARRANT

To J. Clarence Nelson or either of the Constables of the Town of Stoneham, in the County of Middlesex, GREETING:

IN THE NAME OF THE COMMONWEALTH OF MASSACHUSETTS, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, to meet in Armory Hall.

MONDAY, MARCH 5, 1934

at seven o'clock in the morning, to act on the following articles of this warrant:

Article 1. To choose a Moderator, a Town Treasurer, a Tax Collector, three Selectmen, three Constables, a Tree Warden, all for one year; a Town Clerk, one member of the Board of Public Welfare, one Assessor, one member of the Board of Health, two members of the School Committee, one Park Commissioner, two Trustees of the Public Library, all for three years; one Trustee of Lindenwood Cemetery for five years; all on one ballot in accordance with the votes of the town and the General Laws of the Commonwealth.

The polls will be open at seven o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles, the meeting will be adjourned to meet at thirty minutes after seven o'clock in the evening, on Monday, March 12, 1934.

Article 2. To choose all other necessary Town Officers for the year ensuing.

Article 3. To hear the reports of Town Officers and Committees, and to act thereon and to choose Committees.

Article 4. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriations for the same.

Article 5. To see if the town will authorize its Treasurer to hire money for the use of the town under the direction of the Selectmen.

Article 6. To see if the town will vote to authorize its Treasurer, with the approval of the Selectmen, to refund any or all of the revenue notes issued in anticipation of revenue of the year 1934 in accordance with the provisions of Section 17 of Chapter 44 of the General Laws; any debt so incurred to be paid from the revenue of 1934.

Article 7. To see if the town will vote to authorize the Selectmen to grant free use of Armory Hall to Veterans' organizations and to organizations of a community nature.

Article 8. To see if the town will vote to authorize the Board of Health to appoint its Secretary, or any other of its Board

members, Health Officer. To see if the town will vote to fix the salary of said Health Officer, and raise and appropriate money therefore. (Board of Health).

Article 9. To see if the town will vote to authorize the Board of Health to appoint one of its Board members, Milk Inspector; and raise and appropriate money therefor. (Board of Health).

Article 10. To see if the town will vote to pay the rent of quarters or to lease quarters for the use of J. P. Gould Post No. 75 G. A. R.; Leon E. Warren Camp No. 31 U. S. W. V.; Stoneham Post No. 115; American Legion, raise and appropriate money therefor or do anything in relation thereto. (Veterans).

Article 11. To see if it is the sentiment of the town that street lights be turned off at 1.00 A. M. (Planning Board).

Article 12. To see if the town will vote to raise and appropriate a sum of money to pay the taxes assessed in the year 1933 on property owned by the town.

Article 13. To see if the town will authorize the Board of Health to contract for a term of years for the removal and disposal of ashes, paper and other waste, and also for the removal and disposal of garbage or do anything in relation thereto.

Article 14. To see if the Town will vote to instruct the Selectmen to grant Saturday half holidays, with pay, to the employees of the Public Works Department. (Town Employees).

Article 15. To see if the Town will vote to demolish, remove or otherwise dispose of the house at 12 Emerson Street. (Planning Board).

Article 16. To see if the town will vote to demolish, remove or otherwise dispose of the old Center School Building. (Planning Board).

Article 17. To see if the Town will vote to repair the old Center School Building with labor to be furnished by the Civil Works Administration, or otherwise, raise and appropriate money therefor, or do anything in relation thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of $100.00 for Christmas lighting and appoint a committee of five (5) to expend said sum, or do anything in relation thereto. (Planning Board).

Article 19. To see if the Town will vote to raise and appropriate money to pay unpaid bills incurred in the year 1933. (Town Accountant).

Article 20. To see if the Town will vote to accept section 100a of Chapter 41 of the General Laws of Massachusetts. (Town Counsel).

Article 21. To see if the Town will vote to raise and appropriate money to indemnify Andrew J. Tuney, a police officer of

the Town of Stoneham, for expenses and damages incurred by him in the settlement of the suit of Oscar W. Lundberg. (Attorney for Oscar W. Lundberg).

Article 22. To see if the Town will vote to raise and appropriate a sum of money to provide for refunds on licenses for the sale of wines and malt beverages surrendered under the provisions of Chapter 376 of the Acts of 1933. (Selectmen).

Article 23. To see if the town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932 bonds maturing in 1934, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the town's share of the cost and interest on said bonds due in 1934, also for the town's share of the expense incurred under the provisions of Chapter 331 of the Acts of 1933 which provided for the settlement of certain claims of the Commonwealth against the Middlesex County Tuberculosis Hospital District, also for the care, maintenance, and repair of said hospital for 1933, and including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto, and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

Article 24. (a) To see if the town will vote to raise and appropriate a sum of money to buy materials and supplies and to pay for other expenses in connection with Civil Works Administration projects which may be approved, or do anything in relation thereto. (Board of Selectmen).

(b) To see if the town will vote to reimburse Horace I. Newcomb for services and expenses as Civil Works Administrator, raise and appropriate money therefor, or do anything in relation thereto.

(c) To see if the town will vote to compensate the Civil Works Administrator for future services and expenses, raise and appropriate money therefor or do anything in relation thereto.

Article 25. To see if the town will vote to raise and appropriate money to provide for any overdraft on account of the resurfacing of Montvale Avenue in the year 1933, or do anything in relation thereto. (Board of Selectmen).

Article 26. To see if the town will vote to reconstruct the Fire Alarm System, raise and appropriate money therefor, or do anything in relation thereto. (Committee on Fire Alarm).

Article 27. To see if the town will vote to raise and appropriate money to equip the Police Signal System with new batter-

ies, or do anything in relation thereto. (Police Department).

Article 28. To see if the town will vote to raise and appropriate money for the installation of Pedestrian Signal Buttons in connection with existing traffic system at the following points: Main Street and Elm Street; Main Street and Montvale Avenue; Main Street and Marble Street, or do anything in relation thereto. (Board of Selectmen).

Article 29. To see if the town will vote to remodel or repair Armory Hall with labor to be furnished by the Civil Works Administration, or otherwise, raise and appropriate money therefor, or do anything in relation thereto.

Article 30. To see if the town will vote to build a school house of eight class rooms and auxiliary rooms on land now owned by the town, located on Summer Street and equip same, except for instructional supplies, raise and appropriate money therefor by sale of notes, bonds or otherwise; authorize the Moderator to appoint a committee of five to carry out any vote or votes passed hereunder, or do anything in relation thereto. (Residents of the South End).

Article 31. To see if the town will vote to resurface Franklin Street, between Main Street and the Stoneham-Melrose line or any part thereof, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Board of Selectmen).

Article 32. To see if the town will vote to resurface Spring Street, between East Street and Stoneham-Wakefield line or any part thereof, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Board of Selectmen).

Article 33. To see if the town will vote to resurface Summer Street, throughout its entire length, or any part thereof, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Board of Selectmen).

Article 34. To see if the town will vote to purchase a power road grader, raise and appropriate money therefor, or do anything in relation thereto. (Supt. of Public Works).

Article 35. To see if the town will vote to purchase a compressor and equipment, raise and appropriate money therefor, or do anything in relation thereto. (Supt. of Public Works).

Article 36. To see if the town will vote to purchase a truck for the use of the Water Department, raise and appropriate money therefor or do anything in relation thereto, and also authorize the disposal of the truck now used by said department. (Supt. of Public Works).

Article 37. To see if the town will vote to purchase two (2) tractors, raise and appropriate money therefor, or do anything in relation thereto. (Supt. of Public Works).

Article 38. To see if the town will vote to purchase a truck for the Town Infirmary, raise and appropriate money therefor or do anything in relation thereto; and also authorize the disposal of the truck now used by said department. (Board of Public Welfare).

Article 39. To see if the town will vote to purchase an automobile for the Police Department, raise and appropriate money therefor or do anything in relation thereto; and also authorize the disposal of one automobile now used by said department. (Police Department).

Article 40. To see if the town will vote to construct a sewer in and through Elm Street, from the existing sewer therein northeasterly to the Stoneham-Wakefield line; also in and through Crescent Avenue from Elm Street easterly a distance of three hundred (300) feet more or less, together with pumping equipment and the necessary force mains, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Walter R. Southall and others).

Article 41. To see if the town will vote to construct a sewer in and through Summerhill Street or any part thereof, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Edward J. Conley and others).

Article 42. To see if the town will vote to construct a drain from Franklin Street at a point near the residence of Samuel Weiss, in and through private land, to a point on Perkins Street near the residence of Ida M. Griffin, in accordance with a plan made by Warren M. Mirick, dated January 15, 1934; raise and appropriate money therefor or do anything in relation thereto. To see if the town will vote to authorize the Selectmen to secure easements from land owners for the purpose of allowing the town to construct a drain in accordance with this Article. (Samuel Weiss and others).

Article 43. To see if the town will vote to relay the water main in Summer Street, or any part thereof, raise and appropriate money therefor by the sale of notes, bonds or otherwise, or do anything in relation thereto. (Supt. of Public Works).

Article 44. To see if the town will vote to furnish the services of police officers at the High School public athletic contests, raise and appropriate one hundred and fifty (150) dollars to defray the cost of same, or do anything in relation thereto. (School Committee).

Article 45. To see if the town will vote to raise and appropriate the sum of three hundred and fifty (350) dollars to install a water cooling unit in the High School or do anything in relation thereto. (School Committee).

Article 46. To see if the town will vote to construct a granolithic sidewalk under the Provisions of Chapter 83, General Laws, on the easterly side of Wright Street, between Hersam Street and Montvale Avenue, raise and appropriate money therefor, or do anything in relation thereto. (Supt. of Public Works).

Article 47. To see if the Town will vote to accept, in whole or in part, certain proposed amendments to the Zoning By-Law, recommended by the Committee on Revision of the Zoning By-Law, as set forth in the subject matter of this article, or pass any vote or votes in relation thereto.

(a) To strike out from Article 1 the first paragraph thereof entitled "Purpose" and insert in place thereof the following:

"This by-law is created to regulate the location, size and use of buildings and other structures and uses of land in the Town of Stoneham, as provided by Chapter 40, Section 25, of the General Laws of the Commonwealth of Massachusetts, and amendments thereto, and for the purpose of carrying into effect said provisions and thereby promoting the health of the public, the safety and welfare of the inhabitants, the growth and prosperity of the town and securing the proper development and upbuilding of the Town of Stoneham."

(b) To strike out from Article 1 the paragraphs entitled respectively "Establishment of Districts" and "Zoning Map," and insert in place thereof the following:

"The town is hereby divided into seven classes of districts:

1. One Family Districts.
2. Class A Residence Districts.
3. Class B Residence Districts.
4. Retail Business Districts.
5. General Business Districts.
6. Industrial Districts.
7. Heavy Industrial Districts.

These districts are hereby established as shown on the Town of Stoneham, Mass., Zoning Map on file at the office of the Town Clerk which accompanies and is hereby declared to be a part of this By-Law".

(c) To strike out from Section 2, sub-section 5 or Article 1, the words "farm, truck garden or greenhouse" and add the following: "and farm, stock farm, truck garden, nursery or greenhouse including salesrooms for the sale of natural products, raised

in or upon any of them," so that said paragraph will read as follows:

"School, library, museum, telephone office, church, parish house or Sunday school building, and farm, stock farm, truck garden, nursery or greenhouse including salesrooms for the sale of natural products, raised in or upon any of them".

(d) To amend Section 2, sub-section 10 of Article 1 by adding the following sentence:

"Except as specified in this section, no sign or other advertising device shall be permitted," so that said paragraph will read as follows:

"An accessory building, or other building, if located in rear of principal building with no direct frontage on public or private way shall not be used for residence purposes except for persons employed on premises and their immediate families.

Except as specified in this section, no sign or other advertising device shall be permitted."

(e) To amend Clause A of Section 2, Sub-section 10 of Article 1, by striking out the words "Not exceeding 60 per cent"; in the third paragraph add the words "convalescent homes," and by adding at end of Clause A "nothing herein shall be construed to allow the operation of an institution for the treatment of mental diseases", so that said clause will read as follows:

"An existing double or duplex house if injured by fire may be reconstructed.

A detached single house may be altered and used as a place of residence for two families, providing the area of the lot complies with the area restrictions for two family houses. A duplex or semi-detached house may be erected provided the area restrictions are as follows: 15 feet from any lot line and 30 ft. from any residence building on the same lot.

Buildings may be altered and premises used for the following purposes: Semi-public, philanthropic, charitable, or religious institutions, hospitals, sanitarium, convalescent homes, not including a correctional institution or place of detention, in accordance with Article 2, section 4.

Nothing herein shall be construed to allow the operation of an institution for the treatment of mental diseases.

(f) To amend clause C of Section 2, Sub-section 10 of Article 1, by adding the words; "except as follows:

(1) That on lots of under 50 feet frontage a building may be built to 8 feet of a side lot line, provided such lot or lots shall not have been altered or changed in size as of record in the Registry of Deeds since the passige of the original Zoning Law.

(2) That in the series of three contiguous house lots the set

back required shall be the average set back of said lots," so that said clause shall read as follows:

(1) That on lots of under 50 foot frontage a building may be built to 8 feet of a side lot line, provided such lot or lots shall not have been altered or changed in size as of record in the Registry of Deeds since the passage of the original Zoning Law.

(2) That in a series of three contiguous house lots the setback required shall be the average setback of said existing lots."

(g) To amend Clause C of Section 2, Sub-section 10, under heading of "Exceptions" by adding the following:

"Garages may be built up to side lot line provided all abutters agree in writing and provided the type of garage to be built shall conform to the State laws for first class construction. Said agreements shall be filed with the Building Inspector.

Buildings existing before the passage of the original Zoning By-Law may be extended to 6 feet of the side lot line where the existing building is within 12 feet thereof and may be extended to 4 feet of the side lot line if the existing building is within 10 feet thereof, provided that the ground area covered by the extension shall not exceed 100 square feet.

Porches or piazzas existing before the passage of the original Zoning By-Law may be roofed and enclosed with glass, provided that no part thereof shall be within 5 feet of the street line at any street intersection, so that said paragraph shall read as follows:

"A private garage for not more than two cars may be built to 7 feet of a side lot line if of third class construction and to 5 feet of a side lot line if of second-class construction and to three feet of a side lot line if of first class or metal construction provided in any case it shall not be within 10 feet of a dwelling on an adjoining lot.

Garages may be built up to side lot line provided all abutters agree in writing and provided the type of garage to be built shall conform to State Laws for first-class construction. Said agreement shall be filed with the Building Inspector.

Buildings existing before the passage of the original Zoning By-Law may be extended to 6 feet of the side lot line where the existing building is within 12 feet thereof and may be extended to 4 feet of the side lot line if the existing building is within 10 feet thereof, provided that the ground area covered shall not exceed 100 square feet.

Porches or piazzas existing before the passage of the original Zoning By-Law may be roofed and enclosed with glass, provided that no part thereof shall be within 5 feet of the street line at any street intersection".

(h) To amend Clause B, Section 3 of Article 1 in the second paragraph under heading "Exceptions" by adding the following:

"Apartment houses shall not be restricted to two and one-half stories provided they shall not exceed 40 feet in height and shall not occupy more than 40% of the lot area;" so that said paragraph will read as follows:

"Schools and municipal buildings may contain three stories and be 45 feet in height.

The height limit in feet shall not apply to chimneys, ventilators, skylights, or tanks usually carried above roofs, nor to domes or spires of non-residential buildings.

Apartment houses shall not be restricted to two and one-half stories provided they shall not exceed 40 feet in height and shall not occupy more than 40% of the lot area".

(i) To amend Section 8 of Article 1 by adding to the present section at the end thereof the following:

"and except that any non-conforming manufacturing use existing at the passage of the original Zoning By-Law in any building may be continued in the same location and such a building may also be used for any purpose set forth in Section 5 under head of General Business", so that said Section 8 shall read as follows:

"Any use existing in any building at the time of passage of this By-Law may be continued in the same building or the same part thereof, although not conforming to the use regulations of the district in which said building is located, but no non-conforming use shall be changed, moved, or extended and no building devoted to a non-conforming use or uses in whole or in part shall be structually or substantially altered or reconstructed or in any way enlarged or extended unless such non-conforming use or uses are changed to a use or uses authorized in the district in which the building is located as hereinafter provided, and except that any non-conforming manufacturing use existing at the passage of the original Zoning By-Law in any building may be continued in the same location, and such a building may also be used for any purpose set forth in Section 5 under head of General Business".

(j) To amend Section 9 of Article 1 by adding to the present Section at the end thereof the following under the heading of Use of Land:—

In one family districts, and in Class A and Class B Residence Districts, no land shall be used for any purpose for which a new building or structure may not be constructed or used under the provisions of this Zoning By-Law, but nothing contained herein shall prevent the continued use of any land for the purpose for which it was used at the passage of the original Zoning By-Law, nor prevent the use of any land for farms, gardens, nurseries,

parks, playgrounds and such purposes as are incidental to or usual in connection with any of said purposes, so as to read as follows:

"A non-conforming use may be extended or moved in any building provided that the building is not structurally or substantially changed and provided also that in a Residence or Commercial District a non-conforming use is not extended or moved to any building designed, arranged or extended to a conforming use".

"In one Family Districts, and in Class A and Class B Residence Districts, no land shall be used for any purpose for which a new building or structure may not be constructed or used under the provisions of this Zoning By-Law, but nothing contained herein shall prevent the continued use of any land for the purpose for which it was used at the passage of the original Zoning By-Law, nor prevent the use of any land for farms, gardens, nurseries, parks, playgrounds, and such purposes as are incidental to or usual in connection with any of said purposes".

(k) To strike out Section 10 of Article 1 and insert in place thereof the following:

When a non-conforming building is destroyed or damaged, it may be restored to substantially its original condition, provided application is made for a building permit by a person entitled thereto within three months from said destruction or damage.

(l) To amend Section 11 of Article 1 by adding to the first sentence of said section the words "and One Family Districts", so that said sentence shall read as follows:—

Vision Clearance on Corner Lots in Residence "A" and "B" Districts and One Family Districts.

(m) To amend Section 12 of Article 1 by striking out the word "ten" in the fifth line and substituting the word "seven" therefor, so that said Section will read as follows:—

"On a corner lot, no fence, wall or structure, planting or foliage, more than 3½ feet in height above the plane of the established grade of the streets shall be erected in any part of a front or side yard herein established, that is included within the street lines at points which are seven feet distant from their point of intersection, measured along said street lines, which will materially obstruct the view of a driver of a Vehicle approaching a street intersection. This shall not apply to structures above the first story."

(n) To amend Clause A, Section 1 of Article 2 by striking out the word "execute" in the second line and substituting therefor the word "enforce", so that said clause will read as follows:—

"The Building Inspector appointed under provisions of the Building Regulations shall enforce the provisions of this By-Law."

(o) To amend Clause E, Section 1 of Article 2, by adding:—

"In all other matters the Building Inspector shall have all authority granted him under the Provisions of the statue law or Town By-Laws;" so that said Clause will read as follows:—

"If the Inspector shall be informed or knows that any provision of this By-Law has been, or is being violated he shall inspect the property where the violation exists. If he shall find any such violation he shall give notice in writing to the owner or his authorized agent and to the occupant of premises that any use of building or structure contrary to this By-Law shall immediately cease. If after such notice the building or structure is used contrary to provisions of this By-Law or if any owner or occupant fail to obey a lawful order of the Inspector in respect to any violation of this By-Law he may revoke the permit for occupation of the premises and shall make complaint to the court having jurisdiction thereof or apply to the Superior Court for an injunction or order restraining the further use of premises and shall take any and all such action as may be necessary to enforce this By-Law. In all other matters the Building Inspector shall have all authority granted him under the Provisions of the statute law or Town By-Laws."

(p) To amend Section 3 of Article 2 by adding to paragraph entitled "Terms of Office", the following:

" No member of the Board of Appeal shall serve more than one full term consecutively;" so that said paragraph will read as follows:

"When said Board is first constituted the terms of the Members shall be as follows:

Members nominated by Planning Board and Board of Health, two years.

Members nominated by Board of Assessors and Park Commission, one year.

Member nominated by Board of Survey, three years, said terms to begin on May 1 next succeeding the passage of these By-Laws. Thereafter, as the term of any member expires, or his office becomes vacant from any cause, his successor shall be nominated and appointed in the same way in which such office was originally filled and for the term of three years.

Members of said Board of Appeal shall be residents of Stoneham, shall hold office during such residence until their successors are duly qualified and may be removed after hearing by the Selectmen.

A chairman of said Board and in his absence an acting chairman shall be chosen by and from the members thereof. No member shall act in any case in which he is interested financially or otherwise.

No member of the Board of Appeal shall serve more than one full term consecutively."

(q) To amend Section 3, Article 2 of paragraph entitled "Rules and Regulations" by adding the words "for its procedure", so that said paragraph shall read as follows:—

"The Board shall make such rules and regulations as it deems expedient for its procedure."

(r) To amend Section 4 of Article 2 by adding the words "and any amendments thereof", so that said paragraph will read as follows:—

"The Board of Appeal shall hold a public hearing thereon after posting notice upon the property with respect to which the appeal is filed, and sending a written notice delivered by mail, postpaid, to the petitioner and to the owners of all property in the immediate vicinity deemed by the Board to have interest therein, or to be affected thereby as they appear on the most recent tax list; and the notice of said hearing shall also be advertised in a newspaper published in the Town of Stoneham so as to conform to the provisions of Chapter 133 of the Acts of 1924 and any amendments thereto."

(s) To amend Sub-section 22, Section 9, Article 2, by striking out the word "porches" therein, so that said sub-section shall read as follows:—

"Setback or Line of Setback. The distance from the street line to part of structure nearest the street measured at right angles to the street line, not including cornices, walls and fences."

(t) To amend Section 9 of Article 2, by adding to said section a sub-section to be known as sub-section 25, reading as follows:—

"Lot Lines of Corner Lot. The back lot line of a corner lot in every case shall be considered as the side lot line of the adjacent lot and not the back lot line of the corner lot."

Article 48. To see if the town will vote to repeal the Zoning By-Law. (John H. McGaffigan and others).

Article 49. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the retail business district as heretofore defined and set forth, so as to include in the retail business district the following described area:—

Beginning at a point on the westerly side of Main Street at the junction of land owned by John F. Zunino and the Commonwealth of Massachusetts, thence extending northerly by and along the westerly side of Main Street a distance of 137.90 feet; thence westerly a distance of 75 feet, thence southerly a distance of 123.89 feet to land of said Commonwealth; thence easterly a distance of 76.30 ft. to the point of beginning. (John W. Zunino).

Article 50. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the retail business district as heretofore defined and set forth, so as to include in the retail business district the following described area:—
Beginning at a point on the easterly line of Main Street at land now or formerly belonging to Allen Rowe, thence running southeasterly by land of said Rowe and land now or later of Elbridge Gerry, about two hundred fourteen and one-half (214.5) feet to a point; thence turning and running southwesterly by land of said Gerry, three hundred sixty and one-half (360.5) feet to a point; thence turning and running northwesterly by land now or late of Daniel Hills' heirs, two hundred thirteen (213) feet to the easterly line of Main Street; thence turning and running northeasterly by said line of Main Street, three hundred forty-six and one-half (346.5) feet to the point of beginning, and containing about 75,300 Sq. ft. of land. (Eastern Massachusetts Street Railway Company).

Article 51. To see if the town will vote to amend the Zoning By-Law as to Article 1 by creating a One Family Residence District bounded as follows: Westerly by High Street, Southerly by Broadway, Easterly and Northerly by the Stoneham-Wakefield line. (Petition).

Article 52. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the Residence "B" District as heretofore defined and set forth, so as to include in the Residence "B" District the area bounded on the south by the northerly side of Emerson Street, on the east by the westerly side of Pine Street, on the north by the southerly line of Tidd Street, a discontinued way, as laid out June 23, 1860 and on the west by a line parallel to and 100 feet east of the easterly side of Central Street. (Planning Board).

And you are directed to have one thousand copies of this warrant printed, and to serve the same by posting up attested copies in at least ten public places in the Town seven days at least, before the time for holding said meeting, and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this thirteenth day of February in the year One Thousand Nine Hundred and Thirty-four.

THOMAS E. CAHILL,
HARRY R. DOCKAM,
WILLIAM C. GIBBONS,
Selectmen of Stoneham.

Copy Attest:
J. CLARENCE NELSON,
Constable.
